Mounce,2005-06-29 Pass It On is the ringing battle cry from the Apostle Paul in his two letters to Timothy and pass it on is the same message and challenge to followers of Christ who study those letters today The books of 1 and 2 Timothy are a gold mine for Christians who want to learn or review the basics in spiritual living With careful scholarship and clear writing Robert Mounce gives you the tools to mine that gold as he covers both letters in verse by verse style from knowing how to avoid going wrong to discovering the role of women in the church from finding qualities you need for church leadership to guarding against cashing in on attractive new converts

from refuting the legalism of super sainthood to training you to be in good spiritual condition from learning to give tender loving care to avoiding the love of money These are just a few of the many truths Paul shares with Timothy and which the author helps you apply to your own spiritual life The result is a practical commentary a manual of church discipline a series of instructions on how Christians in a local community should organize themselves in order to worship God and live together in Christian love

Translating the English Bible Philip Goodwin,2013-02-28 In his detailed and thought provoking work Philip Goodwin conducts a thorough analysis of the challenges facing the Biblical translator with particular focus on the problematic dominance of the King James Version of the Bible in our imaginations a dominance which has had a deleterious effect upon the accuracy and originality of the translator s work Goodwin considers the first two chapters of the Lukan narratives in depth comparing and contrasting a breadth of widely disparate translations and drawing on a rich body of Biblical scholarship to support his thesis A wide ranging discussion of other linguistic issues is also conducted touching on such vital matters as incorporating the contextual implications of the original text and the attempt to challenge the reader s pre existing encyclopaedic knowledge Goodwin evolves a fresh and comprehensive answer to the difficulties of the translator s task and concludes by providing his own original and charming translation of the first two chapters of Luke s Gospel

Translating the English Bible provides a fascinating insight into the processes of translation and will interest anyone seeking accuracy and fidelity to the Scriptural message It will also enlighten readers seeking a challenging translation of Luke that casts off the shackles of the Holy Marriage tradition of Biblical translation

Victorian King James Version of the New Testament: A "Selection" for Lovers of Elizabethan and Victorian Literature Dave Armstrong,2014-07-15 Many revisions of the King James Authorized Bible of 1611 exist even revisions of revisions have been done ASV to NASB RV to RSV KJV to NKJV etc The present work is a similar hybrid I don t know Greek and am therefore not qualified in the slightest to actually translate and did not translate a single word But I know English as a professional author and know the Bible as a longtime Christian apologist very well This work accordingly isn t technically a new translation at all but rather a selection or collection of what I personally felt were the best renderings that maintained the KJV style as much as possible without the archaisms When I updated the olde English language I sought to maintain a high Victorian 18th 19th century style of British English This NT selects from the following six translations all in the public domain 1 KJV 1611 rev 1769 2 Rheims 1582 rev 1750 3 Young s Literal 1887 4 Weymouth 1903 5 20th Century 1904 6 Moffatt 1922
