## **The New Testament Recovery Version:**

**The New Testament** John C. Ingalls, Witness Lee, 1985-01-01      *Holy Bible Recovery Version* Living Stream Ministry, Throughout the centuries translations of the Bible have steadily improved In general each new translation inherits from previous ones and opens the way for later ones While a new translation derives help from its predecessors it should go further The Recovery Version of the New Testament following the precedent set by the major authoritative English versions and taking these versions as reference not only incorporates lessons learned from an examination of others practices but also attempts to avoid biases and inaccurate judgments This version frequently guided by other versions attempts to provide the best utterance for the revelation in the divine Word that it may be expressed in the English language with the greatest accuracy Translating the Bible depends not only on an adequate comprehension of the original language but also on a proper understanding of the divine revelation in the holy Word Throughout the centuries the understanding of the divine revelation possessed by the saints has always been based upon the light they received and this understanding has progressed steadily The consummation of this understanding forms the basis of this translation and its footnotes Hence this translation and the accompanying footnotes could be called the crystallization of the understanding of the divine revelation which the saints everywhere have attained to in the past two thousand years It is our hope that the Recovery Version will carry on the heritage that it has received and will pave the way for future generations As with any New Testament translation the determination of the original Greek text based upon the available manuscripts forms the basis for the text of the Recovery Version of the New Testament The Recovery Version follows for the most part the Nestle Aland Greek text as found in *Novum Testamentum Graece* 26th edition However in determining the original form of any verse the translators of the Recovery Version gave careful consideration to the larger context of chapter and book and to similar portions of the New Testament The most recently discovered manuscripts or the manuscripts of oldest date are not necessarily the most accurate or reliable hence the determination of the text for this version was based largely upon the principle stated above Departures from the Nestle Aland text are sometimes indicated in the footnotes Italicized words in the verses indicate supplied words not found in the Greek text Quotation marks are used to indicate close quotation from the Old Testament The Recovery Version embodies extensive research into the meaning of the original text and attempts to express this meaning with English that is to the point easy to understand and readable In those places where it is difficult to express the exact meaning of the original Greek explanatory footnotes have been supplied The subject provided at the beginning of each book and the outline of each book take the historical facts as their base and express the spiritual meaning in each book The footnotes stress the revelation of the truth the spiritual light and the supply of life more than history geography and persons The cross references lead not only to other verses with the same expressions and facts but also to other matters related to the spiritual revelation in the divine Word      *The New Testament* ,1991      **The New Testament** ,1997-05-01 Based on 26th edition of Nestle Aland Greek text

**Holy Bible** Witness Lee, Living Stream Ministry, 2003 *The Ministry, Vol. 12, No. 04* Various Authors, 2008-04-01 This issue of The Ministry presents the first eight messages given during the 2006 fall term of the full time training in Anaheim California The general subject of this series of messages is The Reality of the Body of Christ What is the reality of the Body of Christ The reality of the Body is first the Spirit The Spirit is the Spirit of reality John 16 13 and the Spirit is the reality 1 John 5 6 The Spirit is the essence and the reality of the Body Eph 4 3 4 1 Cor 12 12 13 From the divine viewpoint the reality of the Body of Christ is the Spirit The reality of the Body of Christ is also the corporate living of a group of God men As this group of God men are denying their natural human life by the power of Christ's resurrection they are being conformed to the mold of Christ's death and the more they love the Lord experience Him and enjoy Him the more they welcome their being pressed into this mold As a result they live God yet they live God Christ and the Spirit in and through their human life Thus the Triune God is expressed corporately through this group of God men That is the reality of the Body of Christ In the section on reports we include a report concerning the Lord's fresh move in Montreal Canada

**The Collected Works of Witness Lee, 1984, volume 2** Witness Lee, The Collected

Works of Witness Lee 1984 volume 2 contains messages given by Brother Witness Lee from February 6 through 18 1984 During those two weeks Brother Lee held an international training for elders and responsible brothers in Anaheim California The messages that were released at that time were published in four volumes which are included in this volume of The Collected Works of Witness Lee The contents of this volume are divided into four sections as follows 1 Six messages given in Anaheim California on February 6 and 7 These messages were previously published in a seven chapter book entitled Elders Training Book 1 The Ministry of the New Testament and are included in this volume under the same title 2 Twelve messages given in Anaheim California on February 8 through 11 These messages were previously published in a thirteen chapter book entitled Elders Training Book 2 The Vision of the Lord s Recovery and are included in this volume under the same title 3 Nine messages given in Anaheim California on February 13 through 15 These messages were previously published in a thirteen chapter book entitled Elders Training Book 3 The Way to Carry Out the Vision and are included in this volume under the same title 4 Nine messages given in Anaheim California on February 16 through 18 These messages were previously published in an eleven chapter book entitled Elders Training Book 4 Other Crucial Matters concerning the Practice of the Lord s Recovery and are included in this volume under the same title The Ministry of the Word, Vol. 24, No. 01 Various Authors, 2020-01-01 This issue of The Ministry of the Word contains a complete record of the twelve messages given during the semiannual training held December 23 28 2019 in Anaheim California on the crystallization study of Deuteronomy The key statements in the following section embody and summarize the crucial truths and main burdens in these twelve messages These training messages are being published immediately following the training in order that they might benefit the saints participating in the many video trainings that are held throughout the earth The Reports and Announcements section contains An Update concerning Europe and Announcing a New Website [ShepherdingWords.com](http://ShepherdingWords.com) Also included is information concerning upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe *Vessels Useful to the Lord* Witness Lee, 2024-01-17 For those who would serve the Lord full time Witness Lee offers some practical fellowship concerning being useful for the work of the Lord s recovery Studying the truth learning being trained and being filled in Spirit are all matters of importance All of that is to equip us to speak for the Lord The most important thing that we who have given ourselves to work for the Lord can do is to speak for Him Whether we are preaching the gospel teaching the truth ministering life exhorting the believers or building the church we need to speak for the Lord Hence it is very important for a person who works for the Lord to study the Word As ones who have come out to serve full time you should serve in the new way ordained by God Do not think that to serve full time is to learn to stand on a platform and give messages This concept is wrong In the past we could not maintain the Lord s Day meeting without someone giving a message However now we are not depending on you to give messages on the platform Rather we want you to contact people If you are willing to spend five years to attend as many church meetings as possible and to learn to serve

using half of every day to learn the truth and the other half to work then the future of the Lord s recovery will definitely be bright     *The Ministry of the Word, Vol. 21, No. 12* Various Authors,2017-12-01     **The Collected Works of Witness Lee, 1984, volume 4** Witness Lee, The Collected Works of Witness Lee 1984 volume 4 contains messages and fellowship given by Brother Witness Lee on July 9 through November 15 1984 and on July 31 through August 2 1986 At the end of June Brother Lee returned from Denver Colorado to Anaheim California and remained there until the first week in October From the middle of October until the middle of November Brother Lee traveled to the Far East and ministered in Tokyo Japan Seoul South Korea Taipei Taiwan and Quezon City Philippines The contents of this volume are divided into seven sections as follows
