The New Testament The Good News Of Jesus:

The New Testament Michael Pennock,1982 **Knowing the Gospel** Lola S. Richey,2011-12-12 Knowing the Gospel The Good News of Jesus Christ Made Simple is an inspirational and accessible Bible based primer on Jesus Christ and His message and teaches how a reader in the twenty first century can achieve salvation through this most important first century figure This book answers simple question like What is the Gospel Who is God Who is Jesus What is a Christian How to become saved What is salvation Is there life after death In Knowing the Gospel readers are introduced the Good News of the four Gospels which tell of Jesus identity and historical times through the lens of both Old Testament and New Testament writings Readers learn about sin and repentance through the story of the Apostle Paul who turned from persecuting Jesus followers to following Him himself While sin is inevitable readers will be heartened to learn that faith and trust in Jesus will lead them to eternal life in Him as Christians The book concludes with a joyous invitation to salvation **The New Testament** Margaret Nutting Ralph,2012 Good News of Jesus L. William Countryman,1993-02-01 At the heart of Christianity stands the figure of Jesus and the message he embodied the gospel This book seeks to make what is at the heart of the Christian religion available in a new way in our time Many of those who read this book will already have some notion of what the Christian faith is about Professor Countryman therefore writes I fear that the reader will bring to the reading of this book all kinds of assumptions that don t belong here and I have tried to be explicit in rejecting some of these so that I can reintroduce something truer Within the church and outside of it people today are in a period of refocusing and rediscovery asking what is really central to the Christian faith Some claim that today s church has lost its heart if not its soul Countryman sounds a clarion call back to the gospel the good news For in the end he writes we must be prepared to choose the good news over everything else Here then is a fundamental work that has grown out of and been tested in the parish and that has served as a basic text for seminary courses in Foundations of Christian Spirituality L William Countryman is Professor of New Testament at the Church Divinity School of the Pacific Berkeley California and author of The Language of Ordination Ministry in an Ecumenical Context also published by Trinity Press Good News New Testament-TEV American Bible Society,2001-03 Outreach New Testament with extensive reader s helps and supplements **The Good News about Jesus** Frank Dell'Isola,1975 Is the Gospel Good News? Stanley E. Porter,Hughson T. Ong,2019-05-02 Is the Gospel Good News was the theme of the 2015 H H Bingham Colloquium at McMaster Divinity College in Hamilton Ontario Canada held on June 4 5 The fourteen participants in this colloquium presented their own individual perspectives on the theme from three broad vantage points Bible theology and crucial topics The good news that Jesus proclaimed concerning the kingdom of God became the gospel proclaimed by his followers throughout church history This gospel is about the coming of Jesus Christ in fulfillment of God s will for humanity This volume presents some accounts of how this good news has been understood through the ages and continues to be understood in relation to some of the major topics and issues of our contemporary

world The papers in the Bible section discuss this good news from both Old and New Testament passages and themes The papers in the Theology section address theological topics in light of the question of what constitutes the good news Finally the papers in the Crucial Topics section explore new and different perspectives on ways in which the gospel is good news This volume highlights diverse perspectives and proposals by scholars from various locations in different stages of their academic careers resulting in a stimulating discussion of the topic of the gospel as good news Simply Good News Tom Wright, 2015-03-19 The Gospel means good news but what makes it news If the message has been around for 2 000 years what could possibly be newsworthy about it And what makes it good Surely not the stories we hear of damnation violence and an angry God Tom Wright believes many Christians have lost sight of what the good news of the gospel really is In Simply Good News he shows how a first century audience would have received the gospel message what the good news means for us today and how it can transform our lives

The Gospel of Jesus James M. Robinson, 2024-01-17 We know Matthew Mark Luke and John but what was the gospel of Jesus The message is intense and simple a valuable addition to the Jesus canon Booklist Is it possible to know what Jesus's original audience heard as the good news Jesus's gospel has been lost from sight hidden behind the version preferred by the church In The Gospel of Jesus James M Robinson acclaimed expert on early Christian studies gets to the true historical message of Jesus The Gospel of Jesus draws on a combination of the most ancient and authentic texts to reveal what Jesus really said and to illuminate what he may still have to say to us today Robinson not only reconstructs the good news Jesus preached and practiced two thousand years ago but also shows how relevant that message still is and how we can apply it to our lives The Gospel of Jesus offers one of the most authentic and stirring accounts ever written of the message preached by Christ A dramatic account of the original messages of Jesus of Nazareth before honorific titles were applied to him and dogmatic statements were formulated about him a book of wisdom insight and passion Marvin Meyer author of The Gnostic Gospels of Jesus The distillation of a distinguished career devoted to the exploration of Christian origins a succinct account of what the historical Jesus taught Robinson's reconstruction of Q the sayings source underlying Matthew and Luke provides the script on which he builds his judicious and moving portrait of Jesus Harold Attridge Dean Yale Divinity School

An Introduction to the Bible Robert Kugler, Patrick Hartin, 2009-07-08 Many current Bible intro volumes focus more on theories about the biblical text than on the text itself They lack the simplicity that has become increasingly crucial as basic biblical literacy has declined Robert Kugler and Patrick Hartin seek to remedy that problem by turning readers back to the text at hand Their Introduction to the Bible surveys the content of all the biblical books section by section focusing on the Bible's theological themes The New New Testament Johnathan M. Carter, 2008-01-15 From the moment that the ink dried on the last book of the Bible man has altered these sacred texts to suit his beliefs his prejudices and his desire to dominate other men and women with both religious and political power For the first time read the New Testament without the add ons by scribes and the early church leaders The Shakespearean

language of the King James Version has been retained but the lies have not **Invitation to the New Testament** Ben Witherington III, 2017 Includes bibliographical references and index *Discovering the Gospels: Four Accounts of the Good News* Margaret N. Ralph, 2001-07-16 Discovering the Gospels Four Accounts of the Good News answers many of our questions about the gospels Author Margaret Nutting Ralph introduces us to the methodology and insights of biblical scholarship while involving us in thoughtful dialogue Because it is written clearly in easily understood terms this book is an invaluable aid for anyone asking mature questions about the gospels It is especially suited for schools Bible study programs and faith sharing groups **New Testament Among the Writings of Antiquity** Detlev Dormeyer, 1998-07-01 In this useful work Dormeyer assesses the influence of Hellenistic culture upon the New Testament as a literary work There is no denying the impact of Jewish literature upon the New Testament but even those Jewish antecedents were themselves not infrequently imprinted with Hellenistic characteristics Dormeyer's method is to consider in turn the literary forms Gattungen of the New Testament outlining with many examples the parallels between the New Testament and Hellenistic literature The Synoptic sayings for instance are closest in character to the Hellenistic gnome though the representation of Jesus as an eschatological and prophetic wisdom teacher shows a marked difference from other teachers of wisdom in Hellenistic circles Other areas of close correspondence with Hellenistic literature lie in the form and rhetoric of the New Testament epistles and in the structure of the Gospels which invoke the canons of Hellenistic historiography and biography Throughout Dormeyer is at pains to stress the contours of the special quality of the New Testament literature as the product of a quite small community that nevertheless brought into being a number of authors of exceptional talent Good News Jack Kuhatschek, 2016-12-01 This nine session LifeGuide Bible Study explores not only the question What must I do to be saved but also will help groups understand the meaning of the good news that is the incredibly broad scope of what God has done is doing and will do in the future to reconcile all things to himself through Jesus Christ The Making of the New Testament Arthur G. Patzia, 2025-11-04 The story of the making of the New Testament is one in which scrolls bumped across cobbled Roman roads and pitched through rolling Mediterranean seas finally finding their destinations in stuffy dimly lit Christian house churches in Corinth or Colossae There they were read aloud and reread handled and copied forwarded and collected studied and treasured And eventually they were brought together to make up our New Testament This revised and expanded edition of *The Making of the New Testament* is a textbook introduction to the origin collection copying and canonizing of the New Testament documents Like shrewd detectives reading subtle whispers of evidence biblical scholars have studied the trail of clues and pieced together the story of these books Arthur Patzia tells the story answering our many questions How were books and documents produced in the first century What motivated the early Christians to commit teaching and narrative and vision to papyrus How were the stories and sayings of Jesus circulated handed down and shaped into Gospels What do we know about ancient letter writing secretaries and copy shops Why were four Gospels included instead of just one

How were Paul's letters sent here and there gathered into a single collection? Who decided and by what criteria which documents would be included in the New Testament? Explore these questions and more about these Scriptures whose everyday gritty story rings true to their extraordinary message: the palpable mystery of the Word made flesh.

The Catholic Comparative New Testament Oxford University Press, 2005. The Catholic Comparative New Testament features eight complete Catholic New Testaments translated by dedicated scholars and gathered into a single convenient volume. This edition includes both word-for-word translations of the scripture as well as thought-for-thought translations. Readers can compare verses at a glance with facing page translations: four translations per page in a clear, easy-to-read typeface. The CCNT features four word-for-word translations: Douay Rheims Revised Standard Version Catholic Bible, New Revised Standard Version Catholic Bible, and the New American Bible. These translations follow as closely as possible the New Testament's original wording, making them perfect for close readings of the text. The Jerusalem Bible, the Good News Bible, the New Jerusalem Bible, and the Christian Community Bible represent the thought-for-thought school of Bible translation. These translations emphasize the intended meaning of the original vocabulary, adapting it to English syntax and grammar, making it easier to understand for the lay reader. The Catholic Comparative New Testament offers the most unique and informed way of reading scripture with its eight different translations. Beautifully printed on the highest quality material, the CCNT is an excellent study guide for the value.

The Good News of the Apocalypse Rev. Ione L. Sedinger, Ione L. Sedinger, 2011-11. Christ knew we would never be happy without a personal viable relationship with him and his Father. He knew the only way for us to truly know him would be to learn his story. This is why Jesus' last commission to his disciples was for them to study the Word in order to teach the Word to others. Through intense study of the New Testament, *The Good News of the Apocalypse* shows you how to have a meaningful and an intimate relationship with Jesus Christ. Pastor Sedinger offers a complete overview of the books of the New Testament. She breaks down each book through guided readings and gives a thorough explanation of the book's events and message. In addition, Sedinger incorporates other biblical studies in her narrative to provide a well-rounded understanding of the New Testament. At the heart of this study is the overwhelming importance of accepting Jesus as your personal savior and developing a relationship with him. Knowing about him is not enough to build this relationship. Instead, we must study Scripture and apply it to our lives. *The Good News of the Apocalypse* will help you in this remarkable journey by complementing your Bible reading and giving you a new understanding of the Gospel.
