Masters of the Games Joseph Epstein, 2015-01-09 In this collection his twenty fifth book Joseph Epstein departs from writing about literature and culture to indulge his fondness for the world of sport in all its forms. In these essays and stories on such subjects as saving Joe DiMaggio's reputation from the clutches of an iconoclastic biographer marveling at the skills of Michael Jordan shaking free of an addiction to radio sports talk shows or contemplating the changing nature of the games he grew up with and played as a boy Epstein turns writing about sports into an art at once penetrating and highly amusing. **Globalisation, Human Rights, Sports, and Culture** Joseph Zajda, Yvonne Vissing, 2023-08-22 This book offers research findings of the different types of human rights issues that concern athletes and sports programs and the issue of how organizations are addressing safety and human rights issues. The study of sports has not typically been considered as a human rights field. In recent years it is clear that athletes have experienced a variety of human rights violations. As a result many sports programs have been confronted with criminal violations of abuse and maltreatment. Some sports organizations are developing athlete bills of rights in response. The book provides readers with an overview of the importance of human rights policies and practices in sports and a synthesis of where the field of sport human rights could be developed. The chapters explore human rights in sports from both organizational and interpersonal approaches. There are both organizational and individual factors associated with human rights. There can be rights violations by coaches, trainers, doctors or even other athletes. Violations can be physical, sexual, emotional, social or financial. Organizational policies vary from being very equitable and rights respecting to those that put athletes at risk or discriminate against them. This book is the first of its kind that links together sports and human rights in a systematic way. *Coach: The Greatest Teachers in Sports and Their Lessons for Us All* Justin Spizman, 2022-02-08 Every great sports coach is a life coach.
