## **The Newell Commentaries Revelation A Complete Commentary:**

Revelation- Everyman's Bible Commentary Charles C. Ryrie,1996-04-05 Not to mystify but to clarify According to Dr Charles C Ryrie the book of Revelation was not designed to confuse or mystify its readers but to enlighten them about future events Revelation the only major prophetic book in the New Testament was written by the apostle John while in exile on the island of Patmos John was commanded by God not to seal the book 22 10 and those who read it are promised a special blessing 1 3 Apparently therefore the book was expected to be intelligible and helpful to those who read it This refreshing concise new edition with helpful charts and graphs is written especially for those who want to understand what lies ahead in God s plan Dr Ryrie s careful attention to detail and understandable explanations will not only help to clear some of the mystery surrounding the book of Revelation but heighten your confidence that God s victory over Satan death and sin is only a matter of time Blessed is the one who reads the words of this prophecy and blessed are those who hear it and take to heart what is written in it because the time is near Revelation 1 3 NIV

### **Revelation (Everyday Bible Commentary series)**

Charles C. Ryrie,2018-06-05 Revelation is a wild book It s full of strange hybrid animals with extra wings horns and eyes It contains both descriptions of historical events and prophecies about the future And it can be difficult to know which parts are figurative and which parts are literal What we need is a guide someone who will tell us what s historical and what s prophetic and explain all the strange symbolism clearly and simply This is what the best preachers do but you don t have to wait until Sunday s sermon Encounter the beautiful depth of Revelation through an enlightening verse by verse commentary from Charles Ryrie that s both straightforward and insightful You ll gain Important historical background Insights from the original language Explanations of the prophetic symbols And more You don t have to go to seminary to encounter God in exciting new ways through His Word Discover how much more enjoyable your personal study will be with understandable quality Bible commentary for everyday life

**American Book Publishing Record** ,2000 Revelation Exegetical Commentary - 2 volume set Robert L. Thomas,2016-08-15 Get back to the roots on Revelation Through the centuries since its writing the book of Revelation has captured the fascination of the Christian church The earliest Christians were unanimous in understanding it along a premillennial view of Jesus second coming but other hermeneutical approaches began to emerge in the third century These clouded and added complexity to the task of explaining the book s meaning For most of the Christian era consequently many readers have viewed this last of the NT writings as though it were hopelessly embedded in an aura of deep mystery An avalanche of interpretive literature has evidenced remarkable interest in the book s contents but along with the interest has come widespread bewilderment Written especially for the informed layman student and scholar this commentary seeks to clear the air The book is interpreted according to a historical and grammatical hermeneutic and propounds a conservative evangelical theology but the reader will not get a narrow view on areas of disagreement This commentary interacts with a range of major views both evangelical and nonevangelical It reaffirms the basic framework of eschatology espoused by ancient Christianity but with added help from centuries of maturing thought and doctrinal progress in the Body of Christ All exegesis and exposition in this 2 volume commentary are based on the original language of the text Translations used are those of the author and textual criticism and word study are included where appropriate This in depth commentary also includes extended excursuses on important topics of theological and historical interest **Preacher's Outline and Sermon Bible-KJV-Galatians-Colossians** Leadership Ministries Worldwide,2017-05 What if you could study Galatians Ephesians Philippians and Colossians with your favorite Bible scholars from across the ages With The Preacher s Outline Sermon Bible you can This unique resource is designed to empower pastors and leaders to effectively preach and teach God s Word This is much more than a commentary it takes the best scholarly works available and combines them in a single resource Inside each volume of The Preacher s Outline Sermon Bible you ll find A verse by verse outline alongside each passage of Scripture that draws out key concepts In depth commentary synthesized from hundreds of trusted sources including Matthew Henry

Keathley, 3rd,1999      The Revelation of Jesus Christ Ray F. Robbins,2005-01-13 What New Testament book bewilders most Christians Of course the book of Revelation Many people ignore it because it seems unreal and unrelated to Christian living Others see it as a fascinating enigma and they propose a variety of schemes to answer every symbolic reference While fully aware of the various theories of interpretation Dr Robbins is primarily concerned in this book with clarifying what the writer was trying to say to his original readers He provides a practical exposition with little attention given to critical problems He feels that the basic message is timeless full of hope and promise in every age Here is fresh clear light on a book that has been shrouded by extreme and sometimes fanatic interpreters      The Epistle of Jesus to the Church James D. Quiggle,2008-01-01 The Epistle of Jesus to the Church is a commentary on the book of Revelation that assumes Jesus was the author and John the reporter of the words and events described Here one will not find an explanation of an anti Roman message written by John in hidden codes and apocalyptic motifs to fool Roman authorities John the apostle and prophet was the faithful scribe who did not create the message but faithfully and accurately described all that he saw and heard This commentary follows the principle that the Scriptures explain themselves because the Revelation is a word from Jesus to his church a word that is grounded in the Scriptures The Epistle of Jesus to the Church has been written with teachers students and pastors in mind The interpretation of the book of Revelation is thorough difficult passages are addressed and plausible answers are provided to the questions posed by in depth study of the biblical book This is a commentary for personal study or classroom instruction one that may be confidently used to preach and teach the Revelation of Jesus to the church      **How to Study the Word** Terry Lawson,1994

Newell,2013-01-27 William Newell was one of the greatest Bible teachers of his day A friend and colleague of D L Moody and R A Torrey he taught thousands of people as a Bible teacher in Moody s Bible college His book Romans Verse by Verse is hands down one of the best Bible commentaries on the book of Romans ever written if not the best Newell is true to the Pauline dispensational view of the scriptures and is clear about the error of Reformation theologians who try to make a good show for the doctrine of justification but miss the mark on sanctification by trying to keep the Law as the rule of life for the Christian Newell is also the author of some great hymns like At Calvary and Only Sinner Saved by Grace This book has stood the test of time for a reason William Newell had an incredible grasp of Scripture which he was able to share clearly on the printed page      **Preacher's Outline & Sermon Bible-KJV-Matthew 1** Leadership Ministries
