

A fantastical illustration of a castle on a misty island. The castle is built on a small, rocky island surrounded by water. The architecture is a mix of stone and white, with a prominent tower and a bridge leading to it. Two large, light-colored owls are flying in the sky above the castle. In the foreground, a large, detailed owl is looking directly at the viewer. The overall atmosphere is mysterious and magical.

The News I Making Myths:

The Myth of Post-Racialism in Television News Libby Lewis, 2015-08-27 This book explores the written and unwritten requirements Black journalists face in their efforts to get and keep jobs in television news Informed by interviews with journalists themselves Lewis examines how raced Black journalists and their journalism organizations process their circumstances and choose to respond to the corporate and institutional constraints they face She uncovers the social construction and attempted control of Blackness in news production and its subversion by Black journalists negotiating issues of objectivity authority voice and appearance along sites of multiple differences of race gender and sexuality Race, Myth and the News Christopher P. Campbell, 1995-02-28 Campbell s book makes for good reasoning One ends the book a better informed person **News Aesthetics and Myth** Shashidhar Nanjundaiah, 2024-07-17 This book considers the presence of media illiteracy in a world in which we are supposedly consumed by media live a media life in a media ecosystem surrounded by mediated communication Unpacking this paradoxical situation the author proposes that before venturing into media literacy we must first understand the workings of how mystification occurs Departing from the idea that aesthetics work on an agreed set of principles between art and society the author applies this ideology of aesthetics to news based narration Using empirical cases from India the author proposes demystification as a possible methodology to approach media illiteracy and recommends completely transformed media literacy programs that deliver to communities drawing from the construct of critical pedagogy The book offers the possibilities for a collectivistic non Western postcolonialist model of learning by using the very collective and hierarchical identities of societies that must be critiqued This vital and innovative book will be an important resource for scholars and students in the areas of media literacy and critical media literacy media education journalism mass communication aesthetics and media technology *Race and News* Christopher P. Campbell, Kim M. LeDuff, Cheryl D. Jenkins, Rockell A. Brown, 2013-07-03 The history of American journalism is marked by disturbing representations of people and communities of color from the disgraceful stereotypes of pre civil rights America to the more subtle myths that are reflected in routine coverage by journalists all over the country *Race and News Critical Perspectives* aims to examine these journalistic representations of race and in doing so to question whether or not we are living in a post racial world By looking at national coverage of stories like the Don Imus controversy Hurricane Katrina Barak Obama s presidential candidacy and even the Virginia Tech shootings readers are given an opportunity to gain insight into both subtle and overt forms of racism in the newsroom and in national dialogue The book itself is divided into two sections with the first examining the journalistic routine and the decisions that go into covering a story with or without relation to race The second section comprised of case studies explores the coverage of national stories and how they have impacted the dialogue on race and racism in the United States As a whole the collection of essays and studies also reflects a variety of research approaches With a goal of contributing to the discussion about race and its place in American journalism this broad examination makes

Race and News an ideal text for courses on cultural diversity and the media as well as making it valuable to professional journalists and journalism students who seek to improve their approach to coverage of diverse communities

The Making of Arab News Noha Mellor, 2005-01-28 Since September 11 Arab and American journalists have been trading barbs accusing each other of bias and a lack of objectivity But is news coverage in Arab countries all that different from American coverage The Making of Arab News draws comparisons including examples of Arabic news language and their English translations to show how Arab news values have been Americanized and how these values are reflected in the language used in the Arab news Noha Mellor further discusses claims that the current development in the Arab news media could be the first step toward democratization

Myth-Making and Religious Extremism and Their Roots in Crises Arthur G. Neal, Helen Youngelson-Neal, 2015-10-12 According to sociologist C Wright Mills we do not live in a world of solid fact but in a world permeated by culture constructed by humans through communication with each other Myth making shapes our lives beliefs and behavior Collective myths become plausible explanations for events past and future as each new generation constructs reality anew to make sense of the human condition Providing a sociological and multicultural analysis this book examines myth making in the today s world amid religious extremism and terrorism The authors discuss the imperative of myth in comprehending illness sexuality death and human relationships to the environment and other animals

The Mission Myth Deirdre Maloney, 2012 *CREATION, Myths Old and New* Colin Jamieson, 2014-10-28 Sir Karl Popper the great philosopher said The real mystery in life is that the universe itself seems to be creative This book is an introduction to creativity with an essay on the connection between faith and fiction It contains a few of the author s favorite ancient cultural myths some folktales of recent times and some original stories These are ideal for reading to children This book includes stories for families from our ancestors great and unknown some are contemporary individualistic doodles in the sands of time that readers may simply enjoy All of us should be telling the stories of our imaginations for the sake of our children and future generations not only for their pleasure but wherein they might find a way forward through the mysteries and changes in life The book has commentaries on the myths and finishes with an explanation of the purpose of myths that concludes with a challenge for modern myth making

The Mosby Myth Paul Ashdown, Edward Caudill, 2002 Confederate Colonel John Singleton Mosby 1833-1916 was only one of a number of heroes to emerge during the Civil War yet he holds a singular place in the American imagination He is the irrepressible rebel with a cause the horseman who emerges from the forest to protect the embattled farmer and his household and bring retribution to the invader Mosby was the fabled Gray Ghost of the Confederacy a mythic cavalry officer who operated with virtual impunity behind Union lines near Washington D C The Mosby Myth is the first book devoted to explaining Mosby s place in American culture myth and legend The book provides not just a biography of John Mosby s life but a study of his legacy Well written and informative this book is sure to provoke new thought about the effect of the memory of Mosby and the memory of the Civil War on American society and culture

PRODUCT

DESCRIPTION Arab News and Conflict Samia Bazzi, 2009-10-22 The Arab Israeli struggle is not only a struggle over land but a struggle over language representations Arab reporters as well as politicians believe that their political discourses about the Middle East conflict are objective accurate and credible Arab News and Conflict critically examines the role of language in the representations of events and ideologies found in news media Drawing on socio political linguistic approaches combined with real case studies the author offers a unique discourse analysis model for analysing politically sensitive language in the media The focus in this study is on the Arab media discourse in times of conflict with Israel and the US spanning the years 2001 to 2009 Using rich examples from outspoken Arab media outlets the study explores ideological and language facts about the Arab Israeli conflict This book is compelling reading for students and researchers of media and cultural studies discourse analysis and sociolinguistics and translation It is of equal interest to political analysts political speakers journalists and news editors who need to understand more about the ideological function of the language they use or the political journalistic linguistic nexus of power *The U.S. Military in the Print News Media* Dr. Luke Peterson, 2024-04-02 This book provides an innovative and critical view into the linkages between discourse and politics and between culture and policies within the United States looking at various critical moments in the history of the development of the American Empire Ultimately this book provides insight into the complex interrelationships between policy the military discourse and culture focusing upon the power centres of discourse creation while connecting previously disjointed lines of historical and media research considering the U S military and its undisputed global impact throughout the twentieth and twenty first century The Myth of Media Globalization Kai Hafez, 2013-07-08 The ongoing interconnection of the world through modern mass media is generally considered to be one of the major developments underpinning globalization This important book considers anew the globalization phenomenon in the media sphere Rather than heralding globalization or warning of its dangers as in many other books Kai Hafez analyses the degree to which media globalization is really taking place Do we have enough evidence to show that there is a linear and accelerated move towards transnationalization in the media All too often the empirical data presented seems rather more anecdotal than representative Many transborder media phenomena are overestimated and taken out of the context of locally and nationally oriented mainstream media processes all over the world The inherent danger is that a central paradigm of the social sciences rather than bearing scholarly substance will turn out to be a myth and even a sometimes dangerously ideological tool Based on a theoretical debate of media globalization the work discusses most major fields of media development including foreign reporting satellite TV film internet foreign broadcasting media and migration media policy and media economy As an important new contribution to timely debates *The Myth of Media Globalization* will be essential and provocative reading for students and scholars alike **The Certainty Myth** Dr Toni Lindsay, 2022 *The Certainty Myth* is a self help manual for people who are struggling with the uncertainty that arrives in their life When things are uncertain it s easy to feel anxious stressed overwhelmed or angry And

today it often feels like things are more uncertain than ever before In fact chaos and uncertainty seem to surround us But we don't have to be the victims of our circumstances For anyone who is struggling with making sense of a world that keeps changing around them The Certainty Myth will help you rise above the chaos and find emotional stability and happiness With tools such as ACT Acceptance and Commitment Therapy and real world examples you'll learn how letting go of certainty can be the key to happiness in today's world Drawing from the author's experience as a Clinical Psychologist helping people cope with the psychological impact of severe illness you'll discover proven and simple strategies that are designed to be useful even when your anxiety rises and the simplest tasks can seem complex and overwhelming You'll learn how to avoid burnout how an awareness of mortality can help you put things in perspective how to defuse the emotional power that external circumstances hold over your life and so much more Free from jargon yet thoroughly researched and back by science and experience discover the keys to rising above certainty in your life Uncertainty may be inevitable but suffering from it does not have to be

Bonnie Prince Charlie and the Making of a Myth Robin Nicholson, 2002 This study traces how the enduring visual image of Prince Charles Edward Stuart was created beginning with his birth in 1720 and ending with the exhibition of John Pettie's Prince Charles Edward Stuart Entering the Ballroom at Holyrood probably still the most enduring and popular image of the Stuart prince at the Royal Academy in 1892 **BOOK JACKET**

Covering Bin Laden Susan Jeffords, Fahed Al-Sumait, 2015-01-30 Starting in 2001 much of the world media used the image of Osama bin Laden as a shorthand for terrorism Bin Laden himself considered media manipulation on a par with military political and ideological tools and intentionally used interviews taped speeches and distributed statements to further al Qaida's ends In Covering Bin Laden editors Susan Jeffords and Fahed Yahya Al Sumait collect perspectives from global scholars exploring a startling premise that media depictions of Bin Laden not only diverge but often contradict each other depending on the media provider and format the place in which the depiction is presented and the viewer's political and cultural background The contributors analyze the representations of the many Bin Ladens ranging from Al Jazeera broadcasts to video games They examine the media's dominant role in shaping our understanding of terrorists and why how they should be feared and they engage with the ways the mosaic of Bin Laden images and narratives have influenced policies and actions around the world Contributors include Fahed Al Sumait Saranaz Barforoush Aditi Bhatia Purnima Bose Ryan Croken Simon Ferrari Andrew Hill Richard Jackson Susan Jeffords Joanna Margueritte Giecewicz Noha Mellor Susan Moeller Brigitte Nacos Courtney C Radsch and Alexander Spencer *Critical Incidents in Journalism* Edson Tandoc Jr., Joy Jenkins, Ryan Thomas, Oscar Westlund, 2020-12-08 This edited collection examines critical incidents journalists have faced across different media contexts exploring how journalists and other key actors negotiate various aspects of their work Ranging from the Rwandan genocide to the News of the World hacking scandal in the UK this book defines a critical incident as an event that has led journalists to reconsider their routines roles and rules Combining theoretical and practical analysis the contributors offer a discussion of

the key events that journalists cover such as political turmoil or natural disasters as well as events that directly involve and affect journalists Featuring case studies from countries including Australia Germany Brazil Kenya and the Philippines the book explores the discourses that critical events have generated how journalists and other stakeholders have responded to them and how they have reshaped or are reshaping journalistic norms and practices The book also proposes a roadmap for studying such pivotal moments in journalism This one of a kind collection is a valuable resource for students and scholars across journalism studies disciplines from journalism history to sociology of news to digital journalism and political communication

Food News for Consumers ,1991 *The Dallas Myth* Harvey J. Graff,2008 This work that proposes a novel interpretation of a city that has proudly declared its freedom from the past looks at elements that have shaped Dallas and served to limit democratic participation and exacerbate inequality Media, Myth, and Millennials Christopher Campbell,Loren Saxton Coleman,2019-09-13 *Media Myth and Millennials Critical Perspectives on Race and Culture* debunks the post racial myth among millennial media consumers and producers This theoretically diverse collection of contributors highlights the complexity at the intersections of media race gender sexuality class and place Loren Saxton Coleman and Christopher Campbell s edited collection offers critical and cultural insight on the commodification of millennial audiences and the acts of resistance that emerge from millennial media producers and consumers Scholars of sociology media studies race studies gender studies and cultural studies will find this book especially useful **Trump and Putin in Media**

Mythologies Olena Leipnik,2025-07-02 *Trump and Putin in Media Mythologies* provides an account of the media portrayal of two presidents Donald Trump of the United States and Vladimir Putin of the Russian Federation as mythologized figures The book delineates the mythologizing strategies media employ to build these two leaders narratives and the logic of mythologization of the overall political process It addresses the construction of the two presidential imageries and the political and cultural needs fulfilled by the archetypes they embody The volume provides a comparative analysis of two culture specific narrating strategies that resonate with the two American and Russian electorates This interdisciplinary account combines the areas of media studies myth studies political anthropology and cultural studies It will also be an essential read for scholars and graduate students interested in political communication public relations and cognitive marketing
