Dozie, 2012-12-19 Nigeria has experienced significant economic progress since publication in 1999 of the first edition of *Perspectives on Nigerian Economic Development* Two main drivers of this progress have been the beneficial return to democratic rule and the implementation of key economic reforms particularly in pursuing external debt relief implementing excess crude account to stabilize revenue volatility introducing contributory pension schemes and taking steps to privatize key sectors such as telecommunications This volume is focused on issues relating to good political and corporate governance and national development budget and fiscal policy the Nigerian financial and capital markets and banking Part one deals with the issues of globalisation and how Nigeria can play in the emergent environment Part two Managing the Nigerian Economy Part three Strengthening the Nigerian Banking Sector and Part Four Entrepreneurship and Corporate Governance proffers ways and means of handling these intertwined aspects of national challenges The final part Key Sector Issues deals with three vital areas Education Transportation and Oil and Gas **The Nigerian Capital Market in the African and Global Financial System** Bob. Es Osaze, 2000 The Development of African Capital Markets Boniface Chimpango, 2017-01-12 Most capital markets that have been established in developing economies like Africa have struggled to make progress over two decades down the line Development of African Capital Markets explores why these markets have remained underdeveloped and discusses a possible development theory that can be used in designing and implementing legal and institutional reforms to reinvigorate capital markets in African and other developing countries Boniface Chimpango analyses the weaknesses of capital markets in developing countries and argues that legal and institutional framework for capital markets in developing countries should be tailored to the unique informal rules prevalent in each country rather than

being transplanted from developed countries This book will be of interest to scholars students and policy makers in the fields of economic development African Studies law development and regulatory policy *Oil Market Developments and Issues* International Monetary Fund. Policy Development and Review Dept., International Monetary Fund. Strategy, Policy, & Review Department, 2005-01-03 The discussion in this paper of the causes and consequences of recent oil price increases and the appropriate policy response is framed by the volatility and uncertainty that characterize the oil market Volatile prices arise from supply and demand that are both highly inelastic in the short run with the result that even small shocks can have large effects on price The difficulty of predicting long run supply and demand creates uncertainty about future prices Further even current supply and demand data are lacking which results in additional uncertainty These features of uncertainty and volatility of prices make it difficult to reach simple conclusions about how oil producers and consumers should respond to price changes *The Foundations of Nigeria's Financial Infrastructure* J. K. Onoh, 2021-11-30 First Published in 1980 The Foundations of Nigeria's Financial Infrastructure presents a comprehensive overview of different aspects of Nigeria's financial developments Divided in five parts this book brings twenty one chapters dealing with themes like Nigeria's traditional financial system fundamental problems of banking in Nigeria the banking system and the financial market aspects of public and private sectors finance revenue allocation in Nigeria Nigerian currency system Nigeria's balance of payments and external liquidities development in Nigeria's external assets and Nigeria and the International Monetary Fund to showcase the catalytic role of the financial system in economic development This volume will be useful for scholars and researchers of public finance finance economics political economy development economics and development studies *The Nigerian Academic Forum*, 2008 *Investing in Nigerian Capital Market* Mohammed Garuba, 2005 *The Capital Market and Nigeria's Economic Development*, 1998 *Economic Policy and Development in Nigeria, 1987* Adedotun O.
