## **The Nigger Question The Negro Question Crofts Classics:**

*The Problem of Freedom* Thomas C. Holt, 1992 The Jamaican slave revolt of 1831-32 precipitated the abolition of slavery throughout the British colonial empire A century later the labor rebellion of 1938 marked the beginning of that empire's end Each event embraced a particular form of emancipation at issue in the first revolt was the freedom of the individual slave at issue in the second was the freedom of the society itself The century that separated these watersheds in British colonial history was one of extraordinary transformations in British ideology in economic and social policy and in the lives of Jamaican freed people and their descendants In *The Problem of Freedom* Thomas C Holt offers an intriguing analysis of this period exploring the meaning and reality of freedom in the context of slave emancipation in Jamaica the largest West Indian colony of the nineteenth century's major world power

**Dickens and the Dialectic of Growth** Badri Raina, 1986 In his works from *Oliver Twist* to *Our Mutual Friend* Charles Dickens reveals a continuum of artistic as well as social development over a period of four decades In this highly original study Badri Raina relates Dickens novels thoroughly to one another illuminating the works by seeing them in terms of the author's changing social outlook personal attitudes and aesthetic practice Raina's book will fascinate readers of Dickens and will serve social historians as well The unifying point of Raina's study is Dickens' ambivalence toward respectable Victorian bourgeois society he criticized the bourgeois myths of unbridled success and achievement through aggressive individualism yet wished to be a great success himself Raina argues that Dickens projected this personal ambivalence through the creation of key characters and combinations of characters in his novels creating also a continual movement toward self-awareness and self-criticism This personal movement argues Raina found expression in a steady improvement in the quality of Dickens' art Two of the most interesting issues in Dickens studies that of his development as a novelist and that of his mass appeal in combination with towering aesthetic achievement are both addressed thoroughly in this lucid and highly readable book By following common threads of plot and character through the novels Raina demonstrates how Dickens matured both socially and artistically until in his last finished novel *Our Mutual Friend* social values that were earlier espoused for instance in *Oliver Twist* were wholly and willingly rejected Raina's critical procedure illuminates not just the career of a Victorian novelist but one who embraces traverses and evaluates the social climate of a critical period of the nineteenth century

**The Racial Contract** Charles W. Mills, 2014-05-29 The *Racial Contract* puts classic Western social contract theory deadpan to extraordinary radical use With a sweeping look at the European expansionism and racism of the last five hundred years Charles W Mills demonstrates how this peculiar and unacknowledged contract has shaped a system of global European domination how it brings into existence whites and non-whites full persons and sub-persons how it influences white moral theory and moral psychology and how this system is imposed on non-whites through ideological conditioning and violence The *Racial Contract* argues that the society we live in is a continuing white supremacist state Holding up a mirror to mainstream philosophy this provocative book explains the

evolving outline of the racial contract from the time of the New World conquest and subsequent colonialism to the written slavery contract to the separate but equal system of segregation in the twentieth century United States According to Mills the contract has provided the theoretical architecture justifying an entire history of European atrocity against non whites from David Hume s and Immanuel Kant s claims that blacks had inferior cognitive power to the Holocaust to the kind of imperialism in Asia that was demonstrated by the Vietnam War Mills suggests that the ghettoization of philosophical work on race is no accident This work challenges the assumption that mainstream theory is itself raceless Just as feminist theory has revealed orthodox political philosophy s invisible white male bias Mills s explication of the racial contract exposes its racial underpinnings

**Allergy Matters** Luud J.E.J. Gilissen, Harry J. Wichers, Huub F.J. Savelkoul, Robert J. Bogers, 2006-01-30 In Western societies the incidence and prevalence of respiratory and food related allergies have increased rapidly over the past decades Changes in life style are thought to be involved in this increase namely hygiene child vaccination housing insulation and food consumption patterns This book reflects the current ideas for future possibilities of allergy prevention using integrated and multidisciplinary strategies and covering the entire knowledge framework from comprehensive fundamental research to implementation into society

**Reflections on the Classical Canon in Economics** Evelyn L. Forget, Sandra Peart, 2000-09-28 In this discipline defining volume some of the leading international scholars in the history of economic thought re examine the concepts of classical economics and the canon illuminating the roots and evolution of the contemporary discipline

**Societies After Slavery** Rebecca J. Scott, Thomas C. Holt, Frederick Cooper, Aims McGuinness, 2002-08-18 One of the massive transformations that took place in the nineteenth and early twentieth centuries was the movement of millions of people from the status of slaves to that of legally free men women and children Societies after Slavery provides thousands of entries and rich scholarly annotations making it the definitive resource for scholars and students engaged in research on postemancipation societies in the Americas and Africa

*The Caribbean Race Reader* Victoria J. Collis-Buthelezi, Aaron Kamugisha, 2024-09-11 This book is the first critical anthology in English on the history and legacy of race in the Caribbean It brings together the major debates lines of inquiry and theories around race and racism that have emerged out of the Caribbean from the beginning of European colonization at the end of the fifteenth century to the period of decolonization in the aftermath of World War II This critical anthology stakes out the unique contribution made by the region to the global history of race The Caribbean Race Reader provides students and scholars of the region with vital access to some of the most important contributions on race and Caribbean society many of which are difficult to access and assembles them together as part of a series of key debates At a time when the searing realities of race and antiblack racism stand out as global existential crises this volume both documents the Caribbean s important contribution to global histories of race and provides an excellent overview of the quest by the region s radical intelligentsia to undo racism s contemporary legacies

**A Political Companion to W. E. B. Du Bois** Nick Bromell, 2018-03-16 Literary scholars and historians have

long considered W E B Du Bois 1868 1963 an extremely influential writer and a powerful cultural critic The author of more than one hundred books hundreds of published articles and founding editor of the NAACP journal *The Crisis* Du Bois has been widely studied for his profound insights on the politics of race and class in America An activist as well as a scholar Du Bois proclaimed I stand in utter shamelessness and say that whatever art I have for writing has been used always for propaganda for gaining the right of black folk to love and enjoy In *A Political Companion to W E B Du Bois* Nick Bromell assembles essays from both new and established scholars from a variety of disciplines to explore Du Bois s contributions to American political thought The contributors establish a conceptual context within which to read the author revealing how richly and variously he engaged with the aesthetic and theological modalities of political thinking and action This volume further reveals how Du Bois s work challenges and revises contemporary political theory providing commentary on the author s strengths and limitations as a theorist for the twenty first century In doing so it helps readers gain an understanding of how Du Bois s work and life continue to stimulate lively and constructive debate about the theory and practice of democracy in America

*Selections from the Essays* Michel de Montaigne, 1973 Provides answers to the most common problems encountered by students in the writing of history research papers This guide employs a practical approach beginning with the first task selecting a topic and takes the student through how to prepare a bibliography without becoming bogged down in the nature and philosophy of history

*Selections from the Essays* Thomas Henry Huxley, 1948 The author was one of the intellectual giants of Victorian England A surgeon by training he became the principal exponent of Darwinism and popularizer of scientific naturalism Huxley was a prolific essayist and his writings put him at the center of intellectual debate in England during the later half of the nineteenth century

*THE NIGGER QUESTION* THOMAS CARLYLE, 1971

Order and Place in a Colonial City Juanita De Barros, 2003-02-19 The elites saw the city s markets and streets as dirty filled with dangerous non white crowds The poor saw these public places as sites of play and livelihood De Barros shows how these opposing views set the stage for a series of petty disputes and large scale riots The little traditions of Georgetown s multi racial and multi ethnic urban poor helped create a creole view of public spaces articulated in the course of struggle By uncovering the popular cultural patterns that underlay much of this unrest De Barros demonstrates both their place within a larger West Indian cultural paradigm and the emergence of a peculiarly Guianese ritual of protest

**A Vision for London, 1889-1914** Susan D. Pennybacker, 2005-11-08 The London County Council was a the world s largest municipal government and a laboratory for social experimentation before the Great War It sought to master the problems of metropolitan amelioration political economy and public culture Pennybacker s social history tests the vision of London Progressivism against its practitioners accomplishments She argues that the historical memory of the hopes inspired by LCC achievement and the disillusion spawned by failure are potent forces in today s deeply ambivalent responses to metropolitan politics in London The new women bohemian London scandal in the building industry midwifery lodging houses children s provision and

the music hall were all provocative issues in LCC work Their story richly evokes life in the turn of the century metropolis and illustrates the complexities of municipal socialism **Carlyle Studies Annual** ,2009 *Liberalism in Empire* Andrew Stephen Sartori,2014-07-03 While the need for a history of liberalism that goes beyond its conventional European limits is well recognized the agrarian backwaters of the British Empire might seem an unlikely place to start Yet specifically liberal preoccupations with property and freedom evolved as central to agrarian policy and politics in colonial Bengal Liberalism in Empire explores the generative crisis in understanding property s role in the constitution of a liberal polity which intersected in Bengal with a new politics of peasant independence based on practices of commodity exchange Thus the conditions for a new kind of vernacular liberalism were created Andrew Sartori s examination shows the workings of a section of liberal policy makers and agrarian leaders who insisted that norms governing agrarian social relations be premised on the property constituting powers of labor which opened a new conceptual space for appeals to both political economy and the normative significance of property It is conventional to see liberalism as traveling through the space of empire with the extension of colonial institutions and intellectual networks Sartori s focus on the Lockeanism of agrarian discourses of property however allows readers to grasp how liberalism could serve as a normative framework for both a triumphant colonial capitalism and a critique of capitalism from the standpoint of peasant property **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1973 *Charles Dickens* Badri N. Raina,1976 *Mid-Victorian Imperialists* Edward Beasley,2004-08-02 This is an empirical study of just where in Victorian culture the ideology of imperialism left clear traces of itself The well written investigations bring to life how certain men thought about the British Empire between the 1830s and 1868 *El-Hi Textbooks in Print* ,1984 How the Dismal Science Got Its Name David M. Levy,2001 A shocking account of how economics became known as the dismal science
