The Night Branders:

The Night Branders, 2003 **And The Night Branders** Evans Tabor, **Longarm and the Night Branders** Tabor Evans, 1993 Longarm follows the trail of some scheming bandits straight to the spread of an ambitious U S senator whose morals are as loose as a drunk is with his money To Longarm s way of thinking politics and shady dealings just don t mix and he s not above using his pistol s influence to persuade the sinister senator to clean up his act Discreet Gentleman Book One: Discreet Gentleman of Discovery Kris Tualla, 2012-03-15 *Supreme Court* , *Stirrup High* Walt Coburn, 1997-05-01 Walt Coburn s father pioneered in Montana Territory joined the Vigilantes who chased road agents and eventually built up one of the biggest cow outfits in the young state The Circle C Ranch spread over thirty thousand acres in northern Montana near the town of Malta Walt is rather small for age fourteen only stirrup high to his pony Snowflake when he works on the Circle C and learns a lot from the tough cowboys and from his own scrapes and falls His summer vacation from school increases in excitement when Kid Curry and other members of the Wild Bunch loom on the horizon Stirrup High conveys all the know how and atmosphere of roughing it on a ranch in 1903 *The Smart Set* , 1921 *The Great Bonanza* Oliver Optic, Robert Michael Ballantyne, C. E. Bishop, Frank H. Taylor, 1875 *Waziristan To Tibet* Cyril Lucas, 2012-08-06 Colonel Brander s service in and eventual command of the 32nd Sikh Pioneers put him in personal contact with the problems of India s frontiers a century ago and reveal how little has changed other than the scale of weaponry and cost of conflict in a savage landscape and barbarous region America s ten year War in Afghanistan has seemed interminable to her people To her Taliban opponents it has been a short phase in their Holy Jihad which has continued for hundreds of years since the birth of the Wahhabi cult and for Waziri tribesmen violence has seemed the natural state of society ever since the invasion of Alexander the Great Waziristan to Tibet tells the story of Colonel Brander s experiences in the 32nd Sikh Pioneers using his history of the Regiment his personal recollections of its campaigns 1882 1910 and other contemporary sources Its background covers the relationship of Britain and Afghanistan from a troubled beginning with accounts of the disasters and successes of the 1st and 2nd Afghan Wars the perennial political problems along India s tribal frontiers the role of the Wahhabi sect which developed into the Taliban as it is today the Great Game of political strategy played out between Britain and Russia and the British Invasion of Tibet 1903 04 which was motivated by fears of the Tsar s conquests in central Asia and his expansionist intentions towards the jewel of the British Empire only to be marred by political indecision and incompetent military leadership The feats of personal endurance demanded by service in the Indian Army of Colonel Brander s day may seem to surpass fiction but they are recorded by history as fact His colorful personal story portrays vanished days of the Raj at its apogee as well as the unchanging dynamics underlying today s conflict in Afghanistan and the dire consequences of Tibet s attempt to preserve its treasured mediaeval isolation in a changing world Renegade Justine Davis, 2019-05-24 A traitor may be their only hope The Coalition s most decorated battle commander Caze Paladen is running out of time

personally and professionally A shard of shrapnel embedded close to his spine threatens his life and the resistance of Ziem's people to Coalition rule threatens his career Either way Paladen is on borrowed time unless he can find a way to win this war The legendary Spirit of the Mountain widow Iolana Davorin long believed dead has the power of healing along with the blessing and curse of far seeing vision Following her path has saved Ziem so far but cost her nearly everything including the love of her children Now when she's almost reclaimed her life she must risk it all again and find a way to turn an honorable man into a traitor Caze Paladen holds her world and the lives of her children in his hands Yet she sees something in him that gives her hope for both her home and her heart If she can find the long buried spark of humanity in him and flame it to life again If she can stop the rebels from killing him
