*Supernatural Transformation* Guillermo Maldonado,2014-06-03 The central organ of the human body is the heart It circulates the blood throughout the whole bodily system pumping oxygen and nutrients to the other organs and pulling toxins away from them Yet we human beings have another heart a spiritual one that is the true center of our existence Our spiritual heart is our identity It is the foundation of our whole being from which our desires designs purposes will thoughts and attitudes originate Yet as a result of the fall and our sinful nature we all have symptoms of heart disease and we need to know how to become spiritually heart healthy As the Scriptures say The heart is deceitful above all

things and desperately wicked who can know it Jeremiah 17 9 Every spiritual mental and emotional matter and many physical ones is rooted in the heart The state of our spiritual heart affects all aspects of our daily living Therefore the condition of our heart will be the condition of our life Join Apostle Maldonado on a journey of discovery into the purpose motivations and potential of our spiritual heart God wants us to understand how in Christ our heart is designed to pump life to our entire being producing mental emotional and physical health and removing the toxins of sin We were created to reflect the heart of our heavenly Father And God is ready even now to change our heart to be like His through a supernatural transformation

Dixon, 2012-10-31 I prayed I would live so I could tell my story about the unseen divine hand that pushed and pulled me through lifetesting yet encouraging me to keep on keeping on Frieda Dixon only wanted to accomplish her goals and enjoy unconditional love but she seemed to be thwarted at every turn A family secret and tough economic times cast a cloud of uncertainty over her otherwise idyllic small town upbringing She moved from upstate New York to Georgia to seek new opportunities but she found it hard to adapt to southern culture Happiness seemed a sure thing when she got married until she found herself caught between pleasing her husband and caring for her aging parents all while raising two sons with chronically poor health In her late thirties she was diagnosed with an incurable liver disease Not many years after that she lost first her father then her husband and finally her mother In the face of all this grief and tribulation her faith in the sovereignty of God was severely tested Against all odds however she reclaims her close relationship with the Lord and finds love again What's more the gift of a donor liver gave her a second chance to reclaim the years lost to disease death and despair Whether you are struggling with health problems of your own or of a loved one or just seeking to overcome obstacles Frieda's memoir offers inspiration and encouragement The clock is always ticking but Frieda discovers that the power of faith and hard work can work miracles in Born Three Times Born Three Times won the Directors Choice Award at the Blue Ridge Mountains Christian Writers Conference on May 22 2013
