The True Prophecies: Prognostications of Michael Nostradamus Michael Nostradamus, It is not unusual for Calumny to follow the best Wits and those whom God hath endowed with so extraordinary Talent upon weak and slight grounds It is not also unusual for Men to side easier with calumny against innocent persons then with those truths that justifie them therefore no body ought to wonder if Michael Nostradamus hath been so much cried down and defamed by several Authors being in the number of those extraordinary persons whom God had priviledged with that grace so much desired by curious Men viz the knowledge of future events Besides that there was four things in him which might have been the grounds of this diffamation The first was

the vulgar life which he led in the Roman Catholick Religion which seemed to bear no proportion with such an extraordinary favour of God The second was his application to judicial Astrology which is condemned by many learned Men and detested by those that pretend to ignorant devotion The third was a suspicion brought by his enemies and many devout persons in his time that he was a Negromancer and had familiarity with the Angel of darkness The fourth was the obscurity of his Stanza s which was made worse by the enormous faults of those that first Copied them and by the carelessness of the Printers In consequence of the first Objection calumny hath endeavoured to place him among the false Prophets because scarce any body can persuade himself that there being among the Faithful so many Illustrious persons in Holiness and Learning the Holy Ghost would have made choice of a common person and to reveal him so many rare secrets concerning the future Estate of his Church and of those Kingdoms that acknowledge her for their Mother seeing that the Holy Scriptures shew us that the knowledge of future things chiefly if it be extraordinary in its extent is a special Privilege wherewith God honoureth his most faithful Servants And to say truth when the Holy Fathers and the Interpreters of the Scripture speak of the Prerogatives of the Apostle St John they make the chiefest to be that by which being full of Prophetical Spirit he foretold the future Estate of the Church and in the Old Testament so many Prophets were so many Miracles and Prodigies of Holiness and the only name of Prophet in the Scripture is the most glorious Title that is given to those that were Gods most faithful Servants If we find in the Scripture that Balaam hath Prophesied notwithstanding his perfidiousness and that the High Priest Caiaphas notwithstanding his wicked design of murdering Christ hath also Prophesied it was only for a few things and in such cases where God would singularly shew forth his Glory by those that would have smothered it How can we then believe the same of Nostradamus who had not so much as an extraordinary atom of Christian piety by which he might have been so much priviledg d of God as to know by his Divine Light the future Estate of the Church her Persecutions and her Victories from the year 1555 to the end of the World Can it be possible that a Physician an Astrologer and one of the common sort of people should have been chosen of God among so many thousands his betters to impart unto him those Graces which have been the reward of the purity and holiness of his Apostles and of the faithfulness of St John the Evangelist This seemeth altogether improbable to Christian piety
