

The Oder-Neisse Line and Germany's postwar territorial losses

- Territory lost to Poland 1945
- Territory lost to Soviet Union 1945
- Postwar Germany

Pre-1945 German Administrative Units

1. Border Mark
2. Brandenburg
3. East Prussia
4. Lower Silesia
5. Mecklenburg
6. Pomerania
7. Prussian Saxony
8. Saxony
9. Upper Silesia
10. West Prussia

1. The Border Mark included those parts of the former Prussian districts of Posen and West Prussia which were not lost to Poland in 1918, apart from the area of West Prussia around Elbing.
2. All the areas of Germany on this map apart from Saxony were part of the former State of Prussia.
3. Danzig was a Free City administered by the League of Nations 1919-39
4. Stettin and the surrounding area were annexed by Poland despite being west of the Oder-Neisse Line.
5. This map uses the English forms of the German names of the cities and regions annexed by Poland in 1945. This does not imply any position on the "correct" form of these names.

The Oder Neisse Line

Gregor Thum

The Oder Neisse Line:

The Oder-Neisse Line Debra J. Allen, 2003-07-30 When the United States and its World War II allies met at the Potsdam Conference to provisionally establish the Oder Neisse line as Poland's western border and to acknowledge the removal of Germans from the area they created a controversial Cold War issue that would not be resolved until 1990 American policy makers throughout those decades studied and analyzed materials and reports to determine whether the border should be adjusted or recognized to promote the well being of Europe and the United States This is the first study to cover the full history of the Oder Neisse line and its impact on U S relations with Poland and the Federal Republic of Germany as well as its domestic implications throughout the Cold War years As with many diplomatic questions the State Department did not have the luxury of addressing this issue in a vacuum Instead the foreign policy bureaucracy had to keep its focus on the border issue while scrutinizing Soviet words and actions regarding its satellites in East Germany and Poland and to address members of Congress and the public including various groups of Polish Americans who wanted specific but often differing actions taken in respect to the border This work reveals how the diplomats and policy makers handled such internal conflict the sometimes skewed perceptions of America held by Europeans and how the State Department interacted with the public

The Genesis of the Oder-Neisse Line in the Diplomatic Negotiations During World War II Gotthold Rhode, Wolfgang Wagner, 1959 *The Oder-Neisse Line* Phillip A. Bühler, 1990 **The Genesis of the Oder-Neisse Line** Wolfgang Wagner, 1957 **Germany's Eastern Frontiers** Zoltan Michael Szaz, 1960 **Ethnicity and Democratisation in the New Europe** Karl Cordell, 1999 A broad ranging study that explores the complex relationship between ethnicity and democratization focusing on specific case studies including France Spain Slovakia the Czech Republic Russia Albania and Hungary Marrying the empirical and theoretical the book begins by conceptualizing the nature of ethnicity and relating these ideas to different theories of democracy and democratization The contributors locate ethnic experiences within a series of common frameworks to shed light on key issues such as the effect of democratization and authoritarian rule on ethnic tensions the extent to which ethnicity is constructed as an ideological tool whether democracy can only function if all citizens are fully assimilated **Uprooted** Gregor Thum, 2011-08-08 How a German city became Polish after World War II With the stroke of a pen at the Potsdam Conference following the Allied victory in 1945 Breslau the largest German city east of Berlin became the Polish city of Wroclaw Its more than six hundred thousand inhabitants almost all of them ethnic Germans were expelled and replaced by Polish settlers from all parts of prewar Poland Uprooted examines the long term psychological and cultural consequences of forced migration in twentieth century Europe through the experiences of Wroclaw's Polish inhabitants In this pioneering work Gregor Thum tells the story of how the city's new Polish settlers found themselves in a place that was not only unfamiliar to them but outright repellent given Wroclaw's Prussian German appearance and the enormous scope of wartime destruction The immediate consequences were an unstable society an extremely high crime rate

rapid dilapidation of the building stock and economic stagnation This changed only after the city's authorities and a new intellectual elite provided Wrocław with a Polish founding myth and reshaped the city's appearance to fit the postwar legend that it was an age old Polish city Thum also shows how the end of the Cold War and Poland's democratization triggered a public debate about Wrocław's amputated memory Rediscovering the German past Wrocław's Poles reinvented their city for the second time since World War II Uprooted traces the complex historical process by which Wrocław's new inhabitants revitalized their city and made it their own The Genesis and Significance of the Oder-Neisse Line Thomas McKinley Lutz, 1959 *Germany's Eastern Neighbours* Elizabeth Wiskemann, 1956 SCOTT Copy 1 From the John Holmes Library collection **Some Problems Created by the Oder-Neisse Line** Helmuth Robert Wiemann, 1959 *The Open Window into the Soviet Bloc* Jakub Tyszkiewicz, 2023-09-29 This volume analyzes US policy toward communist ruled Poland in the fields of diplomacy economy culture and public diplomacy It highlights the limitations in developing cooperation between democratic and nondemocratic countries resulting from the Cold War conflict No comprehensive account of US policy toward Poland from 1956 to 1968 has emerged in historiography This book aims to answer why since the political changes of the Polish October 1956 Washington ceased to see Polish affairs as Soviet related matters Instead it recognized communist ruled Poland as a separate political entity among other Kremlin dependent states in Eastern Europe This policy introduced by the Dwight D Eisenhower administration was continued by his successors John F Kennedy and Lyndon B Johnson Recently declassified US and Polish archival sources allow the presentation of more considerations around the decision making mechanisms by presidential administrations regarding communist Poland after 1956 They also reveal the dependence of the implementation of US actions on the climate of international relations Moreover they can now explain how Poland became an open window toward the Soviet bloc and a model example of the changes in the US policy of diversifying its approach to Eastern European countries under Soviet control in the next decades Germany and the Oder-Neisse Line Ralph Hall Pickett, Canadian Peace Research Institute, 1968 SCOTT Copy 1 From the John Holmes Library Collection **Brief summary of the complete frame of the German Question (1945-1990)** Johann Albert Wiechers, 2020-02-25 At the moment of the publication of this book 75 years have passed since the defeat and beginning of the occupation of Germany by the victorious Allies and 30 years since the reunification of the country within restricted boundaries after 45 years of division I was born in the New World 20 years after the end of the war lived most of my youth with the reality of the division and witnessed the whole reunification process as a member of a family of German descent living outside Germany My interest in the subject plus several logical links to Germany a vision from abroad and obviously my knowledge of German helped me to start preparing in 1987 well before any possibility of reunification existed a legal thesis which unexpectedly even for me turned into reality with the fall of the Berlin Wall in 1989 and the reunification in 1990 I was able to deliver the final work my professional thesis personally into the hands of Federal President Richard von Weizsäcker during his state visit to Mexico in

1992 And shortly thereafter I received from him a very rewarding letter But just now after 30 years I am able to publish in English this reworked and updated version of my original thesis now as a history book I have tried to condense and explain the facts of 45 years of division so Germans and foreigners can have a full and objective view of all the aspects historical political territorial and legal alike pertaining to the so called German Question during the period 1945 1990 I hope you enjoy it

Polish-German Relations Jerzy J. Wiatr, 2014-07-16 The book constitutes a sociological analysis of the origins of the Polish German antagonism in the nineteenth and twentieth century and of the process of overcoming it The author discusses the role played by the religious and political leaders as well as intellectuals of both nations and presents survey research data showing the marked improvement in mutual relations After a long history of alternating relations things between Poland and Germany were as bad as never before after World War II The Nazi attack on Poland in 1939 and the atrocities committed during the occupation resulted in intense Polish hostility towards Germany On the German side the loss of territories created a feeling of harm and contributed to deepen anti Polish stereotypes The process of reconciliation emanated from initiatives taken by the Christian churches and courageous individuals on both sides but the crucial step was taken by Chancellor Willy Brandt and the Polish communist leader Wladyslaw Gomulka who in 1970 worked out a comprehensive agreement for normalizing relations between Poland and the Federal Republic Following the collapse of communist regimes and unification of Germany mutual relations took the form of co operation and partnership within the structures of democratic Europe Today both sides are about to overcome former stereotypes While some differences of interests still remain the overall picture of the current relations between Germany and Poland is one proof that even deepest wounds of the past do not prevent nations from overcoming antagonism and from building friendly relations

Historical Dictionary of Poland 1945-1996 Piotr Wróbel, 2014-01-27 Located between the former Soviet Union and eastern Germany Poland has the potential to become a political and economic bridge between the East and West It is crucial to European security and stabilization yet the list of reference books on recent Polish history is very short This book fills that gap providing information on Polish political economic and cultural history since 1945

The politics today companion to West European Politics Geoffrey Roberts, Patricia Hogwood, 2018-07-30 This electronic version has been made available under a Creative Commons BY NC ND open access license There is an urgent need for a book of this nature which provides students with all the essential information required and a full definition of terms A perfect companion to European politics today written by the same authors this book presents past events prominent personalities important dates organisations and electoral information in an accessible easy to read format The book is split into five sections for ease of use a dictionary of significant political events a chronology of major events in Europe since 1945 a biographical dictionary a dictionary of political organisations and electoral data In addition to being a comprehensive reference tool this book is intended to provide a sound historical background to the development of Western European politics

The Economic Diplomacy of Ostpolitik Werner D.

Lippert,2010-12-01 Despite the consensus that economic diplomacy played a crucial role in ending the Cold War very little research has been done on the economic diplomacy during the crucial decades of the 1970s and 1980s This book fills the gap by exploring the complex interweaving of East West political and economic diplomacies in the pursuit of détente The focus on German chancellor Willy Brandt's Ostpolitik reveals how its success was rooted in the usage of energy trade and high tech exchanges with the Soviet Union His policies and visions are contrasted with those of U S President Richard Nixon and the Realpolitik of Henry Kissinger The ultimate failure to coordinate these rivaling détente policies and the resulting divide on how to deal with the Soviet Union left NATO with an energy dilemma between American and European partners one that has resurfaced in the 21st century with Russia's politicization of energy trade This book is essential for anyone interested in exploring the interface of international diplomacy economic interest and alliance cohesion Changing Times: Germany in 20 Th -Century Europe- Les Temps Qui Changent : L'Allemagne Dans L'Europe Du 20 E Siècle Jürgen Elvert,Sylvain

Schirmann,2008 Proceedings of the doctoral summer seminar Changing times Germany in 20th Century Europe Continuity Evolution and Breakdowns organised by the European Academy of Yuste Foundation in cooperation with the SEGEI network in the Royal Monastery of Yuste and Palace of Charles V 10th 15th September 2007 Actes du séminaire doctoral d t Les temps qui changent L Allemagne dans l Europe du 20e siècle Continuité évolution et rupture organisés par la Fondation Académique Européenne de Yuste et le réseau SEGEI dans le Monastère Royal de Yuste et le Palais de Charles Quint du 10 au 15 septembre 2007

The Oder-Neisse Line W. James Dixon,1994 *Britain, Ost- and Deutschlandpolitik, and the CSCE (1955-1975)* Luca Ratti,2008 Based on new and existing archival documentation this book provides a detailed analysis of the British attitude to Bonn's Eastern and inner German policies during the period of détente and the CSCE Each chapter analyses the evolution of British policy on a particular issue area making detailed comparisons of British and West German archival sources and outlining the main aspects of the British view of West Germany's relations with the Soviet bloc states and the German Democratic Republic Drawing upon the archives of the Foreign and Commonwealth Office and of the West German foreign ministry this book sheds new light on some of the more occult aspects of the British attitude to the German question and reveals the problems faced by British decision makers in seeking to maintain Britain's close ties with Bonn while being hardly enthusiastic about the long term prospect of German reunification This volume addresses issues of East West and Anglo German relations the role of NATO and the debate among the Western allies on relations between the two German states during the period of détente

Reviewing **The Oder Neisse Line**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is really astonishing. The Oder Neisse Line Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Oder Neisse Line has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Oder Neisse Line has opened up a world of possibilities. Downloading The Oder Neisse Line provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Oder Neisse Line has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Oder Neisse Line. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Oder Neisse Line. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Oder Neisse Line, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Oder Neisse Line has transformed the way we access information. With the

convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Oder Neisse Line Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Oder Neisse Line is one of the best book in our library for free trial. We provide copy of The Oder Neisse Line in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Oder Neisse Line. Where to download The Oder Neisse Line online for free? Are you looking for The Oder Neisse Line PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another The Oder Neisse Line. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of The Oder Neisse Line are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with The Oder Neisse Line. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access

completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with The Oder Neisse Line To get started finding The Oder Neisse Line, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with The Oder Neisse Line So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading The Oder Neisse Line. Maybe you have knowledge that, people have search numerous times for their favorite readings like this The Oder Neisse Line, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. The Oder Neisse Line is available in our book collection and online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, The Oder Neisse Line is universally compatible with any devices to read.
