# The Odes Of Horace A Critical Study

**Matthew S. Santirocco**

## **The Odes Of Horace A Critical Study:**

*The Odes of Horace* Steele Commager, 1962      *The Odes of Horace* Steele Commager, 1962      **Unity and Design in Horace's Odes** Matthew S. Santirocco, 2015-01-01 Horace's first three books of Odes published together in 23 B C are a masterpiece of Augustan literature and the culmination of classical lyric. Matthew Santirocco provides the first new critical approach to them in English in more than two decades. Drawing on recent works on ancient and modern poetry books and using several contemporary critical methodologies, Santirocco reveals the Odes both as individual poems and as components in a larger poetic design. His reading of Horace demonstrates that the ensemble is itself an important context for understanding and appreciating the poetry. Reconstructing the history of the ancient poetry book, both Greek and Roman, Santirocco challenges certain common assumptions about its origin and development. He argues that true parallels for the Odes are not to be found in the other Augustan books, which are relatively homogeneous in content and form, but in the heterogeneous collections of Hellenistic writers. Odes I-III comprise eighty-eight poems in twelve different meters and in tone and topic they vary widely. Avoiding the two extremes of past scholarship, which either has searched for a single underlying unity or else has denied any meaningful design, Santirocco uncovers a variety of both static and dynamic structures and shows their relevance to the literary interpretation of the poems at all levels. Ultimately, the composition of a poem and the disposition of the group are shown to be analogous activities. Odes I-III do not constitute a medley of discrete poems but instead approximate the unity of a single ode.

**Time and the Erotic in Horace's Odes** Ronnie Ancona, 1994 Rejecting both the notion that Horace fails as a love poet because he undermines the romantic ideal that love conquers time and the notion that he succeeds because he eschews illusions about love's ability to endure, this book challenges the assumption that temporality must inevitably pose a threat to the erotic. The author argues that temporality understood as the contingency the male poet-lover wants to but cannot control explains why love fails in Horace's Odes.

*Horace's Odes and Carmen Saeculare* Simon Preece, 2021-05-11 At a time of extraordinary political upheaval, Horace wrote poetry and proudly boasted that his Odes were bringing to Rome the metres and subject matter of the Greek lyric poets who had flourished some six centuries earlier. His achievement ensured that the Odes remained unique in Latin literature and they have continued to be read and loved for two thousand years. Horace's metrical diversity is fundamental to his artistry, so these translations recreate the original thirteen metres in English. They are written in elegant verse which is always alert to the poems' structure, register, rhetoric, sound and syntax. Special attention is given to the nuanced meanings of words in their context and to the implications of Horace's often highly unusual word order, no Roman ever spoke such Latin except when reading the Odes aloud. The translations are supported by a wide-ranging introduction which provides biographical, historical and literary context and shows several ways in which the Odes can respond to literary analysis. The extensive notes constitute a commentary on all the poems, drawing the reader from the translations to the facing text of Horace's Latin and offering brief

discussions of textual literary linguistic metrical historical geographical mythological and religious issues Students and general readers will find the tools here to help them develop their own personal response to Horace s exceptional poetry while teachers will welcome the opportunity to compare poems across all four books of the Odes in equal detail [A Guide to Latin Elegy and Lyric](#) Barbara K. Gold, Genevieve Liveley, 2021-07-27 Provides the necessary context to read elegiac and lyric poetry designed for novice and experienced Classics and Latin students alike A Guide to Latin Elegy and Lyric explores the language of Latin poetry while helping readers understand the socio cultural context of the remarkable period of Roman literary history in which the poetry was composed With an innovative approach to this important area of classical scholarship the authors treat elegy alongside lyric as they cover topics such as the Hellenistic influences on Augustan poetry the key figures that shaped the elegiac tradition of Rome the motifs of militia amoris the warfare of love and servitium amoris the slavery of love in Latin love elegy and more Organized into ten chapters the book begins with an introduction to the literary political and social contexts of the Augustan Age The next six chapters each focus on an individual lyric and elegiac poet Catullus Horace Tibullus Propertius Ovid and Sulpicia followed by a survey of several lesser known poets and post Augustan elegy and lyric The text concludes with a discussion of major tropes and themes in Latin elegy and lyric and an overview and analysis of key critical approaches in current scholarship This volume Includes full translations alongside the Latin throughout the text to illustrate discussions Analyzes recurring themes and tropes found in Latin poetry such as sexuality and gender politics and patronage myth and religion wealth and poverty empire madness magic and witchcraft Reviews modern critical approaches to elegiac and lyric poetry including autobiographical realism psychoanalysis narratology reception and decolonization Includes helpful introductory sections How to Read a Latin Elegiac or Lyric Poem and How to Teach a Latin Elegiac and Lyric Poem Provides information about each poet an in depth discussion of some of their poetry and cultural and historical background Features a dedicated chapter on Sulpicia offering readers an ancient female viewpoint on sex and gender politics and patronage Part of the acclaimed Blackwell Guides to Classical Literature series A Guide to Latin Elegy and Lyric is the perfect text for both introductory and advanced courses in Latin elegy and lyric accessible for students reading the poetry in translation as well as for those experienced in Latin with an interest in learning a different approach to the subject **Writing, Performance, and Authority in Augustan Rome** Michele Lowrie, 2009-10-15 An exploration of the relationship between poetry song and authority in Augustan Rome Michele Lowrie argues that the medium of writing as opposed to song could offer an escape from current social and political demands by shifting the focus toward the readership of posterity *Harvard Studies in Classical Philology, Volume 86* Pope Professor of the Latin Language and Literature Wendell Clausen, 1982-11-10 This volume of sixteen essays includes The Earliest Stages in the History of Hesiod s Text by Friedrich Solmsen Notes on Plautus Bacchides by Otto Skutsch Gadflies Virg Geo 3 146 148 by Richard F Thomas Homoeoteleuton in Latin Dactylic Poetry by Lennart H kanson Augustus and August Some Pitfalls of Historical Fiction by A B

Bosworth and The Career of Arrian by Ronald Syme      **Desiring Rome** Richard Jackson King, 2006 During his last two decades ca 2 BCE 17 CE Ovid composed but never completed his *Fasti* an elegiac representation of Rome's rites and festivals only six of twelve month books remain Earlier scholars have claimed that this is due either to Ovid's exile from Rome which put him out of touch with the Roman literary world or else his frustration over the Roman calendar's discontinuity Drawing upon recent scholarship in gender studies and Lacanian film theory Richard J King analyzes this exilic incompleteness as inviting the citizen male reader into what he calls an angular or skewed viewpoint which interrogates the Roman hierarchical and male dominated social order insofar as it is mirrored in the Roman calendar of rites and festivals Ovid already well known and even infamous as the composer of erotic poems and the *Metamorphoses* does this by emulating the civic gesture of calendar presentation whereby upwardly mobile adult male citizens caused calendars to be carved in stone and set up in conspicuous public places to reflect the city's pride and to build their own prestige as public figures In this innovative study King discusses the *Fasti* as Ovid's socially strategic use of this gesture Interrupted by exile and filled with varying explanations of Roman festivals Ovid's poetic version manifests a form whose brokenness comments on the fractured identity of the exiled poet and citizen subjects generally in an imperial order ambivalent toward its greatest poet *Desiring Rome* expands upon recent recognition of the *Fasti*'s centrality to early imperial politics by situating the poem's failure within broader negotiations of identity between early imperial citizen subjects and the cultural ideology of Roman manhood

*Rome's Patron* Emily Gowers, 2024-02-27 The story of Maecenas and his role in the evolution and continuing legacy of ancient Roman poetry and culture An unelected statesman with exceptional powers a patron of the arts and a luxury loving friend of the emperor Augustus Maecenas was one of the most prominent and distinctive personalities of ancient Rome Yet the traces he left behind are unreliable and tantalizingly scarce Rather than attempting a conventional biography Emily Gowers shows in *Rome's Patron* that it is possible to tell a different story one about Maecenas's influence his changing identities and the many narratives attached to him across two millennia *Rome's Patron* explores Maecenas's appearances in the central works of Augustan poetry written in his name Virgil's *Georgics* Horace's *Odes* and Propertius's elegies and in later works of Latin literature that reassess his influence For the Roman poets he supported Maecenas was a mascot of cultural flexibility and innovation a pioneer of gender fluidity and a bearer of imperial demands who could be exposed as a secret sympathizer with their own values For those excluded from his circle he represented either favouritism and indulgence or the lost ideal of a patron in perfect collaboration with the authors he championed As Gowers shows Maecenas had and continues to have a unique cachet in the fantasies that still surround the gardens buildings and objects so tenuously associated with him in literature from Ariosto and Ben Jonson to Phillis Wheatley and W B Yeats and in philanthropy where his name has been surprisingly adaptable to more democratic forms of patronage      *Humanistica Lovaniensia* Gilbert Tournay, 1979-02-15 Volume 28      **Actium and Augustus** Robert Alan Gurval, 1998 What does it feel like when brother

fights brother     Political Judgment Milton Lodge, Kathleen M. McGraw, 1995 How are impressions about political candidates organized in memory What is the nature of political group stereotypes How do citizens make voting decisions How do citizens formulate opinions about key issues and politics The contributors to Political Judgment Structure and Process reach answers to these questions that will substantially influence how the next generation of scholars working at the intersection of political science and sociology and public opinion researchers more generally go about their work     **Die Ästhetik der augusteischen Dichtung: Eine Ästhetik des Verzichts** Hans-Christian Günther, 2009-11-23 Starting from some central texts of Horace's late poetry this book tries to offer a general picture of Horace's poetry his political poetry and his relationship with his patrons in particular It offers a large variety of comparative material from modern literature and is aimed not only at classicists but at students of literature and history in general All quotations from Greek and Latin texts are translated     **The Politics of Latin Literature** Thomas N. Habinek, 2001-11-13 This is the first book to describe the intimate relationship between Latin literature and the politics of ancient Rome Until now most scholars have viewed classical Latin literature as a product of aesthetic concerns Thomas Habinek shows however that literature was also a cultural practice that emerged from and intervened in the political and social struggles at the heart of the Roman world Habinek considers major works by such authors as Cato Cicero Horace Ovid and Seneca He shows that from its beginnings in the late third century b c to its eclipse by Christian literature six hundred years later classical literature served the evolving interests of Roman and more particularly aristocratic power It fostered a prestige dialect for example it appropriated the cultural resources of dominated and colonized communities and it helped to defuse potentially explosive challenges to prevailing values and authority Literature also drew upon and enhanced other forms of social authority such as patriarchy religious ritual cultural identity and the aristocratic procedure of self scrutiny or *existimatio* Habinek's analysis of the relationship between language and power in classical Rome breaks from the long Romantic tradition of viewing Roman authors as world weary figures aloof from mundane political concerns a view he shows that usually reflects how scholars have seen themselves The Politics of Latin Literature will stimulate new interest in the historical context of Latin literature and help to integrate classical studies into ongoing debates about the sociology of writing     The Closure of Space in Roman Poetics Victoria Rimell, 2015-06-05 An ambitious analysis of the Roman literary obsession with retreat and closed spaces in the context of expanding empire     **Homo Viator** Michael Whitby, Philip R. Hardie, Mary Whitby, 1987-01-01     **The Classics in Paraphrase** Daniel M. Hooley, 1988 Bringing together translation theory and literary history this volume conveys how Pound in his influential and controversial *Homage to Sextus Propertius* enriched the art of translation The work of Louis Zukofsky Basil Bunting J V Cunningham and Peter Porter is also discussed     **The Gallo-Roman Muse** Dorothy Gabe Coleman, 1979-09-20 In this 1979 book the author examines the Roman values that influenced sixteenth century French literature     **Poetry and Politics in the Age of Augustus** Anthony John Woodman, Tony J. Woodman, David

West,1984-04-26

## The Enigmatic Realm of **The Odes Of Horace A Critical Study**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **The Odes Of Horace A Critical Study** a literary masterpiece penned by a renowned author, readers set about a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of those that partake in its reading experience.
