The Of Count Lucanor And Patronio:

The Book of Count Lucanor and Patronio Juan Manuel, John E. Keller, Louis Clark Keating, 2014-07-15 Don Juan Manuel nephew of King Alfonso X The Wise knew well the appeal of exemplar moralized tales which he believed should entertain if they were to provide ways and means for solving life's problems His fourteenth century book known as *El Conde lucanor* is considered by many to be the purest Spanish prose before the immortal *Don Quixote* of Cervantes written two centuries later He found inspiration for his tales in classical and eastern literatures Spanish history and folklore His stories are not translations but are his retelling of some of the best stories in existence The translation succeeds in making the author speak as clearly to the modern reader as to readers of his own time

Count Lucanor; Or, the Fifty Pleasant Stories of Patronio Juan Manuel, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1889 edition Excerpt he finds himself incapable of so doing The Count considering this to be very good advice acted upon it and found the results to answer well And Don Juan understanding that this was a good example had it inscribed in this book and composed the following verse The good occasion use it Lest through delay you lose it NOTES The above tale resembles not a little the facetious style generally adopted by the Archpriest of Hita Juan Ruiz famous for his satirical writings and a contemporary of Don Juan Manuel and by Rabelais These two writers were particularly noted for their satirical allegories The cardinal in his refined satire not only lanced a tacit condemnation against the indolence of the canons but against also the arbitrary and unjust claim set up by them in contesting with an inferior class that right to which industry and early rising clearly entitled them CHAPTER XX Of that which happened to a Falcon and a Heron and more particularly to a cunning Falcon which belonged to the Infant Don Manuel COUNT LUCANOR conversed one day with his counsellor Patronio in the manner following Patronio said he it has happened lately to me to have contentions with many men and no sooner is one quarrel ended than I am by some one instigated to commence another others again recommend me to rest and be at peace while again others wish me to renew the war with the Moors Now knowing that no one is better able than yourself to advise me I pray that you will counsel me how best to act under these circumstances My lord said Patronio in order that you may the better act with judgment it would be well that you should know what happened to a cunning falcon belonging to **Count Lucanor** Juan Manuel (Infante of Castile), 1868 *Count Lucanor* Juan Manuel (Infante of Castile), 1899 Count Lucanor Prince Don Juan Manuel, 2014-03-29 This Is A New Release Of The Original 1899 Edition *Count Lucanor* Juan Manuel, 2017-09-18 Excerpt from *Count Lucanor Or the Fifty Pleasant Stories of Patronio* The young monarch however on reaching his majority was dissatisfied with the state of things Alfonso XI Had many of the qualities which were most appreciated in that age courage vigour address and activity He was hardy sober simple in his habits and skilled in all athletic sports But all these gifts were neutralized and rendered unavailing by the evil

counsels of those by whom he was surrounded He chose his advisers among men whose ambition and turbulence had ravaged the country but whose lawless deeds he attributed only to zeal for his cause Accustomed from his earliest youth to regard them as his friends while their sole thought was to captivate his favour and make it a stepping stone for their ambition he appointed them to the exclusion of Don Manuel whose influence though insufficient to check every abuse had hitherto been a beneficial restraint About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

this book of tales as worthy of special attention The tales were written six centuries ago yet they are both interesting and instructive and the life of the author reads like a fable This man of royal blood was statesman politician and above all warrior He is in fact known as one of the most vigorous turbulent and dangerous barons of his time Only during lulls between his great activities did he become author He made writing his diversion according to his own words because he felt this to be more worthy of a gentleman than wasting his time at games Yet in these fifty pleasant stories Don Juan Manuel has produced one of the highlights in Spanish literature both as to content and as to style This edition is intended to bring Don Juan into the libraries of those who enjoy the unusual when it is also good *Count Lucanor: or, the fifty pleasant stories of Patronio, written by the Prince Don Juan Manuel, A.D. 1335-1347.
