## **The Of Enoch The Prophet:**

**The Book of Enoch the Prophet** Enoch, 2015-09-11 The book of Enoch is one of the strangest of the books left out of the Biblical canon Filled with goetic angels and demons and visions of inconceivable lands beyond the sky The Book of Enoch the Prophet Translated by the late Richard Laurence Modern research sees in the Epistle of Jude a work of the second century but as orthodox theologians accept its contents as the inspired utterance of an Apostle let us diligently search the Hebrew Scriptures for this important forecast of the second Advent of the Messiah In vain we turn over the pages of the sacred Canon not even in the Apocrypha can we trace one line from the pen of the marvellous being to whom uninterrupted immortality is assigned by apostolic interpretation of Genesis v 24 Were the prophecies of Enoch therefore accepted as a Divine revelation on that momentous day when Jesus explained the Scriptures after his resurrection to Jude and his apostolic brethren and have we moderns betrayed our trust by excluding an inspired record from the Bible Reverting to the second century of Christianity we find Irenaeus and Clement of Alexandria citing the Book of Enoch without questioning its sacred character Thus Irenaeus assigning to the Book of Enoch an authenticity analogous to that of Mosaic literature affirms that Enoch although a man filled the office of God's messenger to the angels Tertullian who flourished at the close of the first and at the beginning of the second century whilst admitting that the Scripture of Enoch is not received by some because it is not included in the Hebrew Canon speaks of the author as the most ancient prophet Enoch and of the book as the divinely inspired autograph of that immortal patriarch preserved by Noah in the ark or miraculously reproduced by him through the inspiration of the Holy Spirit Tertullian adds But as Enoch has spoken in the same scripture of the Lord and every scripture suitable for edification is divinely inspired let us reject nothing which belongs to us It may now seem to have been disavowed by the Jews like all other scripture which speaks of Christ a fact which should cause us no surprise as they were not to receive him even when personally addressed by himself These views Tertullian confirms by appealing to the testimony of the Apostle Jude The Book of Enoch was therefore as sacred as the Psalms or Isaiah in the eyes of the famous theologian on whom modern orthodoxy relies as the chief canonist of New Testament scripture Origen A.D. 254 in quoting Hebrew literature assigns to the Book of Enoch the same authority as to the Psalms In polemical discussion with Celsus he affirms that the work of the antediluvian patriarch was not accepted in the Churches as Divine and modern theologians have accordingly assumed that he rejected its inspiration but the extent to which he adopts its language and ideas discloses personal conviction that Enoch was one of the greatest of the prophets Thus in his treatise on the angels we read We are not to suppose that a special office has been assigned by mere accident to a particular angel as to Raphael the work of curing and healing to Gabriel the direction of wars to Michael the duty of hearing the prayers and supplications of men 2 From what source but assumed revelation could Origen obtain and publish these circumstantial details of ministerial administration in heaven

*The Book of Enoch. The Prophet* Richard Laurence, 2024-02-01 Reprint of the original first published in 1883

**The Book of Enoch the Prophet** Richard Laurence, 1821      The Book of Enoch, the Prophet, 1950      **The Book of Enoch the Prophet**, 1912 The Book of Enoch is now usually designated I Enoch to distinguish it from the later Apocalypse The Secrets of Enoch which is known as II Enoch The former is called the Ethiopic Enoch the latter the Slavonic Enoch after the languages of the earliest versions extent of each respectively The Book of Enoch like the Book of Daniel was written originally in Aramaic and partly in Hebrew No copy of the original language of either is known to be in existence Latin and Greek versions have only in part been discovered but the Ethiopic Version has been preserved in twenty nine manuscripts Some of the authors of the Book of Enoch and there were many belonged to the true succession of the prophets and it was simply owing to the evil character of the period in which their lot was cast that they were obliged to issue their works pseudonymously The Law which claimed to be the highest and final word from God could tolerate no fresh message from God so when men were moved by the Spirit of God to make known their visions relating to the past the present and the future they did so under some ancient name Not only does the Book of Enoch come from many writers and almost as many periods it touches upon every subject that could have arisen in the ancient schools of the prophets Nearly every religious idea appears in a variety of forms and during the two centuries before the Christian era played an important role in the development of Hebrew theology Conflicting views are advanced on the Messiah the Messianic kingdom the origin of sin Sheol the final judgment the resurrection and the nature of the future life There is an elaborate angelology and demonology and much space is devoted to the calendar and the heavenly bodies and their movements Back cover      **The Book of Enoch Prophet** R. H. Charles, 2012-06-01 This superlative translation by noted scholar and theologian R H Charles is one of the best and most complete available Along with the renowned translation by R H Charles this edition includes two introductions One by noted esoteric scholar and antiquarian bookseller R A Gilbert who helps readers understand the historical context of The Book of Enoch and dispels many of the myths dubious interpretations previously attributed to it The other by Lon Milo DuQuette an expert on mysticism and the occult spiritual literature The vision of the Apocalypse portrayed in The Book of Enoch takes a very different view from that of Western Christians although it is part of the biblical canon for Ethiopian and Eritrean Christians According to Enoch the wicked shall be cast out and the good will realize a literal heaven on Earth The prophecies also contain the lost Book of Noah early references to a messiah as Christ and an accounting of the angels and subsequent creation of demons      *The Book of Enoch the Prophet*, 1883      **The Book of Enoch the Prophet** Enoch (the Patriarch.), 1883      **The Book of Enoch** Prophet Enoch, 2023-01-06 Enoch walked with God then he was no more for God took him The Book of Enoch is a pseudoepigraphal work a work that claims to be by a biblical character The Book of Enoch was not included in either the Hebrew or most Christian biblical canons but could have been considered a sacred text by the sectarians The original Aramaic version was lost until the Dead Sea fragments were discovered This is a compilation of several separate works most of which are apocalyptic Its oldest portion is the Apocalypse of Weeks written

shortly before the Maccabean uprising of 167 BC against the Seleucids The Ethiopic Book of Enoch is called a pseudepigraphical work meaning one that is not included in any canon of scripture outside of even the Apocrypha The only complete extant version is an Ethiopic translation of a previous Greek translation made in Palestine from the original Hebrew or Aramaic The Book of the Watcher tells the story of fallen angels from Gen 6 1 4 that took wives created the Nephilim and taught advanced technology to mankind ultimately leading to the great flood and their destruction The Parables of Similitude is an apocalyptic book about the Son of Man and the Ancient of Days These ancient prophecies of Jesus are directly in line with what we find in the Bible and are remarkably similar to The Book of Revelation The Book of the Courses of the Heavenly Luminaries is a detailed account of the stars and their functions The Dream Visions is the prophecy of all human history from the creation of mankind all the way to the end times and the final judgement The past present and future are foretold in grand detail The prophecy of weeks is similar to the prophecy structure in the book of Daniel The Noah Fragments is the untold story of Noah from the Bible We learn more about his mission to save all humanity and the struggles of his father Lamech and his grandfather Methuselah Finally included herein are all known fragments of The Book of Giants Each work is independent but all the works are bound by a common theme the punishment of the wicked and the blessedness of the righteous

*The Book of Enoch* Enoch,2014-01-01 The Book of Enoch also 1 Enoch is an ancient Jewish religious work traditionally ascribed to Enoch the great grandfather of Noah It is not part of the biblical canon as used by Jews apart from Beta Israel It is regarded as canonical by the Ethiopian Orthodox Tewahedo Church and Eritrean Orthodox Tewahedo Church but no other Christian group

**The Book of Enoch the Prophet** R. H. Charles,2021-09-01 A hardcover of the bestselling edition of the most important non canonical apocalyptic text This superlative translation by noted scholar and theologian R H Charles is one of the best and most complete available The introduction by esoteric bookseller and antiquarian bookseller R A Gilbert helps place The Book of Enoch in historical context and dispels many of the dubious interpretations previously attributed to it The Book of Enoch s vision of the Apocalypse takes a very different view than that of western Christians although it is part of the biblical canon for Ethiopian and Eritrean Christians According to Enoch the wicked shall be cast out and the good will realize a literal heaven on Earth The prophecies also contain the lost Book of Noah early references to a messiah as Christ and an accounting of the angels and subsequent creation of demons

*Collected Works of Enoch the Prophet* Zen Garcia,2017-12-06 With renewed interest in the character of Enoch the prophet I decided to publish in 14 point font not just the R H Charles Oxford translation of the Book of Enoch and the Richard Laurence translation of the Book of the Secrets of Enoch but compile with them such obscure sources as the recently 2005 discovery of the Greek Account of Enoch the Prophet the Aramaic Dead Sea Scrolls fragments of 1 Enoch Ogdias the Giant the Manichean Book of the Giants The Midrash of Semhazai and Aza chapter 100 of the Kebra Nagast the Armenian Vision Of Enoch The Just the Hebrew Third Book Of Enoch Coptic Apocryphon of Enoch and Slavonic Two Tablets Of Enoch Providing all of these sources together in one

collection can better assist those seeking to understand more completely Enoch his life and involvement with the Watchers and Giants This collection better expounds upon the context of the few Enochian texts we still have of those left for us in greater capacity and clearer regard

**The [Aethiopic] book of Enoch the prophet, tr. from the Germ. of A. G. Hoffmann and corrected by J. Baty** Enoch (the patriarch), 1839 The Book of Enoch the Prophet (illustrated) Edition Richard Laurence, 2021-10-08 The Bible as we hold it today is esteemed by many religious institutions and especially Conservative Christians to be the inspired inerrant Word of God This doctrinal position affirms that the Bible is unlike all other books or collections of works in that it is free of error due to having been given by inspiration of God and is profitable for doctrine for reproof for correction for instruction in righteousness that the man of God may be perfect thoroughly furnished unto all good works 2 Tim 3 16 17 While no other text can claim this same unique authority the Book of Enoch is an ancient Jewish religious work ascribed by tradition to Enoch the great grandfather of Noah which played a crucial role in forming the worldview of the authors of the New Testament who were not only familiar with it but quoted it in the New Testament Epistle of Jude Jude 1 14 15 and is attributed there to Enoch the Seventh from Adam 1 En 60 8 The text was also utilized by the community that originally collected and studied the Dead Sea Scrolls While some churches today include Enoch as part of the biblical canon for example the Ethiopian Orthodox Tewahedo Church and Eritrean Orthodox Tewahedo Church other Christian denominations and scholars accept it only as having historical or theological non canonical interest and frequently use or assigned it as supplemental materials within academic settings to help students and scholars discover or better understand cultural and historical context of the early Christian Church The Book of Enoch provides commentators valuable insight into what many ancient Jews and early Christians believed when God who at sundry times and in divers manners spake in time past unto the fathers by the prophets Heb 1 1 As Dr Michael S Heiser in the Introduction to his important book Reversing Hermon so powerfully notes For those to whom 1 Enoch sounds unfamiliar this is the ancient apocalyptic literary work known popularly but imprecisely as the Book of Enoch Most scholars believe that 1 Enoch was originally written in Aramaic perhaps as early as the 3rd century B C The oldest fragments of the book were found among the Dead Sea Scrolls and dated to roughly the second century B C This places the book squarely in the middle of what scholars call the Second Temple Period ca 500 B C 70 A D an era more commonly referred to as the Intertestamental Period This book will use the more academic designation Second Temple Period The Watcher story of 1 Enoch as many readers will recall is an expansion of the episode described in Genesis 6 1 4 where the sons of God Hebrew beney ha elohim came in to the daughters of man Gen 6 4 ESV Consequently

Watchers is the Enochian term of choice among others for the divine sons of God While the story of this supernatural rebellion occupies scant space in Genesis it received considerable attention during the Second Temple Period The Enochian version of the events of Gen 6 1 4 preserves and transmits the original Mesopotamian context for the first four verses of the flood account Every element of Gen 6 1 4 has a Mesopotamian counterpoint a theological target that provides the rationale for why these four verses wound up in the inspired text in the first place Connections to that backstory can be found in the Old Testament but they are scattered and unsystematically presented This is not the case with Second Temple Jewish literature like 1 Enoch Books like 1 Enoch preserve all of the Mesopotamian touchpoints with Gen 6 1 4 when presenting their expanded retelling of the events of that biblical passage The Book of Enoch is therefore intended to be an important supplemental resource for assisting serious researchers and students in the study of the Bible **Enoch the Ethiopian**
