## **The Of Fresh Beginnings Selected Poems Field Translation Series:**

**Selected Poems of Rainer Maria Rilke** Rainer Maria Rilke, 1994 This new selection drawing primarily on Rilke's extremely rich middle period the first decade of the 20th Century and concluding with a selection from his late Sonnets to Orpheus offers a clear powerful and contemporary Rilke

**Six Modernist Moments in Poetry** David Young, 2006 Along with the four poems written in English the two non English poems are presented and discussed in Young's own translations He describes the provenance of each of the six poems puts it in the context of its time and the poet's career and surrounds it with references to other poems that are quoted generously In this way each poem is not only fully explicated but also presented as a kind of preeminent example representing other poems of its type Combining close reading with contextual discussion this book is a significant contribution to the fields of poetry and modernism

**Reading Rilke** William H. Gass, 2013-08-07 The greatly admired essayist novelist and philosopher author of Cartesian Sonata Finding a Form and The Tunnel reflects on the art of translation and on Rainer Maria Rilke's Duino Elegies and gives us his own translation of Rilke's masterwork After nearly a lifetime of reading Rilke in English William Gass undertook the task of translating Rilke's writing in order to see if he could in that way get closer to the work he so deeply admired With Gass's own background in philosophy it seemed natural to begin with the Duino Elegies the poems in which Rilke's ideas are most fully expressed and which as a group are important not only as one of the supreme poetic achievements of the West but also because of the way in which they came to be written in a storm of inspiration Gass examines the genesis of the ideas that inform the Elegies and discusses previous translations He writes as well about Rilke the man his character his relationships his life Finally his extraordinary translation of the Duino Elegies offers us the experience of reading Rilke with a new and fuller understanding

**Charles Simic and the Poetics of Uncertainty** Donovan McAbee, 2020-01-09 Charles Simic and the Poetics of Uncertainty provides the first full account of the poetics of the former US Poet Laureate who is one of the most popular and critically acclaimed English language poets writing today The book argues for uncertainty as the center of Simic's poetics and addresses the ways that his poetry grows from and navigates various forms of uncertainty Donovan McAbee addresses uncertainty regarding the national character of Simic's poetry and how this is complicated by Simic's identity as a Yugoslavian refugee to the United States The book assesses the theological and linguistic uncertainties of Simic's poetry and explores the ways that Simic articulates the aesthetic space created by poems as a safe place of encounter for the reader The book argues for the role of humor as a primary mode that holds together the uncertainties of Simic's poetry and finally it articulates the way that within these uncertainties Simic develops a deeply humane political poetry of survival Along the way Simic's work is placed in conversation with key influences and other important American and international poets and writers including James Tate Mark Strand Charles Wright Nicanor Parra Vasko Popa and others

**Du Fu** Du Fu, 2008-11-04 Du Fu 712-770 is one of the undisputed geniuses of Chinese poetry still

universally admired and read thirteen centuries after his death Now David Young author of *Black Lab* and well known as a translator of Chinese poets gives us a sparkling new translation of Du Fu's verse arranged to give us a tour of the life each chapter of poems preceded by an introductory paragraph that situates us in place time and circumstance What emerges is a portrait of a modest yet great artist an ordinary man moving and adjusting as he must in troubled times while creating a startling timeless body of work Du Fu wrote poems that engaged his contemporaries and widened the path of the lyric poet As his society one of the world's great civilizations slipped from a golden age into chaos he wrote of the uncertain course of empire the misfortunes and pleasures of his own family the hard lives of ordinary people the changing seasons and the lives of creatures who shared his environment As the poet chases chickens around the yard observes tear streaks on his wife's cheek or receives a gift of some shallots from a neighbor Young's rendering brings Du Fu's voice naturally and elegantly to life I sing what comes to me in ways both old and modern my only audience right now nearby bushes and trees elegant houses stand in an elegant row too many if my heart turns to ashes then that's all right with me from *Meandering River*

*The Cumulative Book Index*, 1996 A world list of books in the English language *The Poet's Work* Reginald Gibbons, 1989-02-15 This anthology brings together essays by 20th century poets on their own art some concern themselves with its deep sources and ultimate justifications others deal with technique controversies among schools the experience behind particular poems The great Modernists of most countries are presented here Paul Valéry Federico García Lorca Boris Pasternak Fernando Pessoa Eugenio Montale Wallace Stevens as are a range of younger less eminent figures from the English speaking world Seamus Heaney Denise Levertov Wendell Berry The reader will find here a lively debate over the individualistic and the communal ends served by poetry and over other issues that divide poets inspiration and craft the use or the condemnation of science traditional and organic form Alan Williamson *New York Times Book Review*

**The Oxford History of Literary Translation in English:** Peter France, Kenneth Haynes, 2006-02-23 In the one hundred and ten years covered by volume four of *The Oxford History of Literary Translation in English* what characterized translation was above all the move to encompass what Goethe called world literature This occurred paradoxically at a time when English literature is often seen as increasingly self sufficient In Europe the culture of Germany was a new source of inspiration as were the medieval literatures and the popular ballads of

many lands from Spain to Serbia From the mid century the other literatures of the North both ancient and modern were extensively translated and the last third of the century saw the beginning of the Russian vogue Meanwhile as the British presence in the East was consolidated translation helped readers to take possession of exotic non European cultures from Persian and Arabic to Sanskrit and Chinese The thirty five contributors bring an enormous range of expertise to the exploration of these new developments and of the fascinating debates which reopened old questions about the translator s task as the new literalism whether scholarly or experimental vied with established modes of translation The complex story unfolds in Britain and its empire but also in the United States involving not just translators publishers and readers but also institutions such as the universities and the periodical press Nineteenth century English literature emerges as more open to the foreign than has been recognized before with far reaching effects on its orientation

**Encyclopedia of the New York School Poets** Terence Digory, 2009 An A to Z reference to writers of the New York School including John Ashbery who is often considered America s greatest living poet Examines significant movements in literary history and its development through the years
