*A Cosmic View of the Bible*

Grace Van Duzen

*Noted lecturer and author Grace Van Duzen has, over the last five decades, explored and researched the Bible from the standpoint of a cosmic perspective. Her approach, based in solid biblical scholarship and free of religious or political agenda, continues to open the way for thousands to access teachings that are as relevant now as when the Bible was first recorded.*

And God said,  
Let there be  
light: and  
there was  
light.

presentness immediacy and mutuality with ultimate reality Religion has to do with the wholeness of human life The absolute is found not just in the universal but in the particular and the unique When it promotes a dualism in which the spirit has no binding claim upon life and life falls apart into unhallowed fragments religion becomes the great enemy of humankind

### **Fathers and Daughters in the Hebrew Bible**

Johanna Stiebert,2013-03-28 The father daughter dyad features in the Hebrew Bible in all of narratives laws myths and metaphors In previous explorations of this relationship the tendency has been to focus on discrete stories notable among them Judges 11 the story of Jephthah s human sacrifice of his daughter and Genesis 19 the dark tale of Lot s daughters seduction of their father By taking the full spectrum into account however the daughter emerges prominently as not only expendable and exploitable as an emphasis on daughter sacrifice or incest has suggested but as cherished and protected by her father Depictions of daughters are multifarious and there is a balance of very positive and very negative images While not uncritical of earlier feminist investigations this book makes a contribution to feminist biblical criticism and utilizes methods drawn from the social sciences and psychoanalysis Alongside careful textual analysis Johanna Stiebert offers a critical evaluation of the heuristic usefulness of the ethnographic honour shame model of parallels with Roman family studies and of the application and meaning of patriarchy Following semantic analysis of the primary Hebrew terms for father and daughter as well as careful examination of inter family dynamics and the daughter s role vis vis the son s alongside thorough investigation of both Judges 11 and Genesis 19 and also of the metaphor of God the father of daughters Eve Wisdom and Zion Stiebert provides the fullest exploration of daughters in the Hebrew Bible to date

*The Future of Christology* Dong-Kun Kim, 2019-06-28. The Future of Christology addresses the questions that Christology currently faces and or will face in the future in 12 topics. The book consists of two parts. In the first part, Kim deals with five topics related to traditional Christology, while in the second part, he wrestles with seven topics related to issues of Christology. The twenty-first century is a challenging time for Christianity. Many in our age are asking what Jesus Christ means in various dimensions of history, culture, nature, and even beyond the Earth. Changes in values, worldviews, and views of the universe are forming a new zeitgeist. Dong-Kun Kim argues that ways of understanding Christ should change accordingly for a Christology that fails to communicate meaningfully with the times is void of vitality. Postmodernism, dehistoricization, and life post ideology, multiculturalism, multiple religions, and above all, the rapid development of the natural sciences pose a serious challenge to traditional Christology. Who is Christ in the age of an infinite cosmos? How do daily human life, social devotion, and praxis relate to salvation? How can we discuss salvation history in an era post history? Where does Christ stand in

the public sphere Can the Chalcedonian definition of the two natures of Christ true God and true human being encompass nature and the cosmos would a third nature of Christ be necessary Will the cyborg which may appear in the near future be the object of Christ s salvation If scientific determinism becomes popular in the future will the basis of faith in Christ lose ground If intelligent life exists in the universe what does Christ mean to such life This book provides innovative answers to these questions in an academic context Genesis to Revelation: A Taste of the Entire Bible Stephen J. Bedard,2013-04-09

Why another book on the Bible Many people inside and outside the church agree that the Bible is important and valuable But how do you go about reading it Many start at the beginning Genesis is interesting and the first part of Exodus is good But then the reader gets into lists of laws and architectural descriptions and genealogies Many well meaning Bible readers have died in the wastelands of Leviticus and Numbers While sympathetic to these struggles I know that the Bible is valuable even in the books that seem the most difficult This book takes the reader through the entire Bible Instead of pressuring the reader to read every verse select passages are assigned to give the reader a taste of the Bible and hopefully an interest in learning about the rest of the Bible

**The Divine-Human Relationship in Romans 1-8 in the Light of Interdependence Theory** Yoonjong Kim,2020-11-12 Yoonjong Kim analyses the divine human relationship in Paul s theology focusing on Paul s portrayal of the relationship in Romans 1 8 Kim stresses that previous studies of this relationship have not paid sufficient attention to the fact that it is not static but rather exhibits progression and development towards a goal To address the significance of the human agent s role in the relationship Kim employs a social psychological theory interdependence theory offering a consistent analytic framework for diagnosing the interactions in a dyadic relationship in terms of the dependency created by each partner s expectations of outcomes Kim explores several key stages of the divine human relationship and the direction in which the relationship develops throughout Romans 1 8 in order to highlight the significance of the human partners in the course of the development He focuses in particular on betrayal 1 18 3 20 restoration 3 21 26 5 1 11 the oppressive relationship with Sin 5 12 8 11 and the investment for the future 8 12 39 and concludes that although the foundation of the relationship rests on God s initiative the divine outworking guides the relationship so that it facilitates mutual participation of the human partners in the restoration and development of the relationship toward the ultimate goal

*T&T Clark Handbook of Neo-Calvinism* Nathaniel Gray Sutanto, Cory Brock, 2024-01-25 Neo Calvinism critically advances Reformed orthodoxy for the sake of modern life Birthed in the Netherlands at the turn to the twentieth century initiated by Abraham Kuyper 1837 1920 and Herman Bavinck 1854 1921 it argued that a life before God entailed the leavening of faith over all human existence While the movement originated in the Netherlands the tradition now has a global reach with practitioners and thinkers applying its insights in diverse ways and in their own contexts This

handbook is a genealogical introduction to this lively and modern branch of the Reformed tradition with contributors that reflect its global reach Its four sections chart the theological roots important original figures historical contours and the contemporary influence of neo Calvinism across a diversity of fields      Truth Plus Love Matt Brown,2019-04-23 Imagine what our world might look like if Christians became known for remarkable love as well as life giving truth The stakes are high and the need is great for Christians to represent Jesus to a watching world And today we have more influence than ever before for better and for worse We are among the first generations to have access to a global megaphone through social media But it s not enough to speak truth louder to a noisy culture To counter the reputation Christians have earned our love must be just as loud Ask evangelist Matt Brown and he will tell you Christians today are facing a crisis of influence In our rush to speak truth to today s tensions cultural issues and trending controversies it becomes all too easy to focus on proving our points rather than extending God s grace Conversely when we seek only to love yet never proclaim a better way we short circuit God s plan Truth Plus Love invites you to rediscover the biblical framework for engaging culture as ambassadors of Christ Through biblical insight cultural analysis and practical principles Matt Brown outlines how to champion truth without compromise how to love unconditionally and ultimately how to step into this great adventure of representing God to the world It s hard it s messy and it s the unfinished project of a lifetime yet here we find our great adventure representing God to a watching world      *Celebrating Nature by Faith* H. Paul Santmire,2020-09-09 Sometimes it is helpful to take one step backward in order to take two steps forward In this insightful volume H Paul Santmire draws on his long standing and widely recognized engagement with ecological theology to propose that the traditions of the Protestant Reformation rightly read offer rich resources today for those who are struggling to move forward to respond theologically to the crisis of a planet in peril and thereby to celebrate nature by faith
