The Of Holy Law:

Sacred Law in the Holy City Judith Mendelsohn Rood, 2020-11-09 The Muslim community's political and socio-economic role in Jerusalem under Ottoman administration during the 1830s is analyzed in this volume from a natural law perspective A bitter political contest between Sultan Mahmud II and Muhammad Ali Pasha resulted in the military occupation of Syria and imposition of a brutal new political and legal regime which crushed the indigenous elites of southern Syria Through a careful analysis of the archives of the Islamic law court of Jerusalem the study offers a fresh appraisal of how the Ottoman Empire ruled Jerusalem and considers the Muslim response elucidating the reasons for the breakdown of their relations with non Muslim Ottoman subjects and differentiating the Ottoman understanding of law and government from that of their enemies the Wahhabis

God's Holy Law FitzRoy Brown, 2020-09-20 Many Christians have been taught and have believed that the Ten Commandments are for the people who lived under the Old Covenant and do not apply to Christians under the New Covenant This is so further from the truth as you dig into scriptures to see the unchanging nature of these peculiar set of commands And what is more although we are saved by Grace alone God's judgment and our hope of ever making it into God's Heavenly Kingdom heavily depends on whether we obey God and keep His Holy Law This book exposes how Satan through the little horn and the false apostate church is using the errors of this wrong theology to deceive sincere men and women who love God to transgress the Law and end up as enemies of God so as to experience His wrath You'll not only be glad to read this book but blessed too
