The New Moses A Matthean Typology:

The New Moses Dale C. Allison Jr., 2013-02-01 This fresh and stimulating work is the first book entirely given to the subject of Moses and Mosaic allusions in the Gospel of Matthew Also included are the history of the discussion of the subject from Bacon to the present as well as a comprehensive analysis of the depiction of ancient Jewish and Christian persons in Mosaic categories *The New Moses* Dale C. Allison, 1993 *The New Isaac* Leroy Andrew Huizenga, 2009 Gospel scholarship has long recognized that Matthean Christology is a rich multifaceted tapestry weaving multifold Old Testament figures together in the person of Jesus It is somewhat strange therefore that scholarship has found little role for the figure of Isaac in the Gospel of Matthew Employing Umberto Eco's theory of the Model Reader as a theoretical basis to ground the phenomenon of Matthean intertextuality this work contends that when read rightly as a coherent narrative in its first century setting with proper attention to both biblical texts and extrabiblical traditions about Isaac the Gospel of Matthew evinces a significant Isaac typology in service of presenting Jesus as new temple and decisive sacrifice **Revealed Wisdom and Inaugurated Eschatology in Ancient Judaism and Early Christianity** Grant Macaskill, 2007 This book examines four texts 1 Enoch 4QInstruction Matthew and 2 Enoch and argues that in each the revealing of wisdom to an elect group inaugurates the eschatological period This idea leads to the fusion of sapiential and apocalyptic elements **The Lord's Supper** Thomas R. Schreiner, Matthew R Crawford, 2011-01-01 An exploration of the Baptist view of the Lord's Supper contrasting it with Roman Catholic Lutheran Calvinist and Zwinglian perspectives *The Suffering Son of David in Matthew's Passion Narrative* Nathan C. Johnson, 2023-11-23 In this book Nathan C Johnson offers the first full scale study of David traditions in the Gospel of Matthew's story of Jesus's death He offers a solution to the tension between Matthew's assertion that Jesus is the Davidic messiah and his humiliating death To convince readers of his claim that Jesus was the Davidic messiah Matthew would have to bridge the gap between messianic status and disgraceful execution Johnson's proposed solution to this conundrum is widely overlooked yet refreshingly simple He shows how Matthew makes his case for Jesus as the Davidic messiah in the passion narrative by alluding to texts in which David too suffered Matthew thereby participates in a common intertextual Jewish approach to messianism Indeed by alluding to suffering David texts Matthew attempts to turn the tables of the problem of a crucified messiah by portraying Jesus as the Davidic messiah not despite but because of his suffering **A History of the Quests for the Historical Jesus, Volume 1** Colin Brown, Craig A. Evans, 2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today's biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the

cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer s famous Old Quest to today s ongoing questions about criteria methods and sources A History of the Quests for the Historical Jesus not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One covers the period from the beginnings of Christianity to the end of World War II Volume Two sold separately covers the period from the post War era through contemporary debates

Finding Jesus In the Exodus Nicholas Perrin,2025-05-01 If you want to understand who Christ is you have to begin by understanding what Jesus meant when he said in Luke 24 27 And beginning with Moses and all the prophets he explained to them what was said in all the Scriptures concerning himself NIV In Finding Jesus in Exodus biblical scholar Nicholas Perrin shows that the Bible s story of the Exodus from beginning to end is filled with prophetic foretellings of the person and work of Christ Moses as a great deliver and prophet The voice in the burning bush The Passover Lamb of God The unleavened bread The rock and pillar of cloud The red sea crossing The manna from heaven You will see all of these and more as examples of Christ in the story of the Exodus

Salvation in Continuity Mothy Varkey,2017-09-01 It is clear that according to Matthew s Gospel Jesus came to save his people from their sins 1 21 to give his life as a ransom for many 20 28 to have his blood poured out for many for the forgiveness of sins 26 28 But if salvation as promised in 1 21 is achieved only through Jesus death asks Mothy Varkey are the twenty five preceding chapters merely preamble Varkey argues to the contrary that the key theme of salvation in the Gospel is presented by Matthew as being in continuity with God s saving acts in the history of the Jewish people Further Varkey insists that as a consequence of this theology of continuity Jesus death on the cross represents just one of the many ways in which the Gospel presents God s salvific deeds The death of Jesus while unique due to his ontological status as Son of God should not be distinguished too sharply from his saving acts during his earthly ministry which took the form of salvific teaching of the Torah healings exorcisms and forgiving of sins The result is a narrative emphasizing the continuity of salvation throughout Jesus life reaching into Israel s past and beyond into the work of the disciples

Exodus and Liberation John Coffey,2014 Tracing a series of political crises in Anglo American history from the 16th century Reformation to the civil rights movement Coffey excavates the history of deliverance politics testifying to the powerful political appeal of the Exodus the Jubilee and the biblical language of liberty

The Art of Narrative Analogy Seth D. Postell,2025-11-04 In The Art of Narrative Analogy Seth Postell offers a literary approach for understanding the relationship between the two Testaments and

between various biblical narratives that is more sensitive to the verbal meaning of the Old Testament than popular typological approaches. He argues that narrative analogy, the deliberate paralleling of characters, events, and themes across biblical texts, provides a more exegetically responsible and theologically fruitful method for understanding the Bible's unity and depth. Drawing on extensive examples from the Hebrew Bible and the New Testament, Postell reveals how scriptural authors employ parallels to illuminate theological truths and deepen narrative coherence. From the connections between Rahab and Lot to the analogies between Jonah and the calming of the storm in Mark's Gospel, he shows how these parallels invite readers into the Bible's grand theological narrative. Postell also integrates illustrations from modern storytelling such as Star Wars to demonstrate how analogy shapes meaning in both ancient and contemporary contexts. Postell offers clear criteria for identifying narrative analogies and practical guidance for interpreting them, making this volume an indispensable resource for students, pastors, and church leaders.

Jesus, Matthew's Gospel and Early Christianity Daniel M. Gurtner, Joel Willitts, Richard A. Burridge, 2011-10-27. The passing of Professor Graham Stanton, former Lady Margaret chair of divinity at Cambridge University in 2009, marked the passing of an era in Matthean scholarship and studies of early Christianity. Stanton's 15 books and dozens of articles span thirty-four years and centre largely on questions pertaining to the Gospel of Matthew and early Christianity. The present volume pays tribute to Stanton by engaging with the principal areas of his research and contributions: the Gospel of Matthew and Early Christianity. Contributors to the volume each engage a research question which intersects the contribution of Stanton in his various spheres of scholarly influence and enquiry. The distinguished contributors include Richard Burridge, David Catchpole, James D. G. Dunn, Craig A. Evans, Don Hagner, Peter Head, Anders Runesson, and Christopher Tuckett.

Living in the Family of Jesus William Longgar, 2016. With its myriad people groups, Melanesia has much to teach the rest of the world about what happens when Christ encounters local culture. This collection begins with a look at specific case studies of the Gospel's encounter with local culture in Melanesia itself, before turning to broader themes particularly raised by the Melanesian context. Case studies from Asia and the wider Pacific then throw further light on the incarnational process of encounter, demonstrating that there is much for the rest of the world to learn from the Melanesian experience. The book concludes with some penetrating analyses of the dynamics at work when the Gospel encounters human cultures for the first time. The process of critical contextualization of the Gospel is never complete and is inevitably the product of conversation and experimentation. As such, it is a communal process. This set of essays models one such conversation while, at the same time, enabling the rest of the church to listen in on important insights.

The Gospel and the Gospels Simon J. Gathercole, 2022-08-11 A robust scholarly defense of the distinctiveness of the canonical Gospels Do the four New Testament gospels share some essence that distinguishes them from noncanonical early Gospels The tendency among biblical scholars of late has been to declare the answer to this question no that Matthew Mark Luke and John were grouped together by happenstance and are defended as canonical today despite there being no essential commonalities between them Simon Gathercole challenges this prevailing view and argues that in fact the theological content of the New Testament Gospels distinguishes them substantially from noncanonical Gospels Gathercole shows how the Gospels of Matthew Mark Luke and John each include four key points that also formed the core of early Christian preaching and teaching Jesus s identity as messiah the saving death of Jesus the resurrection of Jesus and Scripture s foretelling of the Christ event In contrast most noncanonical Gospels like the Gospel of Thomas the Gospel of Truth and Marcion s Gospel only selectively appropriated these central concerns of early Christian proclamation

Jesus as Teacher in the Gospel of Matthew Charles Nathan Ridlehoover, Charles Quarles, 2023-07-27 Inspired by the work of Richard France and his highly influential *Matthew Evangelist and Teacher* Charles L Quarles and Charles Nathan Ridlehoover have gathered together a collection of works that argue for a re examination of the defining features of Jesus s role as a teacher in the Gospel of Matthew This volume suggests that while each of the Gospel writers display Jesus leading disciples along speaking to crowds and confronting Jewish authorities with effective and timely teachings Matthew s portrayal of Jesus as a teacher contains distinctives that deserve further exploration After examining Jesus s Old Testament and Second Temple influences and comparing his methods to the contemporary Greco Roman tradition the contributors explore Jesus s position as a teacher of faith and forgiveness and a trainer of scribes and analyse his relationship with several different apostles Including responsive essays and concluding with a summary of Jesus and Matthew himself as evangelists and teachers this journey through the aspects of Jesus s teaching ministry gives readers a more complete look at Jesus s vocation

A Scribe Trained for the Kingdom of Heaven David M. Moffitt, Isaac Augustine Morales, O.P., 2021-08-19 Stimulated by the signal contributions that New Testament scholar Richard B Hays has made to Christology and Christian ethics the essays collected here carry forward conversations involving close studies of particular passages in the Gospels and Epistles and wider ranging forays into big questions in those fields Some essays build on Hays s work pushing forward in new directions on questions of scriptural intertextuality Christology and participation in Christ Others challenge his work on questions of method and substance alike But all reflect appreciation for the advances made by this giant of twentieth and

W. Vine, 2014-04-24 This book seeks to establish the inadequacy of readings of the Gospel of Matthew as intended for and a reflection of a local audience or community Despite repeated challenges the local audience thesis continues to dominate a large proportion of Matthean scholarship and as such the issue of determining the Gospel's audience remains an open question This book posits four main critiques First the assumptions which underpin the text focused process of identifying the Gospel's audience whether deemed to be local Jewish or universal lack clarity Literary entities such as the implied reader the intended reader or the authorial audience prove inadequate as a means of identifying the Gospel's audience Second local audience readings necessarily exclude plot related developments and are both selective and restrictive in their treatment of characterisation Much is lost or ignored as a coherent and simplified audience context is derived from the complex narrative world of the Gospel Third this book argues that many in an audience of the Gospel would have incorporated their experience of hearing Matthew within pre existing mental representations shaped by Mark or other early traditions Thus they would have understood the Gospel as relating to events and settings distinct from their own context regardless of the degree to which they identified with characters or events in the Gospel Fourth this book argues that early Christian audiences were largely heterogeneous in terms of ethnicity age sex wealth familiarity with Christian traditions and levels of commitment As such the aural reception of the Gospel would have resulted in a variety of impacts A number of these critiques extend beyond the local audience option

and for this reason this thesis does not posit a particular audience for the Gospel
