Pinkham,2019-07-26 One God or one with several forms Or maybe two three or perhaps many separate Gods If you seriously study all the Christian religions you will find that each of these possibilities is claimed That is one trouble with the Trinity there are just too many possibilities Which if any is right Which view does the Bible support And if it supports one view how strongly and in exactly what way The Trouble with the Trinity attempts to study every verse in God's Word that links a name for one or more members of the Godhead with a nearby word or concept for God Nearly a thousand verses meet this condition Collating them into logical categories reveals the eight and only eight possible ways and combinations that could help us understand that the Father Son and Holy Spirit is Three in One Moreover when the verses in each of these eight ways are further organized they provide deep insights into the nature of God And when the eight ways are woven together they reveal a startling symbol with relevance to Judaism Christianity Islam geometry and our neural network Furthermore these insights are reinforced through the symbolism of the colors used in the tabernacle when these colors are properly applied to the eight parts of the symbol The book incorporates mathematics and science especially the biological sciences written with plain language into the discussions of the Trinity Some of the proposed connections have never been posited elsewhere It also considers other symbols and icons of the Trinity for their ability to reflect aspects of the Triune Godhead The Trouble with the Trinity is not written for the theologian although it includes a section that presents a theological discussion of the Trinity Rather it is written for those who are curious about or confused by the Trinity For more information and to view Images About the book Appendixes and more as well as contact information please go to <https://www.thetwtt.com> You can also visit the author's Facebook page <https://www.facebook.com/TTWTTrinity> view_public_for_100820838002256 *Strong's Exhaustive Concordance of the Bible* James Strong,2007 Allows the reader to easily find all biblical occurrences of a word in the King James Version points the reader to the underlying Hebrew and Greek words using the Strong's numbering system updated Hebrew and Greek dictionaries give brief definitions of each word of the original languages Cover **Strong's Concise Concordance & Vine's Concise Dictionary of the Bible** James Strong,W. Pullum,2015-04-14 An insightful read for anyone who is interested in religion this book offers fresh biblical insight into the preaching of faith healing from a Christian perspective Faith healing has been a popular religious phenomenon in this country for well over a hundred years gaining thousands of followers and raking in millions of dollars annually What faith healers teach however

often goes unchallenged Faith Healers and the Bible What Scripture Really Says offers an informed critique of many of the themes found in faith healers preaching that documents that much of what they teach is not biblically based contrary to what they would like their listeners to believe Drawing on a lifetime of study and nearly two decades of teaching a university course titled The Rhetoric of Faith Healing Stephen J Pullum PhD provides scriptural insight into the false claims frequently found in the preaching of healing revivalists After an introductory chapter that explains why faith healers have been so persuasive the author addresses a breadth of topics including the miraculous the providential demon possession the call of God the indwelling of the Holy Spirit and the health and wealth gospel Meeting faith healers on their own turf the Bible Pullum clearly demonstrates that much of what faith healers preach cannot be scripturally supported *More Than A Rabbi*

Dr. Al Garza,2020-01-03 For the last 2000 years there has been a debate about the identity and person named Yeshua Jesus This person lived in the 1st century in Jerusalem and died at the hands of the Jews and Gentiles The Jews rejected his claims that he was the Jewish Messiah foretold by the prophets in their Hebrew Bible After the destruction of the Jewish Temple and the exile of the Jews from their land at 70 A D the nations took hold of Yeshua Jesus as their Christ which in Greek means anointed one The man who was born a Jew in the town of Bethlehem and who became known to many as the long awaited Jewish Messiah Son of God has been lost Jesus is more than a Rabbi **The Historicity of the Old Testament Messiah:**
