## **The New Testament And The People Of God:**

**The New Testament and the People of God** Nicholas Thomas Wright, 1992 Part of a five volume project on the theological questions surrounding the origins of Christianity this book offers a reappraisal of literary historical and theological readings of the New Testament arguing for a form of critical realism that facilitates different readings of the text

T. *The Moral Vision of the New Testament* Richard Hays, 1996-08-30 A leading expert in New Testament ethics discovers in the biblical witness a unified ethical vision centered in the themes of community cross and new creation that has profound relevance in today's world Richard Hays shows how the New Testament provides moral guidance on the most troubling ethical issues of our time including violence divorce homosexuality and abortion Hays passionately written book with its bold agenda has neither peer nor rival Leander E Keck Winkley Professor of Biblical Theology Yale Divinity School There are few people I would rather read for the actual exposition of the New Testament than Richard Hays This book is filled with wonderful readings that not only inform us about how to think better about the so called problem of the relation between the New Testament and ethics but even more speak of how our lives should be lived in the light of Christ's cross Stanley Hauerwas Gilbert T Rowe Professor of Theological Studies Duke University Divinity School Richard Hays has succeeded brilliantly in bringing New Testament studies contemporary theology and ethics into a deeply reflective conversation Hays point is that the New Testament norms the Christian life and with the help of imagination and metaphor can address the moral conflicts of our time Ellen T Charry Perkins School of Theology Southern Methodist University This book isn't just a breath of fresh air It's a hurricane blowing away the fog of half understood pseudo morality and fashionable compromise and

revealing instead the early Christian vision of true humanness and genuine holiness If this isn't a book for our time I don't know what is N T Wright author of *The New Testament and the People of God* [The People's New Testament Commentary](#) M.
