The News From Paris:

The Independence of the News Media Loïc Ballarini, 2020-10-16 This book explores the different ways Francophone research on news media has faced the challenges of dependence and independence from three complementary perspectives The first is economics how can sustainable business models be developed and to what extent can crowdfunding help to maintain the financial and editorial independence of newsrooms Secondly in a time where the role of journalism in the public sphere is more questioned than ever the authors evaluate to what extent news media can embody the needs of their readers Thirdly the authors consider the historical and political context of publication in the light of the Arab Spring This book deals with major contemporary evolutions of news media bringing together research that considers the media in France Canada and the Arab region notably Tunisia Algeria Morocco and Egypt Using numerous case studies this book helps to define how complex the question of independence is today

The News of the World: Stories Ron Carlson, 1987-01-17 These stories come at us from every direction They are Ron Carlson's response to the eighties the stories we will want by our sides as the decade ends Whether it is a husband trying to bring his marriage back together or Bigfoot finally coming forward Carlson's characters speak with radical honesty that is disarming They are the men and women all around us who open the refrigerator at two in the morning and see the faces of missing children on the milk carton The world is a large dose sometimes and they wonder whether they can measure up to its danger and its magic

International News Agencies Michael B. Palmer, 2020-01-02 International news agencies such as Reuters the Associated Press and Agence France Presse have long been unsung heroes of the media sphere From the mid nineteenth century in Britain the US France and to a lesser extent Germany a small number of agencies have fed their respective countries with international news reports They informed governments businesses media and indirectly the general public They helped define news Drawing on years of archival research and first hand experience of major news agencies this book provides a comprehensive history of the leading news agencies based in the UK France and the USA from the early 1800s to the present day It retraces their relations with one another with competitors and clients and the types of news information and data they collected edited and transmitted via a variety of means from carrier pigeons to artificial intelligence It examines the sometimes colourful biographies of agency newsmen and the rise and fall of news agencies as markets and methods shifted concluding by looking to the future of the organisations

The Globalization of News Oliver Boyd-Barrett, Terhi Rantanen, 1998-10-28 This book overviews and reconsiders media organizations the news agencies which report and film the news for the press and broadcast media Incorporating institutional historical political economic

and cultural studies perspectives the book reviews agency provision of general news video news and financial news analyzes agency state relations through periods of dramatic social upheaval and critically examines the impact of deregulation and globalization on the news agency business Contributors consider how leading players like Reuters and Associated Press help to define the nature of both the Global and the Local as well as focusing on the network of relations between international and national agencies The book **News Letter** United States. Department of State,1967 Paris and its environs David Bogue,1855 *Getting the Picture* Jason E. Hill,Vanessa R. Schwartz,2020-09-08 Powerful and often controversial news pictures promise to make the world at once immediate and knowable Yet while many great writers and thinkers have evaluated photographs of atrocity and crisis few have sought to set these images in a broader context by defining the rich and diverse history of news pictures in their many forms For the first time this volume defines what counts as a news picture how pictures are selected and distributed where they are seen and how we critique and value them Presenting the best new thinking on this fascinating topic this book considers the news picture over time from the dawn of the illustrated press in the nineteenth century through photojournalism s heyday and the rise of broadcast news and newsreels in the twentieth century and into today s digital platforms It examines the many kinds of images sport fashion society celebrity war catastrophe and exoticism and many mediums including photography painting wood engraving film and video Packed with the best research and full colour illustrations throughout this book will appeal to students and readers interested in how news and history are key sources of our rich visual culture **Agreeable News from Persia** D.T. Potts,2022-09-06 Eighteenth and nineteenth century European British and American newspapers constitute a rich and largely untapped source of contemporary often eyewitness accounts of historical events and opinions concerning Iran from the late Safavid 1712 through the Qajar c 1797 1920 period This study collects and annotates thousands of articles published in the Colonial and early Republican American newspapers from the first mention of events in Persia in the American press 1712 to the death of Mohammad Shah 1848 unlocking for the first time a wealth of information on Iran and its place in the world during the 18th and early 19th century

Symbols, the News Magazines and Martin Luther King Richard Lentz, 1999-03-01 More than two decades after his death Martin Luther King Jr remains America s preeminent symbol of the civil rights movement In the early years of the movement King advocated a policy of nonviolent resistance to the racism ingrained in American society In later years however King adopted a more militant stance toward racial and other forms of injustice In this innovative book Richard Lentz considers King as a cultural symbol from the Montgomery bus boycott of 1955 1956 to the Poor People s Campaign which King helped organize shortly before his assassination in 1968 In particular Lentz examines the ways the three major news weeklies Newsweek Time and U S News World Report presented King to their readers It is primarily through media institutions that Americans shape and interpret their values Newsweek Time and U S News though representing different shadings of political ideology ranging from left of center to conservative were all aimed at the same audience middle class Americans Therefore their influence on the nation s values during a period of enormous social upheaval was significant In the mid 1960s when King shifted from reform to radicalism the news magazines were thrust into what Lentz calls a crisis of Symbols because King no longer fit the symbolic mold the magazines had created for him Lentz investigates how the magazines responded to this crisis discussing the ways in which their analyses of King shifted over time and the means they employed to create a new symbolic image that made sense of King s radicalization for readers This is an important perceptive study of Martin Luther King Jr s career and an astute critical analysis of the reporting practices of the news media in the modern era

The Paris Library Janet Skeslien Charles, 2024-03-12 The instant New York Times and 1 Globe and Mail bestseller based on the true story of the heroic

librarians at The American Library in Paris during World War II Paris 1939 Young and ambitious Odile Souchet seems to have the perfect life with her handsome police officer beau and a dream job at The American Library in Paris When the Nazis march into the city Odile stands to lose everything she holds dear including her beloved library Together with her fellow librarians Odile joins the Resistance with the best weapons she has books But when the war finally ends Odile tastes the bitter sting of unspeakable betrayal Montana 1983 Lily is a lonely teenager intrigued by the air of mystery about her elderly solitary neighbor from Paris As Lily uncovers hints about her past she finds that they share a love of language and books never suspecting that a dark secret connects the two Based on the true story of The American Library in Paris The Paris Library is a mesmerizing and captivating novel about the power of books and the bonds of friendship and the ordinary heroes who can be found in the most perilous times and the quietest places Real News about the News Kenneth

Newton,2024-02-01 What role does the media play in British politics There is growing concern that the media environment is biased and that online news and social media spread fake news conspiracy theories propaganda and foreign interference Examining TV radio newspapers and the internet Kenneth Newton unravels the real effects of the mainstream and alternative news media With abundant evidence Newton demonstrates that contrary to popular belief newspapers neither win nor lose elections nor set election agendas most citizens have a fairly mixed news diet and do not inhabit echo chambers social media influences on political attitudes are generally small and actually expand the range of news people get impartial and reliable public service news still provides the bulk of the nation s news diet Evidence shows that the main media effects on political attitudes and behaviour are positive and inform and mobilise citizens rather than influencing their voting choice The

News from Spain Joan Wickersham,2012-10-09 The author of the acclaimed memoir The Suicide Index returns with a virtuosic collection of stories each a stirring parable of the power of love and the impossibility of understanding it Spanning centuries and continents from eighteenth century Vienna to contemporary America Joan Wickersham shows with uncanny exactitude how we never really know what s in someone else s heart or in our own *Paris Universal Exhibition of 1867.
