

THE NIXONS

An American Family

A unique chronicle of an American family. Seven generations of Nixons, as well as Milhouses, figure in this story—from James, who came from Ireland, his sons who marched with Washington in the Revolution, and their descendants who fought our wars, farmed our lands and moved westward as the country expanded, to Richard Milhous Nixon, our thirty-seventh President.

Edwin P. Hoyt

The Nixons An American Family

Heath Hardage Lee

The Nixons An American Family:

The Nixons: an American Family Edwin Palmer Hoyt,1972 James Nixon was born 16 May 1690 in Ireland He emigrated in 1731 and settled in Delaware He married Mary and they had six children He died in 1775 Former United States President Richard Milhous Nixon is a direct descendant of James Nixon Descendants and relatives lived mainly in Delaware Pennsylvania Ohio and California Includes Milhous and related families

The Nixons: an American Family Edwin Palmer Hoyt,1972 James Nixon was born 16 May 1690 in Ireland He emigrated in 1731 and settled in Delaware He married Mary and they had six children He died in 1775 Former United States President Richard Milhous Nixon is a direct descendant of James Nixon Descendants and relatives lived mainly in Delaware Pennsylvania Ohio and California Includes Milhous and related families

A Companion to Richard M. Nixon Melvin Small,2013-05-03 This companion offers an overview of Richard M Nixon s life presidency and legacy as well as a detailed look at the evolution and current state of Nixon scholarship Examines the central arguments and scholarly debates that surround his term in office Explores Nixon s legacy and the historical significance of his years as president Covers the full range of topics from his campaigns for Congress to his career as Vice President to his presidency and Watergate Makes extensive use of the recent paper and electronic releases from the Nixon Presidential Materials Project

The White House Family Cookbook Henry Haller,Virginia Aronson,1987 More than 250 First Family recipes a historic treasury of American cooking Chef Haller entertains with tidbits of presidential lore and his memories of life upstairs and down 8 pages of color photos

Nixon's First Cover-up H. Larry Ingle,2015-07-07 Have you ever thought you completely knew a story inside and out only to see some new information that shatters what you had come to accept as unquestioned fact Well Richard Nixon is that story and Nixon s First Cover up is that new information With few exceptions the religious ideologies and backgrounds of U S presidents is a topic sorely lacking in analysis H Larry Ingle seeks to remedy this situation regarding Nixon one of the most controversial and intriguing of the presidents Ingle delves more deeply into Nixon s Quaker background than any previous scholar to observe the role Nixon s religion played in his political career Nixon s unique and personally tailored brand of evangelical Quakerism stayed hidden when he wanted it to but was on display whenever he felt it might help him advance his career in some way Ingle s unparalleled knowledge of Quakerism enables him to deftly point out how Nixon bent the traditional rules of the religion to suit his needs or in some cases simply ignored them entirely This theme of the constant contradiction between Nixon s actions and his apparent religious beliefs makes Nixon s First Cover up truly a groundbreaking study both in the field of Nixon research as well as the field of the influence of religion on the U S presidency Forty years after Nixon s resignation from office Ingle s work proves there remains much about the thirty seventh president that the American public does not yet know

Encyclopedia of American Family Names H. Amanda Robb,Andrew Chesler,1995 The definitive guide to the 5 000 most common surnames in the United States With origins variations rankings

prominent bearers and published genealogies *Reinventing Richard Nixon* Daniel Frick, 2023-04-21 Nixon is the One proclaimed his campaign paraphernalia Tricky Dick retorted his detractors From presidential savior for conservative America to bête noire for the political Left the Richard Nixon persona has worn many masks and labels In fiction and poetry and pop songs in television and film no other national political figure has so thoroughly saturated our public consciousness with so many contrasting images Focusing on the process of Nixon's continuous reinvention Daniel Frick reveals a figure who continues to expose key fault lines in the nation's self definition Drawing on references ranging from All in the Family to Zappa and the Mothers of Invention he shows how Nixon has become one of America's most durable and multifaceted icons in the ongoing and fierce debates over the import and meaning of the last sixty years of national life Examining Nixon's autobiographies and political memorabilia Frick offers far reaching perceptions not only of the man but of Nixon's version of himself contrasted with those who would interpret him differently He cites reinventions of Nixon from the late 1980s particularly the museum at the Richard Nixon Library and Birthplace to demonstrate the resilience of certain national mythic narratives in the face of liberal critiques And he recounts how celebrants at Nixon's state funeral at which Bob Dole's eulogy depicted a God fearing American hero attempted to bury the sources of our divisions over him rendering in some minds the judgment of redeemed statesman to erase his status as disgraced president With dozens of illustrations Nixon posing with Elvis the National Archives most requested photo Nixonian cultural artifacts classic editorial cartoons no other book collects in one place such varied images of Nixon from so many diverse media These reinforce Frick's probing analysis to help us understand why we disagree about Nixon and why it matters how we resolve our disagreements Whether your image of Nixon is shaped by his autobiography Six Crises Oliver Stone's surprisingly sympathetic film Nixon John Adams's landmark opera Nixon in China or by the saga of Watergate Reinventing Richard Nixon expands on all perspectives It shows how through these contradictory mythic stories we continue to reinvent much like Nixon himself our own sense of national identity **The Invincible Quest** Conrad Black, 2009-02-24 The Invincible Quest is an authoritative biography of one of the most accomplished and controversial leaders of the twentieth century Beginning with Richard Nixon's birth to Quaker parents in 1913 and ending with his death in 1994 Conrad Black traces Nixon's career assessing both his achievements and the evolution of popular and historical thinking about him since his death Drawing on recently opened tapes and documents and on Black's personal interviews with many of the major players in Nixon's administration The Invincible Quest reveals a new side of Nixon a man who didn't have the advantage of charisma but was surprisingly self assured and effective a man dogged by political scandal yet seemingly unstoppable Opinionated balanced and perceptive The Invincible Quest makes a significant contribution to re evaluating the idiosyncratic president's entire eventful career **All the Presidents' Women** John M. Berez, Ph.D., 1999-04 Having just completed a careful study of nearly a dozen different sexual styles Sexual Styles A Guide to Understanding Your Lover's Personality Humanics 1998 John Berez now applies this same analysis to the sexual

lives of the last ten American Presidents not from the viewpoint of an historian or tabloid journalist but as a clinical psychologist From the silhouette of our personality style emerges our sexual style through careful analysis of the personality styles and especially in their relationships with women All The Presidents Women probes the past and present inhabitants of the world s most powerful office with surprising results From President Truman through Bill Clinton Berecz provides a fascinating investigation into the lives loves and motivations of these influential men With depth and clarity All The Presidents Women presents answers to questions such as Did Bess Truman henpeck her husband Harry Was Jack Kennedy a wildly promiscuous playboy or did he just have a great capacity to love lots of women Was Lyndon Johnson indeed crude or was he putting on a wild west sideshow Did Nixon s paranoia extend beyond the press corps and other politicians and was he suspicious of everyone All the Presidents Women will engender new understanding of our presidents personalities their sexual styles and the women they have loved

Presidential Passions Michael John Sullivan,1992 An intimate and often shocking look at the true extramarital exploits of America s Presidents Beyond JFK s notorious philandering a proven national security danger surprising affairs of state involve presidents from LBJ to Eisenhower all the way back to Jefferson who kept a slave mistress and Washington Photographs

The New Conspiracy Reader Al Hidell,Joan D'Arc,2004 Ever wondered if you re being told the whole truth about supernatural phenomena new developments in biological and chemical warfare and atrocities like Heaven s Gate This all new anthology features thirty one provocative and engrossing articles from the pages of Paranoia the world s most popular and respected conspiracy journal For the first time you ll get the real story behind the important cultural and political events that shape our world Compelling controversial and featuring a wealth of documentation and sources The New Conspiracy Reader will convince you that the truth is indeed out there and may be stranger than you ever imagined Book jacket

Richard Nixon John A. Farrell,2018-02-06 From a prize winning biographer comes the defining portrait of a man who led America in a time of turmoil and left us a darker age We live today John A Farrell shows in a world Richard Nixon made At the end of WWII navy lieutenant Nick Nixon returned from the Pacific and set his cap at Congress an idealistic dreamer seeking to build a better world Yet amid the turns of that now legendary 1946 campaign Nixon s finer attributes gave way to unapologetic ruthlessness The story of that transformation is the stunning overture to John A Farrell s magisterial biography of the president who came to embody postwar American resentment and division Within four years of his first victory Nixon was a U S senator in six the vice president of the United States of America Few came so far so fast and so alone Farrell writes Nixon s sins as a candidate were legion and in one unlawful secret plot as Farrell reveals here Nixon acted to prolong the Vietnam War for his own political purposes Finally elected president in 1969 Nixon packed his staff with bright young men who devised forward thinking reforms addressing health care welfare civil rights and protection of the environment It was a fine legacy but Nixon cared little for it He aspired to make his mark on the world stage instead and his 1972 opening to China was the first great crack in the Cold War Nixon had another legacy too an

America divided and polarized He was elected to end the war in Vietnam but his bombing of Cambodia and Laos enraged the antiwar movement It was Nixon who launched the McCarthy era who played white against black with a southern strategy and spurred the Silent Majority to despise and distrust the country's elites Ever insecure and increasingly paranoid he persuaded Americans to gnaw as he did on grievances and to look at one another as enemies Finally in August 1974 after two years of the mesmerizing intrigue and scandal of Watergate Nixon became the only president to resign in disgrace Richard Nixon is a gripping and unsparing portrayal of our darkest president Meticulously researched brilliantly crafted and offering fresh revelations it will be hailed as a master work

The Arrogance of Power Anthony Summers, 2001-08-01 The controversial New York Times bestselling biography of America's most infamous president written by a master of investigative political reporting Anthony Summers's towering biography of Richard Nixon reveals a tormented figure whose criminal behavior did not begin with Watergate Drawing on more than a thousand interviews and five years of research Summers traces Nixon's entire career revealing a man driven by addiction to power and intrigue His subversion of democracy during Watergate was the culmination of years of cynical political manipulation Evidence suggests the former president had problems with alcohol and prescription drugs was mentally unstable and was abusive to his wife Pat Summers discloses previously unrevealed facts about Nixon's role in the plots against Fidel Castro and Salvador Allende his sabotage of the Vietnam peace talks in 1968 and his acceptance of funds from dubious sources The Arrogance of Power shows how the actions of one tormented man influenced 50 years of American history in ways still reverberating today Summers has done an enormous service The inescapable conclusion well body guarded by meticulous research and footnotes is that in the Nixon era the United States was in essence a rogue state It had a ruthless paranoid and unstable leader who did not hesitate to break the laws of his own country Christopher Hitchens The New York Times Book Review A superbly researched and documented account the last word on this dark and devious man Paul Theroux

Richard M. Nixon Conrad Black, 2008-10-23 From the late 1940s to the mid 1970s Richard Nixon was a polarizing figure in American politics admired for his intelligence savvy and strategic skill and reviled for his shady manner and cutthroat tactics Conrad Black whose epic biography of FDR was widely acclaimed as a masterpiece now separates the good in Nixon his foreign initiatives some of his domestic policies and his firm political hand from the sinister in a book likely to generate enormous attention and controversy Black believes the hounding of Nixon from office was partly political retribution from a lifetime's worth of enemies and Nixon's misplaced loyalty to unworthy subordinates and not clearly the consequence of crimes in which he participated Conrad Black's own recent legal travails though hardly comparable have undoubtedly given him an unusual insight into the pressures faced by Nixon in his last two years as president and the first few years of his retirement

Character in Chief: The Personality and Character of Current and Past Presidents John M. Berez, Ph.D., 2000-12 Using analytic skills honed to a sharp edge with years of psychotherapy experience John Berez explores such contemporary issues as Was Nixon

a wife beater Was Dubya smart enough to be president Is Gore too uptight to lead the free world Did the 2000 election boil down to a choice between personality and competence Skillfully Berecz explores the relationship between character and personality helping the reader understand how a man with the moral integrity of Jimmy Carter could bungle the presidency and a man like Clinton with so little character could manage it so successfully Drawing on three decades of teaching and therapy Berecz burrows beneath the surface of personality and character to reveal the real person working in the Oval Office With penetrating insight and concise writing the author acquaints the reader with the real people behind the pageantry of the presidency This book clearly disentangles the contradictions of Bill Clinton's presidency by examining his split personality Berecz explains and clinically documents Clinton's dual personalities a sociopathic personality Slick Willy and a codependent personality Baptist Billy Resulting from Clinton's two world childhood these personalities are only loosely connected and operate serially to control his behavior Like many adult children of alcoholics ACA Clinton seeks by turn to please or to manipulate Baptist Billy told voters I feel your pain and he did but Slick Willy said he didn't inhale and didn't have sex with that woman Character in Chief is must reading for anyone interested in politics in general and the presidency in particular With fairness and compassion Berecz will lead you to a deeper understanding of our great democracy and the people who lead it

First Fathers Harold I. Gullan, 2004-04-01 A compelling introduction to the fathers of America's presidents After so much literature about first ladies and first families here finally is a fascinating book focused on the fathers of our presidents This lively and entertaining account of 44 disparate men reveals how they inspired motivated and influenced sons who ultimately ascended to the presidency They include two who were themselves presidents John Adams and George H W Bush as well as two stepfathers those of Gerald Ford and Bill Clinton First Fathers captures the whole range of the American experience from utter destitution to immense wealth from enormous success to abject failure unified by a common thread the restless ambitious quintessentially American pursuit of happiness Harold I Gullan PhD Philadelphia PA is a distinguished presidential scholar and the author of the highly praised Faith of Our Mothers on the mothers of American presidents and The Upset That Wasn't on the dramatic 1948 election

The Mysterious Mrs. Nixon Heath Hardage Lee, 2024-08-06 A new revolutionary look into the brilliant life of Pat Nixon In America's collective consciousness Pat Nixon has long been perceived as enigmatic She was voted Most Admired Woman in the World in 1972 and made Gallup Poll's top ten list of most admired women fourteen times She survived the turmoil of the Watergate scandal with her popularity and dignity intact The real Pat Nixon however bore little resemblance to the woman so often described as elusive mysterious and plastic in the press Pat married Richard Nixon in June of 1940 As the couple rose to prominence Pat became Second Lady from 1953 1961 and then First Lady from 1969 1974 forging her own graceful path between the protocols of the strait laced mid century and the bra burning Sixties and Seventies Pat was a highly travelled First Lady visiting eighty three countries during her tenure After a devastating earthquake in Peru in 1970 she personally flew in medical supplies and food to hard hit

areas meeting one on one with victims of the tragedy The First Lady's 1972 trips with her husband to China and to Russia were critical to the detente that resulted Back in the US Pat greatly expanded upon previous preservation efforts in the White House obtaining more art and antique objects than any other First Lady In the domestic arena she was progressive on women's issues favoring the Equal Rights Amendment and backing a targeted effort to get more women into high level government jobs Pat strongly supported nominating a woman for the Supreme Court She was pro choice supporting women's reproductive rights publicly even before the landmark Roe v Wade case in 1973 When asked to define her signature First Lady agenda she defied being put into a box often saying People are my project The Mysterious Mrs Nixon Heath Hardage Lee presents readers with the essential nature of this First Lady an empathetic adventurous self made woman who wanted no power or influence but who connected warmly with both ordinary Americans and people from different cultures she encountered world wide

Richard Nixon Hal Bochyn,1990-01-19 Although much has been written about Richard Nixon the man and the politician comparatively little attention has been paid to Nixon the public speaker This is unfortunate because it was through public speaking that Nixon an introverted private man first captured public attention won a seat in the House of Representatives advanced to the Senate held on to his vice presidential nomination lost and won the presidency and eventually molded a constituency that carried him to one of the most overwhelming presidential election victories in American history It was also through public speaking that President Nixon attempted to defend himself against charges related to the Watergate incident and sought to save himself from impeachment When his rhetorical efforts failed to rouse popular support he had no choice but to resign This volume examines the combination of personal characteristics and artistic choices that made Richard M Nixon a successful albeit extremely controversial public speaker from 1946 to the present Based on Nixon's own writings primary materials found in special collections a number of rhetorical studies by communication scholars and historical case studies the most complete picture yet of Nixon as a rhetorical strategist emerges The study of Nixon's rhetoric is the study of many important issues from the alleged threat of subversive communism to Vietnam to Watergate confronting America from 1946 to 1974 It is also the study of the man himself because Nixon took an active role in the composition of all his important addresses That both the highs and lows of Richard Nixon's career were marked by public address makes the rhetoric of Richard Nixon a worthy subject for anyone interested in political science history or communication and persuasion

Nixon Volume I Stephen E. Ambrose,2014-03-18 From acclaimed biographer Stephen E Ambrose comes the life of one of the most elusive and intriguing American political figures Richard M Nixon From his difficult boyhood and earnest youth to his ruthless political campaigns for Congress and Senate to his defeats in 60 and 62 Richard Nixon emerges life size in all his complexity New York Times bestselling author Stephen Ambrose charts the peaks and valleys of Nixon's first fifty years his critical support as a freshman congressman of the Truman Doctrine and the Marshall Plan his involvement in the House Committee on Un American Activities his aggressive pursuit of Alger Hiss his

ambivalent relationship with Eisenhower and more It is the consummate biography and a stunning political odyssey
Senators of the United States ,1995

The Nixons An American Family Introduction

In today's digital age, the availability of The Nixons An American Family books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Nixons An American Family books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Nixons An American Family books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Nixons An American Family versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Nixons An American Family books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Nixons An American Family books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Nixons An American Family books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Nixons An American Family books and manuals for download

have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Nixons An American Family books and manuals for download and embark on your journey of knowledge?

FAQs About The Nixons An American Family Books

1. Where can I buy The Nixons An American Family books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Nixons An American Family book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
