## **The Noble Generation Stories Of The American Experience:**

*American Media and the Memory of World War II* Debra Ramsay, 2015-02-11 For three generations of Americans World War II has been a touchstone for the understanding of conflict and of America's role in global affairs But if World War II helped shape the perception of war for Americans American media in turn shape the understanding and memory of World War II Concentrating on key popular films television series and digital games from the last two decades this book explores the critical influence World War II continues to exert on a generation of Americans born over thirty years after the conflict ended It explains how the war was configured in the media of the wartime generation and how it came to be repurposed by their progeny the Baby Boomers In doing so it identifies the framework underpinning the mediation of World War II memory in the current generation's media and develops a model that provides insight into the strategies of representation that shape the American perspective of war in general The American Experience in World War II: The atomic bomb in history and memory Walter L. Hixson, 2003 World War II changed the face of the United States catapulting the country out of economic depression political isolation and social conservatism Ultimately the war was a major formative factor in the creation of modern America This unique twelve volume set provides comprehensive coverage of this transformation in its domestic policies diplomatic relations and military strategies as well as the changing cultural and social arenas The collection presents the history of the creation of a super power prior to during and after the war analyzing all major phases of the U S involvement making it a one stop resource that will be essential for all libraries supporting a history curriculum This volume is available on its own or as part of the twelve volume set *The American Experience in World War II* For a complete list of the volume titles in this set see the listing for *The American Experience in World War II* ISBN 0 415 94028 1 **The American Experience in Vietnam** Grace Sevy, 1991-07-01 Essays discuss America's strategy during the Vietnam War what it was like to fight there the role of the press the antiwar movement and American guilt over the war **American History Goes to the Movies** W. Bryan Rommel Ruiz, 2011-01-26 Whether they prefer blockbusters historical dramas or documentaries people learn much of what they know about history from the movies In *American History Goes to the Movies* W Bryan Rommel Ruiz shows how popular representations of historic events shape the way audiences understand the history of the United States including American representations of race and gender and stories of immigration especially the familiar narrative of the American Dream Using films from many different genres *American History Goes to the Movies* draws together movies that depict the Civil War the Wild West the assassination of JFK and the events of 9 11 from *The Birth of a Nation* and *Gone with the Wind* to *The Exorcist* and *United 93* to show how viewers use movies to make sense of the past addressing not only how we render history for popular enjoyment but also how Hollywood's renderings of America influence the way Americans see themselves and how they make sense of the world Feminist Waves, Feminist Generations Hokulani K. Aikau, Karla A. Erickson, Jennifer L. Pierce, 2007 *Feminist Waves Feminist Generations* challenges the static figuring of feminist generations

that positions the second wave of feminist scholars against a homogeneous third wave Based on life stories from contemporary feminist scholars this volume emphasizes how feminism develops unevenly over time and across institutions and ultimately offers a new paradigm for theorizing the intersections between generations and feminist waves of thought Contributors Sam Bullington U of Missouri Susan Cahn SUNY Buffalo Dawn Rae Davis U of Minnesota Lisa J Disch U of Minnesota Sara Evans U of Minnesota Elizabeth Faue Wayne State U Roderick A Ferguson U of Minnesota Peter Hennen Ohio State U at Newark Wendy Leo Moore Texas A Toni McNaron U of Minnesota Jean M O'Brien U of Minnesota Felicity Schaeffer Grabel U of California Santa Cruz Anne Firor Scott Duke U Janet D Spector U of Minnesota Amanda Lock Swarr U of Washington Seattle Miglena Todorova U of Minnesota Hokulani K Aikau is assistant professor of indigenous politics in the department of political science at the University of Hawai'i at Manoa Karla A Erickson is assistant professor of sociology at Grinnell College Jennifer L Pierce is associate professor of American studies at the University of Minnesota

**The Irish-American Experience in New Jersey and Metropolitan New York** Maura Grace Harrington, Marta Deyrup, 2013-11-29 This book is a collection of nine essays exploring the Irish American experience in the New Jersey and New York metropolitan area both historically and today The essays place the local Irish American experience in the wider context of immigration studies assimilation and historical theory Using case studies interviews scholarly research in primary historical documents and theory and first hand experience the authors delve into what it has meant and means to be Irish American in the New Jersey and New York area projecting what this ethnic identity will signify in years to come Representing a variety of scholarly and professional disciplines from archivists to historians to lawyers to scholars of literature and theology the authors share their own unique perspectives on the significance of the contributions of Irish Americans to American life in various arenas Each chapter is interdisciplinary revealing the interconnections among cultural history biography contemporary events and literary appreciation It is through these intersections of disciplines of past and present of individual and community that we can best analyze and appreciate the ways that Irish Americans have shaped life in the New Jersey New York area over the past two centuries Myth and the American Experience Nicholas Cords, Patrick Gerster, 1991

Myths have a dual nature They are on the one hand stories works of fancy and falsehood Yet in the stories a society tells about itself there are clearly psychological truths every bit as revealing as the facts In this very duality myths often reflect the nuances and conflicts of a living changing society in ways that accepted academic history cannot Here students of American society will discover a fascinating counterpart to the history portrayed in standard texts More than ever Myth and the American experience proves that through myths we can better understand as well as express our collective desires dreams and values Back cover **American Holy Days, Second Edition** Boardman W. Kathan, 2023-11-30 Our national holidays have been trivialized by merchandising consumerism and long weekends What do you know about the origins of the national holidays of the United States Boardman Kathan presents the persons and events that each of our holy

days commemorates In so doing he explores the shaping of American history and identity revealing often misunderstood parts of our national story from a new approach Each chapter looks at the many books and research written about the events commemorated by these holidays showing their relevance for today Kathan includes discussion of the spiritual or religious dimensions of these national observances pointing out that although the United States was not founded as a Christian nation on biblical principles people throughout American history have perceived a divine guidance or what George Washington called providential care This book reflects back on the original meaning of these days and seeks to inspire renewed forms of celebration commemoration and observance Celebrating patriotic holidays can bring us together as a people especially in times of stress and conflict Schools religious institutions patriotic organizations readers interested in history in short the general public will find this an enjoyable aid for recalling our history reclaiming our values and traditions and restoring a sense of community

**Puritanism and the American Experience** Michael McGiffert, 1969 Great North American Stage Directors Volume 7 James Peck, 2024-01-25 This volume focuses on three artists who embrace media and technology as essential elements of their theatrical expression Elizabeth LeCompte Ping Chong and Robert Lepage Diverse in their aesthetic interests they nevertheless share an approach to directing that includes technological media on stage as central to a rigorously crafted production concept Technological elements live alongside and negotiate with the theatre's human players disclosing shaping and even intruding on the dramas they enact The essays in this volume explore how all three directors have provided decisive responses to a question that has dogged the theatre for at least the last century what relationship can theatre an art form grounded in live ephemeral expression have to technology The Great North American Stage Directors series provides an authoritative account of the art of directing in North America by examining the work of twenty four major practitioners from the late 19th century to the present Each of the eight volumes examines three directors and offers an overview of their practices theoretical ideas and contributions to modern theatre The studies chart the life and work of each director placing his or her achievement in the context of other important theatre practitioners and broader social history Written by a team of leading experts the series presents the genealogy of directing in North America while simultaneously chronicling crucial trends and championing contemporary interpretation

*Seasoned Authors for a New Season* Louis Filler, 1980 This collection of essays probes the values in a variety of authors who have had in common the fact of popularity and erstwhile reputation Why were they esteemed Who esteemed them And what has become of their reputations to readers to the critic himself No writer here has been asked to justify the work of his subject and reports and conclusions about this wide variety of creative writers vary sometimes emphasizing what the critic believes to be enduring qualities in the subject in several cases finding limitations in what that writer has to offer us today
