The Norsemen Hélène Adeline Guerber,1993 *Norsemen* H. A. Guerber,1988-03 The myths of the Norsemen are darkly romantic heroic and tragic For sheer adventure and high drama they are without equal These stirring tales are as powerful now as they were a thousand years ago Less well known are the stories themselves stories with all the classic qualities of a long lost age valor nobility and a triumphant greatness of spirit These were the human attributes the medieval Norsemen admired most What dazzling inspirations for young Viking warriors must these tales have been vividly told beside blazing fires on dark and frozen nights The preservation of these myths from the oral tradition to the prose sagas that have been handed down to us owes much to the Norse colonization of Iceland On these northerly shores the learned men who were proud of their pagan past adapted the art of storytelling to the written word This book provides an enjoyable digest of these ancient sagas along with a running commentary and an invaluable glossary of a multitude of characters Publisher description Myths of the Norsemen H. A. Guerber,2019-01-09 Myths of the Norsemen From the Eddas and Sagas by H A Guerber A collection of myths that tell of the creation of the world the deeds of such gods and heroes as Odin Thor and Siegfried the machinations of the evil Loki and more Entertaining and readable these tales present the ancient Germanic and Scandinavian myths that have helped shape literature H A Geuerber s The Myths of the Norsemen is a classic collection of stories retold from Norse mythology Beginning with the Norse myth of creation and following through the sagas of more than twenty gods heroes and villains The Myths of the Norsemen recounts the rich mythological tradition of the Norse people Of the more familiar characters in this collection one might immediately recognize the stories of Odin and Thor These stories are brought together with less familiar Norse myths Readers both young and old will delight in these classic tales of adventure and fantasy *MYTHS AND LEGENDS OF THE NORSE* HENRY ROMANO,2021-03-06 Once there was another Sun and another Moon a different Sun and a different Moon from the ones we see now Sol was the name of that Sun and Mani was the name of that Moon Nevertheless always behind Sol and Mani wolves went a wolf behind each The wolves caught on them at last and they devoured Sol and Mani And then the world was in darkness and cold In those times the Gods lived Odin and Thor H dur and Baldur Tyr and Heimdall Vidar and Vali and Loki the doer of a good doer of evil Moreover the beautiful Goddesses lived then Frigga Freya Nanna Iduna and Sif Nevertheless in the days when the Sun and Moon were destroyed the Gods were destroyed too all the Gods except Baldur who had died before that time Vidar and Vali the sons of Odin and Modi and Magni the sons of Thor At that time too there were men and women in the world However before the Sun and the Moon were devoured and before the Gods were destroyed terrible things happened in the world Snow fell on the four corners of the earth and kept on falling for three seasons Winds came and blew everything away Moreover the people of the world who had lived on despite the snow and the cold and the winds fought each other brother killing brother until all the people were destroyed *Myths of the Norsemen* Hélène Adeline Guerber,1919 Myths of the Norsemen Roger Lancelyn
