The Notebooks 1944:

The Notebooks 1944 Maria Valtorta, 1998 Wittgenstein's Secret Diaries Dinda L. Gorré, 2020-02-06 Ludwig Wittgenstein's works encompass a huge number of published philosophical manuscripts notebooks lectures remarks and responses as well as his unpublished private diaries The diaries were written mainly in coded script to interpolate his writings on the philosophy of language with autobiographic passages but were previously unknown to the public and impossible to decode without learning the coding system This book deciphers the cryptography of the diary entries to examine what Wittgenstein's personal idiom reveals about his public and private identities Employing the semiotic doctrine of Charles S Peirce Dinda L Gorré argues that the style of writing reflects the variety of Wittgenstein's emotional moods which were profoundly affected by his medical symptoms Bringing Peirce's reasoning of abduction together with induction and deduction the book investigates how the semiosis of the emotional energetic and logical interpretations of signs and objects reveal Wittgenstein's psychological states in the coded diaries *On Diary* Philippe Lejeune, 2009-04-30 *On Diary* is the second collection in English of the groundbreaking and profoundly influential work of one of the best known and provocative theorists of autobiography and diary Ranging from the diary's historical origins to its pervasive presence on the Internet from the spiritual journey of the sixteenth century to the diary of Anne Frank and from the materials and methods of diary writing to the question of how diaries end these essays display Philippe Lejeune's expertise eloquence passion and humor as a commentator on the functions practices and significance of keeping or reading a diary Lejeune is a leading European critic and theorist of diary and autobiography His landmark essay *The Autobiographical Pact* has shaped life writing studies for more than thirty years and his many books and essays have repeatedly opened up new vistas for scholarship As Michael Riffaterre notes Lejeune's work on autobiography is the most original powerful effective approach to a difficult subject His style is very personal lively It grabs the reader as scholarship rarely does Lejeune's erudition and methodology are impeccable Two substantial introductory essays by Jeremy Popkin and Julie Rak place Lejeune's work within its critical and theoretical traditions and comment on his central importance within the fields of life writing literary genetic studies and cultural studies *Northrop Frye's Notebooks on Romance* Northrop Frye, 2004-01-01 Romance was a theme that ran through much of Northrop Frye's corpus and his notebooks and typed notes on the subject are plentiful This unpublished material written between 1944 and 1989 traces a remarkable re-evaluation in his thinking over the course of time As a young scholar Frye insisted that romance was an expression of cultural decadence however in his later years he thought of it as the structural core of all fiction The unpublished material Michael Dolzani has gathered for *Northrop Frye's Notebooks on Romance* shows how the pattern and conventions of romance inform the writing of history anthropology psychology philosophy and theology While Frye is best known for his writing on myth and biblical scholarship he himself eventually conceived of romance as the true and equal contrary to myth and scripture a secular scripture whose message is

de te fabula this story is about you Given the current popular revival of romance in fiction and film the appearance of Frye s unpublished work on romance is of profound importance **The Contemporary Theatre, 1923-1944-45** James Agate, 1924 Collection of weekly articles which have appeared in the Saturday review and the Sunday times Pref **Subterranean** Kerouac Ellis Amburn, 1999-11-29 Drawing upon original interviews and his own relationship with Kerouac Ellis Amburn reveals an inner Kerouac who has not appeared in any previous biography a man torn by his conflicting desires and beliefs When the furor over Amburn s controversial discoveries subsides this will be the work to which Kerouac fans and scholars turn in the future An absorbing story at once exhilarating and ineffably sad New York Times Book Review **D-Day, 1944** Theodore A. Wilson, 1994 Readers may be astonished at how much scholarly digging and the release of once secret information have transformed the history of this campaign At times it seems like a whole new war New York Times Book Review **The War Beat, Pacific** Steven Casey, 2021-04-05 The War Beat Pacific is the first book to use a wealth of previously untapped documents to provide a comprehensive account of the reporting of the war against Japan from Pearl Harbor and Bataan through Midway and Guadalcanal Tarawa and Saipan Leyte and Luzon Iwo Jima and Okinawa to Hiroshima and Nagasaki **The Memory of Pain** Camila Loew, 2011 In this book Camila Loew analyzes four women s testimonial literary writings on the Holocaust to examine and question some of the tenets of the fields of Holocaust studies gender studies and testimony Through a close reading of the works of Charlotte Delbo Margarete Buber Neumann Ruth Kluger and Marguerite Duras Loew foregrounds these authors search for a written form to engage with their experiences of the extreme Although each chapter contains its individual focus and features the book possesses a unity in intention concerns and consequences In the theoretical introduction that unites the four chapters Loew eschews essentialism and revises the emergence of the field of Women and Holocaust studies from the early 1980s on and signals some of its shortcomings In response and in accordance with a recent turn in various disciplines of the Humanities Loew highlights the ethical dimension of testimony and its responsible commitment to the other In dealing with the texts as literary testimonies a complex genre between literature and history testimony is freed from the obligation to respond to the requirements of factual truth and becomes a privileged form to voice the traumatic event and to symbolically explore the role of excess **Roosevelt's Lost Alliances** Frank Costigliola, 2013-02-24 This study brings to light key overlooked documents such as the Yalta diary of Roosevelt s daughter Anna the intimate letters of Roosevelt s de facto chief of staff Missy LeHand and the wiretap transcripts of estranged advisor Harry Hopkins The book lays out a new approach to foreign relations history **Alva and Gunnar Myrdal** Thomas Etzemüller, 2014-07-29 As two of the leading social scientists of the twentieth century Alva and Gunnar Myrdal tried to establish a harmonious organic Gemeinschaft community in order to fight an assumed disintegration of modern society By means of functionalist architecture and by educating sensible citizens disciplining bodies and reorganizing social relationships they attempted to intervene in the lives of ordinary men The paradox of this task was to modernize

society in order to defend it against an ambivalent modernity This combination of Weltanschauung world view social science and technical devices became known as social engineering The Myrdals started in the early 1930s with Sweden and then chose the world as their working field In 1938 Gunnar Myrdal was asked to solve the negro problem in the United States and in the 1970s Alva Myrdal campaigned for the world s super powers to abolish all of their nuclear weapons The Myrdals successfully established their own modern American marriage as a media image and role model for reform Far from perfect their marriage was disrupted by numerous conflicts mirrored in thousands of private letters This marital conflict propelled their urge for social reform by exposing the need for the elimination of irrational conflicts from everyday life A just society according to the Myrdals would merge social expertise with everyday life and ordinary men with the intellectually elite Thomas Etzem ller s study of these two figures brings to light the roots of modern social engineering providing insight for today s sociologists historians and political scholars [George Berkeley: Oxford Bibliographies Online Research Guide](#) Oxford University Press,2010-06-01 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related This ebook is a static version of an article from Oxford Bibliographies Online Philosophy a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study Philosophy Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.oxfordbibliographies.com *Japanese War Crimes and Related Topics: A Guide to Records at the National Archives* United States.
