The Nurse On Dark Island:

The Nurse on Dark Island Teresa Holloway, 1969 *The Dark Island* Benjamin Kingsbury, 2019-11-04 From 1906 to 1925 Quail Island in Lyttelton Harbour was the site of New Zealand's leprosy colony. The colony began by accident as it were after the discovery of a leprosy sufferer in Christchurch. As further patients arrived from across the country it grew into a controversial and troubled institution an embarrassment to the Health Department an object of pity to a few a source of fear to many. This remarkable narrative reveals a little known aspect of New Zealand's past shedding light on the treatment of some of society's most marginal unfortunate and isolated people. Written in lucid compelling prose *The Dark Island* heralds the arrival of a significant historical voice *The Book Lover's Guide to Florida* Kevin M. McCarthy, 1992 Here is the book lover's literary tour of Florida an exhaustive survey of writers books and literary sites in every part of the state. The state is divided into ten areas and each one is described from a literary point of view. You will learn what authors lived in or wrote about a place which books describe the place what important movies were made there even the literary trivia which the true Florida book lover will want to know. You can use the book as a travel guide to a new way to see the state as an armchair guide to a better understanding of our literary heritage or as a guide to what to read next time you head to a bookstore or library. Publisher ***The Nurse's Secret*** Amanda Skenandore, 2022-06-28 A young female grifter in 1880s New York cons her way into America's first nursing school but a spate of unexplained murders follows in her wake. A spellbinding story a vividly drawn setting and characters that leap off the pages. This is historical fiction at its finest. Sara Ackerman USA Today bestselling author of *The Codebreaker's Secret*. Based on Florence Nightingale's nursing principles Bellevue is the first school of its kind in the country. Where once nurses were assumed to be ignorant and unskilled Bellevue prizes discipline intellect and moral character and only young women of good breeding need apply. At first Una balks at her prim classmates and the doctors' endless commands. Yet life on the streets has prepared her for the horrors of injury and disease found on the wards and she slowly gains friendship and self respect. Just as she finds her footing Una's suspicions about a patient's death put her at risk of exposure and will force her to choose between her instinct for self preservation and exposing her identity in order to save others. Amanda Skenandore brings her medical expertise to a page turning story that explores the evolution of modern nursing including the grisly realities of nineteenth century medicine as seen through the eyes of an intriguing and dynamic heroine *The Dark Side of New York Life and Its Criminal Classes* Gustav Lening, 1873 *Dark Path* Melissa F. Miller, 2017-09-07 Practicing Buddhist and retired forensic pathologist Bodhi King seeks peace. But death keeps finding him. Healthy residents of a ritzy assisted living facility are dying in the middle of the night their faces frozen in terror. Bodhi arrives on Golden Island to find a community gripped by fear. And beneath the surface conflict simmers.
