The October Revolution:

October Revolution (1917-1918). , Features a timeline of events leading up to the October Revolution 1917 1918 in Russia Includes photographs and images of documents and other items Links to timelines relating to other parts of Russian history **October Revolution In Russia** Opal Spitzer,2021-07-29 The Russian Revolution was a period of political and social revolution that took place in the former Russian Empire and began during the First World War Commencing in 1917 with the fall of the House of Romanov and concluding in 1923 with the Bolshevik establishment of the Soviet Union at the end of the Russian Civil War the Russian Revolution was a series of two revolutions the first of which overthrew the imperial government and the second placed the Bolsheviks in power This book examines the history of some of the 20th century s most seminal events Along with pictures depicting important people places and events you will learn about the Russian Revolution like never before *The October Revolution in Prospect and Retrospect* John Eric Marot,2012-06-08 John Marot tracks the development of Bolshevism from its inception in 1904 to the October Revolution in 1917 In the post October period the author drawing on the work of Robert Brenner shows that any NEP premised programme of economic advance was destined to fail The October Revolution: Before and After Edward Hallett Carr,1969 London ed Macmillan has title 1917 before and after Bibliographical footnotes *The October Revolution of 1917* W. A. Townsley,1967 *Revolution Of 1917* Kimberly Kibby,2021-07-29 The Russian Revolution was a period of political and social revolution that took place in the former Russian Empire and began during the First World War Commencing in 1917 with the fall of the House of Romanov and concluding in 1923 with the Bolshevik establishment of the Soviet Union at the end of the Russian Civil War the Russian Revolution was a series of two revolutions the first of which overthrew the imperial government and the second placed the Bolsheviks in power This book examines the history of some of the 20th century s most seminal events Along with pictures depicting important people places and events you will learn about the Russian Revolution like never before **The October Revolution** Roy Aleksandrovich Medvedev,Harrison Evans Salisbury,1985 A controversial retelling of the events in the early part of the Russian Revolution and of Lenin s part in shaping the course of the future **October and the World** Paul Dukes,1979 **The October Revolution** Joseph Stalin,2011-06 Telling October Frederick Corney,2018-08-06 All revolutionary regimes seek to legitimize themselves through foundation narratives that told and retold become constituent parts of the social fabric erasing or pushing aside alternative histories Frederick C Corney draws on a wide range of sources archives published works films to explore the potent foundation narrative of Russia s Great October Socialist Revolution He shows that even as it fought a bloody civil war with the forces that sought to displace it the Bolshevik regime set about creating a new historical genealogy of which the October Revolution was the only possible culmination This new narrative was forged through a complex process that included the sacralization of October through ritualized celebrations its institutionalization in museums and professional institutes devoted to its study and ambitious campaigns to persuade the

masses that their lives were an inextricable part of this historical process By the late 1920s the Bolshevik regime had transformed its representation of what had occurred in 1917 into a new orthodoxy the October Revolution Corney investigates efforts to convey the dramatic essence of 1917 as a Bolshevik story through the increasingly elaborate anniversary celebrations of 1918 1919 and 1920 He also describes how official commissions during the 1920s sought to institutionalize this new foundation narrative as history and memory In the book s final chapter the author assesses the state of the October narrative at its tenth anniversary paying particular attention to the versions presented in the celebratory films by Eisenstein and Pudovkin A brief epilogue assesses October s fate in the years since the collapse of the Soviet Union

Mintz,2023-07-10 **Ten Days that Shook the World** John Reed,2009-01-01 Ten Days that Shook the World is a first hand account of Russia s October Revolution of 1917 Written in 1919 by the American journalist and socialist John Reed it follows many of the prominent Bolshevik leaders of this time Reed died the year after his book was finished and was buried in Moscow s Kremlin Wall Necropolis one of the few Americans accorded this honor usually reserved for the Soviet s most prominent leaders

The Russian Revolution, 1917 Rex A. Wade,2005-04-21 Rex Wade presents an account of one of the pivotal events of modern history combining his own long study of the revolution with the best of contemporary scholarship Within an overall narrative that provides a clear description of the 1917 revolution he introduces several new approaches on its political history and the complexity of the October Revolution Wade clears away many of the myths and misconceptions that have clouded studies of the period He also gives due space to the social history of the revolution and incorporates people and places too often left out of the story including women national minority peoples and peasantry front soldiers enabling a more complete history to emerge The 2005 second edition of this highly readable book has been thoroughly revised and expanded It will prove invaluable reading to anyone interested in Russian history

The October Revolution in Prospect and Retrospect John Marot,2012-06-08 In a series of probing analytical essays John Marot tracks the development of Bolshevism through the prism of pre 1917 intra Russian Social Democratic controversies in politics and philosophy For 1917 the author presents a critique of social historical interpretation of the Russian Revolution Turning to NEP Russia the author applies Robert Brenner s analysis of pre capitalist modes of production and concludes that neither Bukharin nor Trotsky s NEP premised programs of economic transformation and advance toward socialism were feasible At the same time he rejects the view that Stalinism was pre destined to supplant NEP Instead he hypothesises that the superior alternative to Stalinism was NEP without collectivization and the Five Year Plans a outcome that would have been possible had Bukharin and Trotsky joined forces to stop Stalin
