The Book of Acts in History Henry Joel Cadbury, 1955 **The Acts of the Apostles** Lyman Abbott, 1876 The Book of Acts Martin Dibelius, Provides a fresh perspective on the Book of Acts Editor s foreword highlights the importance of Dibelius s work Includes updated notes and bibliographies Indexes of ancient sources and authors Acts Dennis Gaertner, 1995 *Acts* Justo L. Gonz lez, 2001 The book we call Acts of the Apostles is really the Acts of the Holy Spirit an insight that has stood the test of time and which proves the key to this vital book Justo Gonzalez

takes this insight deeper inserting the Gospel of the Spirit into its social context Each verse is discussed in terms of both its social and theological implications Book jacket *The Acts of the Apostles* David G. Peterson, 2009-04-15 A new landmark in evangelical scholarship on the book of Acts Fifteen years in the making this comprehensive commentary by David Peterson offers thorough exegesis and exposition of the Acts of the Apostles drawing on recent scholarship in the fields of narrative criticism and theological analysis incorporating insights into historical social background and investigating why Luke presents his material in the way he does In view of how long the book of Acts is over a thousand verses Peterson's commentary is admirably economical yet meaty His judgments according to Don Carson are always sane evenhanded and judicious Even while unpacking exegetical details Peterson constantly scans the horizon keeping the larger picture in mind With its solid exegesis astute theological analysis and practical contemporary application Peterson's *Acts of the Apostles* is a commentary that preachers teachers and students everywhere will want and need **Acts** F. Scott Spencer, 1997-01-01 This reading offers a traveller's guide through the book of Acts charting both narrative features plot development character building and shifting points of view and cultural scenarios informing the story honor shame contests patron client relations and purity pollution boundaries Within this literary cultural framework Spencer undertakes to map the temporal spatial and social settings of each segment of the Acts journey While often detecting internal repetitive patterns along the way as well as comparative links with the preceding Lukan gospel and Jewish scriptures this reading also exposes certain dramatic tensions within Acts such as a double message regarding women's prophetic ministry and distinctive moves beyond prior narratives The element of surprise is maximized so that the commentary reads somewhat like a first time exploration of the text **The Book of Acts** C. Peter Wagner, 2008-06-02 Experience Pentecost Look on as 130 converts shake a city Meet Paul Go with him as he plants the first Gentile church Extend the kingdom's power and see the enemy upset Walk with Paul as he travels to Corinth Antioch Ephesus and beyond For those desiring to be a part of God's action in their churches their communities and throughout the world there is nothing that will help more than thoroughly understanding the book of Acts and applying what we can learn from it Acts was designed to be God's training manual for Christians It worked in the early church and it works in the postmodern world The reader's study of Acts in *The Book of Acts* will bring new intimacy with the Spirit and new joy in doing His will **The Book Of Acts** Greg Livingstone, 2005 This book clearly portrays that God's primary purpose in giving us *The Book of Acts* is to show how He intends to fulfil His purposes in calling people whose hearts are attuned to be His apostles to accomplish His purposes in our generation *The Book of Acts* is indeed Luke's earliest church history Luke's story of the life of Christ and now the growth of the Church is meant to connect with the Old Testament story *The Acts of the Apostles* David Peterson, 2009 This book is a new landmark in evangelical scholarship on the book of Acts Fifteen years in the making this comprehensive commentary by David Peterson offers thorough exegesis and exposition of the Acts of the Apostles drawing on recent scholarship in the fields of narrative criticism and theological analysis

incorporating insights into historical social background and investigating why Luke presents his material in the way he does In view of how long the book of Acts is over a thousand verses Peterson s commentary is admirably economical yet meaty His judgments according to Don Carson are always sane evenhanded and judicious Even while unpacking exegetical details Peterson constantly scans the horizon keeping the larger picture in mind With its solid exegesis astute theological analysis and practical contemporary application Peterson s Acts of the Apostles is a commentary that preachers teachers and students everywhere will want and need Publisher *The Book of Acts* Wilson Paroschi,2018 Thirty years that s all it took In those 30 years the Christian church gained sufficient growth and credibility to become the largest religion the world has ever seen and to change the lives of hundreds of millions of people And it all began with a dozen men a handful of women and the Holy Spirit Acts is their story While it s tempting to think of the early Christian church as the pinnacle of unity purity and perfection this is misleading Author Wilson Paroschi writes We find the early believers including the apostles entangled with misconceptions personal conflicts prejudice and several other difficulties typical of human nature They were not infallible What they were able to accomplish in such a short period of time however is a perpetual testimony of how powerfully God can work when men and women despite their limitations and failures humble their hearts in prayer and submit their lives to the control of the Holy Spirit We should not look at Acts as a retelling of the missionary successes of the apostles but rather as an example of the amazing things God was able to accomplish through them in reclaiming humanity for Himself Book jacket Exploring Acts John Phillips,2001-09-01 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moody Magazine **Acts** Max Lucado,2006-12-19 Revised and updated the Lucado Life Lessons series continues to be one of the best selling study guide series on the market today For small group to individual use intriguing questions and new material take the participant deeper into God s Word
