The Of Acts And Church Growth:

It Can Happen Today! G. Edwin Bontrager, Nathan D. Showalter, 1986 G Edwin Bontrager and Nathan D Showalter show that mission was the driving force of the New Testament church not an added on sideline for a few daring souls This 13 lesson church growth study shows that the acts of the Holy Spirit can transform any congregation Challenges Christians to learn about church growth by putting into everyday practice key biblical principles *CHURCH GROWTH IN THE ACTS OF THE APOSTLES*. EMMANUEL. ATOE, 2021

The Book of Acts and Church Growth F. J. May, 1990-01-01 This second book of the Pentecostal Church Growth series attempts to determine the reasons for the explosive growth of the early church in the book of Acts

Church Growth in the Acts of the Apostles Emmanuel Atoe, 2021-04-28 The Church exists to communicate the Gospel of Jesus Christ and the mind of God as revealed in His Word to the world We are Christ ambassadors His point of contact to all men in every generation 2 Corinthians 5:20 The Church exists to spread the good news of redemption and reproduce itself in the lives of the human race The Church is the most powerful corporate body that is capable of commanding the attention of heaven on earth The Church is God's idea and product and so possesses an inbuilt capacity for success The objective of this book is to get you acquainted with the purpose of the church in general and the vision of Victory Sanctuary in particular *The Book of Acts and Church Growth* Flavius Joseph May, 1990

The Book of Church Growth Thom S. Rainer, 1998-09-01 The Church Growth Movement has divided devout Christians Even though Rainer is an advocate his aim here is to present an objective view of the movement its history the theology associated with it and the principles which seem to separate churches that grow from those that don't

Evaluating the Church Growth Movement Zondervan, 2010-06-01 What exactly is the Church Growth movement This timely volume in the Counterpoints series addresses the history of the movement that has become such an enormous shaping force on the Western church today and it explores in a roundtable forum of leading voices five main perspectives on the classic Church Growth movement Effective Evangelism View presented by Elmer Towns Gospel in Our Culture View presented by Craig Van Gelder Centrist View presented by Charles Van Engen Reformist View presented by Gailyn Van Rheen Renewal View presented by Howard Snyder Each view is first presented by its proponent then critiqued by the co contributors The interactive and fair minded format allows the reader to consider the strengths and weaknesses of each view and draw informed personal conclusions Evaluating the Church Growth Movement concludes with reflections by three seasoned pastors who have grappled with the practical implications of Church Growth The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

Church Growth Through the Sunday School John T. Sisemore, 1983

Understanding the Principles of Church Growth Professor Isaac O. Ojutalayo, 2019-04-06 The author of this work Isaac Ojutalayo has done his research on the

subject of leadership and church growth The contents of this book are the written evidence The eleven chapters embrace some of the most important and necessary things that leaders should learn and practise whether they are ordained ministers or lay workers in the church The principles he has written about can also be applied in circular organisation This book reveals Dr Isaac Ojutalayo s academic achievement and experimental development He has divided each chapter into readable sections that can be easily discussed and studied The book is suitable for individuals and groups who are called by God to lead His people Dr Isaac Ojutalayo is passionate that leaders be men and women of excellence whether the congregation they lead is large or small He stresses communication generosity honesty and continuing education with the highest level of trust all essential elements of church growth He points out repeatedly that the church and the world community are suffering from a crisis of leadership that bold and honest leaders are needed in the church and in the marketplace as well as in the home In my analysis he has called for transformational leaders to rise up and effect change It is very clear that he is saying that many leaders work within situations Transformational leaders change what can be talked about whereas many other leaders talk about pay offs Transformational leaders talk about goals Many leaders bargain whereas transformational leaders appeal to a common vision Dr Isaac Ojutalayo argues that desperately needed Christians and transformational leadership will not emerge until we have a model of a transforming leader I believe that Jesus Christ was and is the most effective leader the world has ever known It is with unreserved joy that I recommend this publication to those who are interested in church leadership Professor Clinton L Ryan ThD **Towards a Theology of Church Growth** David Goodhew, 2016-03-03 Concern about church growth and decline is widespread and contentious yet theological reflection on church growth is scarce Reflecting on the Bible dogmatic theology and church history this book situates the numerical growth of the church within wider Christian theology Leading international scholars including Alister McGrath Benedicta Ward and C Kavin Rowe contribute a spectrum of voices from evangelical charismatic liberal and anglo catholic perspectives All contributors unite around the importance of seeking church growth provided this is situated within a nuanced theological framework This book offers a critique of decline theology which has been influential amongst theologians and churches and which assumes church growth is impossible and or unnecessary The contributors provide rich resources from scripture doctrine and tradition to underpin action to promote church growth and to stimulate further theological reflection on the subject The Archbishop of Canterbury provides the Foreword **Biblical Church Growth** Gary L. McIntosh, 2003-05-01 Every pastor wants to have a vibrant dynamic church There are many popular models for church growth based on outstanding churches led by outstanding pastors But unfortunately specific models are temporary and go out of style quickly Author Gary McIntosh explores the biblical principles for church growth and applies them to today s culture Instead of concentrating on the ephemeral how of church growth he focuses on the unchanging why McIntosh defines church growth as all that is involved in bringing men and women who do not have a personal relationship with Jesus Christ into fellowship with him and into responsible church

membership In other words church growth is effective evangelism not a methodology for increasing membership According to Biblical Church Growth growing churches always evidence a desire to fulfill the Great Commission by cooperating with God in building a faithful church Using personal stories and current statistics as well as numerous biblical examples the author sets forth ten basic principles that provide an eternal foundation for helping any church large or small achieve lasting vitality and growth

The Growth of Church Institutions Edwin Hatch,1891 SCM Studyguide: Church Leadership Jon Coutts,2019-04-30 Resisting the urge to instruct with a more polemical voice the SCM Studyguide to Church Leadership will encourage ordinands and trainee church leaders to reassess modern pressures and priorities and to re orient creatively around the callings giftings and approaches that are suitable to Christ and particular to the Church

The Big Four S. Joseph Kidder,2011 How did the early Christians leave such a profound impact on their world And how can we 2 000 years later follow in their footsteps The Big Four thoroughly explores four key secrets that not only made the early church a success but also produced thriving Seventh day Adventist churches that are rapidly growing the kingdom of heaven No matter who you are The Big Four s inspiring stories and practical proven methods will equip you to experience personal and collective revival ultimately leading to powerful ministry and evangelism

Intercultural Theology, Volume Two Henning Wrogemann,2018-01-09 In this second volume of his three volume Intercultural Theology Henning Wrogemann turns to theologies of mission Tracing developments across a range of Christian traditions movements themes and regions of the globe Wrogemann provides an overview of the theological underpinnings rationalizations and visions for mission and its practice

Foundations for Fruitful Church Planting Ken L. Davis,2023-07-28 Church planting is one of the most challenging yet rewarding adventures you can embark on Often zealous planters and their teams launch their new church prematurely without taking time to lay a firm foundation for long term fruitful ministry Failure to do so often results in a weakened new church or even the new church closing after a few years Rather than focusing on methodology the how to s of church planting this book gives attention to six foundational concerns wise planters will need to nail down before they ever plant Biblical foundations Theological foundations Ecclesiological foundations Missiological foundations Spiritual foundations Practical foundations Although helpful for a wide range of planting leaders this book is particularly written for four specific groups those who feel called to plant and are making preparations their planting teammates and launch leaders those exploring church planting those who coach and train church planters Foundations for Fruitful Church Planting serves as a comprehensive resource that will guide you to think strategically plan carefully and prepare thoroughly to birth a healthy growing and reproducing congregation Each chapter includes recommended resources discussion questions and follow through exercises

Vital New Testament Issues RoyCheck B. Zuck,2006-09-05 Vital New Testament Issues Vital pertaining to life essential of critical importance New Testament the covenant of God with man embodied in the coming of Christ his teachings and that of his followers as set forth in the Bible Issues a point or matter the decision of which is of

special or public importance A dictionary can define the terms but tackling the tough texts and difficult issues of Old Testament studies requires skillful study and balanced reflection upon the whole of Scripture Vital New Testament Issues Examining New Testament Passages and Problems draws upon the insights and study of numerous evangelical scholars and writers to address crucial interpretative questions Some of the chapters included are The End of the Law by Charles C Ryrie Tongues and the Mystery Religions of Corinth by H Wayne House Do the Synoptics Depend on Each Other by Charles H Dyer Christian readers church leaders and pastors will appreciate the helpful scholarship of Vital New Testament Issues

Announcing the Kingdom Arthur F. Glasser, Charles E. Van Engen, Dean S. Gilliland, Shawn B. Redford, 2003-09-01 Announcing the Kingdom provides a comprehensive survey of the biblical foundation of mission It investigates the development of the kingdom of God theme in the Old Testament describing what the concept tells us about God s mission in creation the flood and the covenant with Abraham It then describes God s mission through the nation of Israel during the exodus at Mt Sinai and through the kings of Israel The book then examines God s mission as Israel is sent into exile and the stage is set for the Messiah s coming Finally the book considers the fulfillment of the kingdom of God through Jesus Christ and the church It examines Jesus parables and ministry his proclamation of God s kingdom among the nations and the work of the Holy Spirit through the church Announcing the Kingdom is the product of Arthur Glasser s more than thirty years of teaching and has been used by thousands of students at Fuller Theological Seminary Now revised by Glasser s colleagues this study provides mission workers and students with a new understanding of their calling and its biblical foundation

The Four Pillars of Evangelism C. L. Thomas, 2011-08-08 What is evangelism Have you ever asked that question For most people the word conjures up a great deal of pictures or thoughts that run the ambit of fanatics running the streets with tracts in their hands to the nice little Christian who models their faith through a quiet lifestyle Is either of these correct Is the answer somewhere in the middle Is there a correct answer at all I believe that there is This book is designed to walk one through the ministry principles and actions of the greatest evangelist of all times Jesus Christ He remains the best example of communicating the good news in a purposeful personal progressive practical and pervasive manner The steps to an effective witness are in following pillar principles demonstrated by Jesus The confidence to be involved in evangelism is tied to following the pillar principles of evangelism The understanding of what to say how to say it and when to say it are found in the pillar principles of evangelism demonstrated by Jesus and are explained in this book If you desire a practical tool to learn more about evangelism and teach others the same then this book is for you **The Y-B-H Handbook of Church Planting (Yes, But How?)** Roger N. McNamara, Ken Davis, 2005-05 This book covers all the crucial issues of the church planting task It tells how to organize and grow the new church working toward the ultimate goal of corporate reproduction
