The Of Acts And Paul In Roman Custody:

The Book of Acts and Paul in Roman Custody Brian Rapske, Rapske, 2004-09-24 This volume provides a unique opportunity not only to learn about the custodial system of the Graeco Roman world but to better view Paul's persona and Christian mission as well. Brian Rapske's outstanding study shows Luke himself to be an ardent helper of Paul the missionary prisoner. The author has produced an invaluable resource for both Acts and Pauline scholars having placed the prison narratives of Paul in both their cultural and literary settings. The footnotes alone demonstrate the wealth of socio cultural knowledge that Rapske brings to his reading of the Acts account as well as his understanding of the Pauline missions via vis his suffering in prison. *Journal for the Study of the New Testament* [The Book of Acts and Paul in Roman Custody](#) Rapske, 1994

Nick Page: The Longest Week, The Wrong Messiah, Kingdom of Fools Nick Page, 2018-03-08 Essential reading enlightening and informative you will be sure to learn something new. Church of England Newspaper In this illuminating read Nick Page strips away centuries of misrepresentation and myth to reveal the real personality portrayed in the gospels. Drawing on a wealth of historical and archaeological research the result is a startling and vivid new portrait of Yeshua ben Yosef Jesus of Nazareth. [T&T Clark Handbook to the Historical Paul](#) Ryan S. Schellenberg, Heidi Wendt, 2022-05-05 The T T Clark Handbook to the Historical Paul gathers leading voices on various aspects of Paul's biography into a thorough reconsideration of him as a historical figure. The contributors show how recent trends in Pauline scholarship have invited new questions about a variety of topics including his social location his mode of subsistence his cultural formation his place within Judaism his religious experience and practice and his affinities with other religious actors of the Roman world. Through careful attention to biographical detail social context and historical method it seeks to describe him as a contextually plausible social actor. The volume is structured in three parts. Part One introduces sources methods and historiographical approaches surveying the foundational texts for Paul and the early Pauline tradition. Part Two examines key biographical questions pertaining to Paul's bodily comportment the material aspects of his career and his religious activities. Part Three reconstructs the biographical portraits of Paul that emerge from the letters associated with him presenting a series of micro biographies pieced together by leading Pauline scholars.

Paul and His Letters John B. Polhill, 1999 Except for Christ himself no figure has been more influential in the history of Christianity than the apostle Paul. And yet his remarkable life remains shrouded in mystery. In this probing new book John B. Polhill scrapes away the myths about this great man and uncovers the truth of his life and thought. Using Acts the Pauline epistles and reliable traditions from non canonical sources Polhill weaves together the remarkable story of Paul's transformation from persecutor to persecuted producing a dynamic account of his entire ministry. By placing each of Paul's letters in its proper historical context Polhill brings new light to these foundation stones of the Christian faith. He follows Paul from his early years in Tarsus and Jerusalem to his imprisonment and eventual martyrdom painting a detailed comprehensive portrait of Paul that will serve as an indispensable

resource for students teachers and pastors alike **Locating Paul** Matthew L. Skinner,2003-01-01 This study explores literary settings in the narrative of Paul s prolonged imprisonment in Acts It suggests that Paul s proclamation of the word in a setting of Roman control constitutes a powerful confrontation and manipulation of social and religious powers Paperback edition available from the Society of Biblical Literature www.sbl-site.org **Paul: Jew, Greek, and Roman** Stanley E. Porter,2009-01-31 What does it mean to study Paul the Apostle as Jew Greek and Roman The framing of the question exposes the fact that the distinctions themselves involve a complex of ethnic social and cultural designations Paul is both a complicated individual of the ancient world because he combines in his one personage features of life in each of these cultural ethnic and even religious areas of the ancient world and one of many people of that world who evidenced such complexity This volume **Paul Jew Greek and Roman** explores a number of the important and diverse cultural ethnic and religious dimensions of the multi faceted background of Paul the Apostle Some of the treatments are focused and specific while others range over the broad issues that go to making up the world of the Apostle **The Early Reception of Paul the Second Temple Jew** Isaac W. Oliver,Gabriele Boccaccini,2018-10-04 Paul s relationship to Christianity as a Pharisaic Jew whose moment of revelation on the road to Damascus has made him the most famous early Christian is still a topic of great interest to scholars of early Christianity and Judaism This collection of essays from world renowned scholars examines how Christians of the first two centuries perceived Paul s Jewishness and how they seized upon Paul s views on Judaism in order to advance their own claims about Christianity The contributors offer a comprehensive examination of various early Christian views on Paul in texts contained both in and outside of the New Testament demonstrating how the reception of Paul s thought affected the formation of Judaism and Christianity into separate entities Divided into five sections the arguments focus upon Paul s reception in Ephesians the other Deutero Pauline Epistles the Acts of the Apostles Marcion of Synope and the reaction of Paul s opponents Featuring essays from scholars including Judith Lieu James H Charlesworth and Harry O Meier this volume forms a perfect resource for scholars to reassess Paul s Jewishness and relationship with Judaism *The Apostle Paul* Porter,2016 There are many introductions to the life thought and letters of Paul the apostle Some concentrate upon his life while others focus upon his thought and still others on his letters A few of them like this book try to integrate all three of them including on occasion material from the book of Acts into a useful portrait of the man and what he said and thought as revealed through his letters from preface *The Trial Narratives* Matthew L. Skinner,2010-01-01 In this careful analysis Matthew Skinner explores the trial narratives of Jesus Paul Stephen and others in the Gospels and Acts who found themselves brought before powerful individuals and groups often with deadly consequences His close study of these texts is essential for those interested in the early church s relationship to the sociopolitical structures in which Christian belief emerged He shows how the narratives helped shape early Christian identity as these communities sought to understand both the political implications of the emerging Christian gospel as well as the dangers and opportunities their sociopolitical

context presented He also reflects on the theological resources and paradigms these texts offer to Christians today **St Paul in Roman Asia Minor** E. Lennox Manton, 2016-01-15 This book illuminates the journeys of Saint Paul in Roman Asia Minor in a way that has not previously been attempted and the discussion presented here is in no way an effort to discuss various aspects of Saint Paul's theology Saint Paul was reticent with the details of his journeys and this has given rise to much subsequent learned speculation as to their actual course and possible deviations In the nineteen sixties I drove over the course of Saint Paul's journeys visiting those cities known to him Many of the roads especially that between Laodicea and Antalya had very poor surfaces and I speculated then that these roads must have been much worse in Saint Paul's time I was drawn to the conclusion that St Paul's journeys may have deviated from historical and theological accepted wisdom and in this book I have proposed what I believe to be some likely variations in the routes of parts of his journeys **The Letters of Paul** Charles B. Puskas, Mark Reasoner, 2013-12-19 Since Charles Puskas first published The Letters of Paul it has proven to be a reliable text and reference tool It is an exemplary guide to the basic issues surrounding the Pauline letters who really wrote each letter when it was written the letter's social context audience and literary characteristics and also includes discussion of the worlds of Paul the letter genre and the rhetorical arrangement of each letter Working with noted Pauline scholar Mark Reasoner on this new second edition with more than 40 percent new and revised material the authors have taken account of a host of diverse cultural historical sociorhetorical literary and contextual studies of recent years and critically reexamined several issues of authorship date historical situation literary form and rhetorical structure They have addressed new and pressing issues filled certain lacunae and generally updated the book for a new generation of readers

The Paul Quest Ben Witherington III, 2001-10-22 Ben Witherington III examines the various profiles of the historical Paul that have been newly discovered revealing how a reacquaintance with the classical Roman world has filled in even more details of Paul's life and work **Zondervan Illustrated Bible Backgrounds Commentary: Romans to Philomon** Clinton E. Arnold, 2002 This is a hardcover set that helps readers understand the historical and cultural background of the books of the New Testament Brimming with lavish full color photos and graphics each book will walk you verse by verse through the books of the New Testament **The Letters to Philemon, the Colossians, and the Ephesians** Ben Witherington, 2007-11-19 This volume completes Ben Witherington's contributions to the set of Eerdmans socio rhetorical commentaries on the New Testament In addition to the usual features of these commentaries Witherington offers an innovative way of looking at Colossians Ephesians and Philemon as interrelated documents written at different levels of moral discourse Colossians is first order moral discourse the opening gambit Ephesians is second order moral discourse what one says after the opening salvo to the same audience and Philemon is third order moral discourse what one says to a personal friend or intimate Witherington successfully analyzes these documents as examples of Asiatic rhetoric explaining the differences in style from earlier Pauline documents He further shows that Paul is deliberately engaging in the

transformation of existing social institutions As always Witherington's work is scholarly and engaging With detailed Closer Look sections The Letters to Philemon the Colossians and the Ephesians is perfect for the libraries of clergy biblical scholars and seminaries **The Cradle, the Cross, and the Crown** Andreas J. Köstenberger, L. Scott Kellum, Charles L.

Quarles, 2016-08-15 The Cradle the Cross and the Crown guides serious New Testament students through the historical literary and theological dimensions of the biblical text allowing them to better understand and share God's word of truth 2 Tim 2:15 It offers a thorough introduction to all twenty-seven books of the New Testament and closely examines events such as Christ's incarnation and virgin birth his crucifixion and resurrection and triumphant return The second edition features updated bibliographies and footnotes interpretation sections that cover different literary genres in the New Testament an epilogue that canvasses the entire storyline of Scripture and a variety of maps All of these new features contribute to making this a life-long resource for students of Scripture The Writings of Luke and the Jewish Roots of the Christian Way J.

Andrew Cowan, 2019-02-21 J Andrew Cowan challenges the popular theory that Luke sought to boost the cultural status of the early Christian movement by emphasising its Jewish roots associating the new church with an ancient and therefore respected heritage Cowan instead argues that Luke draws upon the traditions of the Old Testament and its supporting texts as a reassurance to Christians promising that Jesus' life his works and the church that follow legitimately provide fulfilment of God's salvific plan Cowan's argument compares Luke's writings to two near contemporaries Dionysius of Halicarnassus and T Flavius Josephus both of whom emphasized the ancient heritage of a people with cultural or political aims in view exploring how the writings of Luke do not reflect the same cultural values or pursue the same ends Challenging assumptions on Luke's supposed attempts to assuage political concerns capitalize on antiquity and present Christianity as an inner Jewish sect Cowan counters with arguments for Luke being critical of over valuing tradition and defining the Jewish people as resistant to God and His messages Cowan concludes with the argument that the apostle does not strive for legitimisation of the new church by previous cultural standards but instead provides theological reassurance to Christians that God's plan has been fulfilled with implications for broader debate **The Offering of the Gentiles** David J. Downs, 2016 The monetary fund

that the apostle Paul organized among his Gentile congregations for the Jewish Christian community in Jerusalem was clearly an important endeavor to Paul discussion of it occupies several prominent passages in his letters In this book David Downs carefully investigates that offering from historical sociocultural and theological standpoints Downs first pieces together a chronological account of Paul's fund-raising efforts on behalf of the Jerusalem church based primarily on information from the Pauline epistles He then examines the sociocultural context of the collection including gift-giving practices in the ancient Mediterranean world relating to benefaction and care for the poor Finally Downs explores how Paul framed this contribution rhetorically as a religious offering consecrated to God *Paul, Apostle of Grace* Frank Thielman, 2025-03-27 An engaging and accessible introduction to the life and world of Paul In this fresh and engaging survey Frank Thielman introduces readers

to the life and world of the apostle Paul Drawing on the Acts of the Apostles and Paul's canonical letters as well as noncanonical sources and archaeological records Thielman constructs a vivid picture of the complex historical period and fascinating cultures in which Paul worked At the same time Thielman guides readers toward a deeper understanding of who Paul was what he believed and how he carried out his ministry Solidly grounded in Paul's own writings as well as scholarly research the book explores a wide range of compelling questions What drove Paul to endure often treacherous journeys of hundreds of miles to establish like minded communities around the world as he knew it What spurred him to recruit a network of co workers who were willing to help him in this vast project What kept him at the task even when it landed him in prison What prompted him to produce a body of letters to these communities of such depth that millions of people still read them with profit today Addressing these questions through careful and conservative research Paul Apostle of Grace is a worthy successor to F F Bruce's classic study and an essential resource for scholars and students of the Bible today

Documents and Images for the Study of Paul Neil Elliott, Mark Reasoner, 2010-11-01 Documents and Images for the Study of Paul gathers representative texts illustrating Jewish practices Greco Roman moral exhortation biblical interpretation Roman ideology apocalyptic visions epistolary conventions and much more to illustrate the complex cultural environment in which Paul carried out his apostolic work and the manifold ways in which his legacy was reshaped in early Christianity Brief insightful introductions orient the reader to how these sources might play a role in different contemporary interpretations of Paul's life and thought Lavishly illustrated with more than one hundred black and white photographs charts a map and timeline of Paul's world this sourcebook is a welcome resource for courses on Paul and his letters

The Of Acts And Paul In Roman Custody Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Of Acts And Paul In Roman Custody has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Of Acts And Paul In Roman Custody has opened up a world of possibilities. Downloading The Of Acts And Paul In Roman Custody provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Of Acts And Paul In Roman Custody has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Of Acts And Paul In Roman Custody. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Of Acts And Paul In Roman Custody. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Of Acts And Paul In Roman Custody, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Of Acts And Paul In Roman Custody has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the

most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Of Acts And Paul In Roman Custody Books

1. Where can I buy The Of Acts And Paul In Roman Custody books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
