## **The Of Breeething:**

**Dandyism** Len Gutkin, 2020-02-26 The dandy a nineteenth century character and concept exemplified in such works as Wilde's *The Picture of Dorian Gray* reverberates in surprising corners of twentieth and twenty first century culture Establishing this character as a kind of shorthand for a diverse range of traits and tendencies including gentlemanliness rebelliousness androgyny aristocratic pretension theatricality and extravagance Len Gutkin traces Victorian aesthetic precedents in the work of the modernist avant garde the noir novel Beatnik experimentalism and the postmodern thriller As defined in the period between the fin de siècle and modernism dandyism was inextricable from representations of queerness But rinsed of its suspect associations with the effeminate dandyism would exert influence over such macho authors as Hemingway and Chandler who harnessed its decadent energy Dandyism Gutkin argues is a species of gendered charisma The performative masquerade of Wilde's decadent dandy is an ancestor to both the gender performance at work in American cowboy lore and the precious self presentation of twenty first century hipsters We cannot understand modernism and postmodernism's negotiation of gender aesthetic abstraction or the culture of celebrity without the dandy Analyzing the characteristic focus on costume consumption and the well turned phrase in readings of figures ranging from Wyndham Lewis Djuna Barnes and William Burroughs to Patricia Highsmith Bret Easton Ellis and Ben Lerner Dandyism reveals the Victorian dandy's legacy across the twentieth century providing a revisionist history of the relationship between Victorian aesthetics and twentieth century literature

**Mother Jones Magazine** ,1976-05 *Mother Jones* is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues

**Shift Linguals** Edward S. Robinson, 2011 *Shift Linguals* traces a history of the cut up method the experimental writing practice discovered by Brion Gysin and made famous by Beat author William S Burroughs From the groundbreaking works of Dada and Surrealism that paved the way for Burroughs breakthrough through the countercultural explosion of the 1960s *Shift Linguals* explores the evolution of the cut ups within the theoretical frameworks of postmodernism and the avant garde to arrive at the present and the digital age Some 50 years on from the first discovery of the cut ups in 1959 it is only now that we are truly able to observe the method's impact not only on literature but on music and culture in a broader sense The result of over nine years of research this study represents the first sustained and detailed analysis of the cut ups as a narrative form With explorations of the works of Burroughs Gysin Kathy Acker and John Giorno it also contains the first critical writing on the works of Claude P. L'Évêque and Carl Weissner in English as well as the first in depth discussion of the writing of Stewart Home to date

**Understanding William S. Burroughs** Gerald Alva (Al) Miller, 2020-02-05 Through critical readings Gerald Alva Miller Jr examines the life of William S Burroughs and the evolution of his various radical styles not just in writing but also in audio film and painting Although Burroughs remains tied to the Beat Generation his works prove more revolutionary Miller argues that Burroughs more than any other author ushered in the era of both postmodern

fiction and poststructural philosophy Through this study Miller situates Burroughs within the larger countercultural movements that began in the 1950s when his novels became influential because of their examination of various control systems from sex and drugs to global or even intergalactic conspiracies Understanding William S Burroughs begins by considering his early straightforward narratives Despite being more stylistically conventional they broke new ground with their depictions of junkies gay people and others marginalized by society The publication of *Naked Lunch* shattered all literary paradigms in terms of form and content *Naked Lunch* and the cut up novels recordings films and art that followed constitute one of the twentieth century s most sustained and methodical aesthetic experiments placing Burroughs alongside Franz Kafka Jorge Luis Borges James Joyce Samuel Beckett Vladimir Nabokov and Thomas Pynchon in terms of both innovation and influence Burroughs eventually turned his attention toward imagining methods of using the control machinery against itself Often considered his masterpiece the *Red Night Trilogy* of the 1980s ranges across time and space and life and death in its quest to discover the ultimate form of freedom His antiestablishment stance and virulent attacks on various types of oppression have caused Burroughs to remain a highly influential figure to each new generation of authors artists musicians and philosophers The hippies punks and cyberpunks were all heavily indebted to the man whom many people called *el hombre invisible* and his works prove more relevant than ever in the twenty first century *St. James Guide to Horror, Ghost & Gothic Writers* David Pringle, 1998 As a companion volume to *St James Guide to Fantasy Writers* this volume concentrates on those types of fiction which may be labelled as horror novels dark fantasies ghost stories gothic novels tales of terror supernatural fictions occult fantasies black magic stories psychological thrillers tales of unease grand guignol shockers creepy stories shudder pulp fictions contes cruels uncanny stories macabre fictions and weird tales Editor s note p ix *The Book of Breeething* William S. Burroughs, 1980 **William S. Burroughs** Phil Baker, 2010-07-15 Along with Jack Kerouac and Allen Ginsberg William S Burroughs 1914 97 is an iconic figure of the Beat generation In *William S Burroughs* Phil Baker investigates this cult writer s life and work from small town Kansas to New York in the 40s Mexico and the South American jungle to Tangier and the writing of *Naked Lunch* to Paris and the Beat Hotel and 60s London alongside Burrough s self portrayal as an explorer of inner space reporting back from the frontiers of experience After accidentally shooting his wife in 1951 Burroughs felt his destiny as a writer was bound up with a struggle to come to terms with the Ugly Spirit that had possessed him In this fascinating biography Baker explores how Burroughs s early absorption in psychoanalysis shifted through Scientology demonology and Native American mysticism eventually leading Burroughs to believe that he lived in an increasingly magical universe where he sent curses and operated a wishing machine His lifelong preoccupation with freedom and its opposites forms of control or addiction coupled with the globally paranoid vision of his work can be seen to evolve into a larger ecological concern exemplified in his idea of a divide between decent people or Johnsons and those who impose themselves upon others wrecking the planet in the process Drawing on newly available material and rooted in Burroughs s

vulnerable emotional life and seminal friendships this insightful and revealing study provides a powerful and lucid account of his career and significance

**Gay & Lesbian Literature** Sharon Malinowski, Tom Pendergast, Sara Pendergast, 1994  
Biographical bibliographical and critical information on more than four hundred authors who have figured prominently in gay and lesbian literature and culture since 1900

**Word Cultures** Robin Lydenberg, 1987 In this pioneering study Robin Lydenberg focuses upon the stylistic accomplishments of this controversial and experimental writer In doing so she skillfully demonstrates that the ideas we now recognize as characteristic of post structuralism and deconstruction were being developed independently by Burroughs long ago

Literary Outlaw: The Life and Times of William S. Burroughs Ted Morgan, 2012-07-31 Almost indecently readable captures Burroughs s destructive energy his ferocious pessimism and the renegade brilliance of his style Vogue With a new preface as well as a final chapter on William S Burroughs s last years the acclaimed Literary Outlaw is the only existing full biography of an extraordinary figure Anarchist heroin addict alcoholic and brilliant writer Burroughs was the patron saint of the Beats His avant garde masterpiece Naked Lunch shook up the literary world with its graphic descriptions of drug abuse and illicit sex and resulted in a landmark Supreme Court ruling on obscenity Burroughs continued to revolutionize literature with novels like The Soft Machine and to shock with the events in his life such as the accidental shooting of his wife which haunted him until his death Ted Morgan captures the man his work and his friends Allen Ginsberg and Paul Bowles among them in this riveting story of an iconoclast

**Ancient Egypt in the Modern Imagination** Eleanor Dobson, Nichola Tonks, 2020-01-23 Ancient Egypt has always been a source of fascination to writers artists and architects in the West This book is the first study to address representations of Ancient Egypt in the modern imagination breaking down conventional disciplinary boundaries between fields such as History Classics Art History Fashion Film Archaeology Egyptology and Literature to further a nuanced understanding of ancient Egypt in cultures stretching from the eighteenth century to the present day emphasising how some of the various meanings of ancient Egypt to modern people have traversed time and media Divided into three themes the chapters scrutinise different aspects of the use of ancient Egypt in a variety of media looking in particular at the ways in which Egyptology as a discipline has influenced representations of Egypt ancient Egypt s associations with death and mysticism as well as connections between ancient Egypt and gendered power The diversity of this study aims to emphasise both the multiplicity and the patterning of popular responses to ancient Egypt as well as the longevity of this phenomenon and its relevance today

Contemporary Novelists Noelle Watson, 1991 Contains entries for each author with a biography a list of separately published books and an essay

*Burroughs Unbound* S. E. Gontarski, 2021-11-18 In addition to contributing significantly to the growing field of Burroughs scholarship Burroughs Unbound also directly engages with the growing fields of textual studies archival research and genetic criticism asking crucial questions thereby about the nature of archives and their relationship to a writer s work These questions about the archive concern not only the literary medium In the 1960s and 1970s Burroughs collaborated with

filmmakers sound technicians and musicians who helped re contextualized his writings in other media Burroughs Unbound examines these collaborations and explores how such multiple authorship complicates the authority of the archive as a final or complete repository of an author s work It takes Burroughs seriously as a radical theorist and practitioner who critiqued drug laws sexual practice censorship and what we today call a society of control More broadly his work continues to challenge our common assumptions about language authorship textual stability and the archive in its broadest definition

**Out of Essex** James Canton,2013-07-23 Beyond the brash modern stereotypes of Essex there exists a landscape that has inspired some of England s finest writing This book tracks the paths of those literary figures who have ventured into the wilder parts of Essex Some are illustrious names Shakespeare Defoe John Clare Joseph Conrad H G Wells Arthur Ransome Others may be lesser known but here are well remembered Samuel Purchas Sabine Baring Gould Margery Allingham J A Baker In ten chapters James Canton crosses five centuries into the furthest reaches of the county in search of writers and what can be seen of their work today J A Baker follows the peregrines along the Chelmer valley to the Blackwater estuary at Maldon John Clare wanders the hidden pathways of Epping Forest scribbling poetry while Arthur Ransome sails around the islands of the Hamford Waters William Shakespeare appears in the woody glades beside Castle Hedingham Joseph Conrad stares across the Essex marshes at Tilbury to the Thames while Sabine Baring Gould s Gothic heroine Mehalah lives upon a lone muddy stretch beside Mersea Island where Margery Allingham sets her first tale of smuggling and murder Daniel Defoe recounts the horror of the ague on the Dengie Peninsula H G Wells writes a tale of the First World War from his home at Little Easton Samuel Purchas tells such seafaring tales from his Southend vicarage as to inspire Samuel Taylor Coleridge to write Kubla Khan Combining detailed literary detective work with personal responses to landscapes and their meanings James Canton offers a fresh vision of Essex its cultural history and its living legacy of wilderness and imagination **Queer**

**Burroughs** J. Russell,2001-07-19 William S Burroughs is consistently thought of as a novelist who is gay rather than a gay novelist This distinction is slight yet remarkable since it has meant that Burroughs has been excluded from the gay canon and from the scope of queer theory In this intelligent book Jamie Russell offers the first queer reading of Burrough s novels He explores how the novels of Burroughs can be seen as a sustained attempt to offer a very personal rethinking of gay subjectivity and as an attempt to overturn stereotypes of gay men as effeminate Yet in his celebration and appropriation of some of the most violent misogynistic and effeminaphobic elements of heterosexually identified masculinity Burroughs s life and writing suggests a subjectivity which has been deeply troubling to many in the gay community William S. Burroughs
