**The Apostolic Tradition** Nathan P. Chase, Maxwell E.

Johnson, 2025-05-15 Renowned liturgical scholars offer for the first time anywhere English translations and commentary of new witnesses to the Apostolic Tradition In recent years a number of new witnesses to the so called Apostolic Tradition have been discovered or freshly edited for the first time Among them is a new recently discovered Ethiopic version of the Apostolic Tradition contained in the Aksumite Collection edited by Alessandro Bausi Also the Arabic version of the Clementine Octateuch while known for some time has only recently been edited by Martin L. Straeten allowing scholars access to this important witness Each of these witnesses provides valuable insights into the origins and development of the Apostolic Tradition Based on these new witnesses as well as new secondary literature the translations and commentary provided in this book updates and challenges earlier and more recent studies with special regard to liturgical practices In addition English translations of these witnesses are provided for the first time anywhere Revisiting an earlier claim held by J. M. Hanssens SJ this study also argues that the final redaction of the text likely occurred within an Egyptian orbit Patterns of Daily Prayer

in Second Temple Period Judaism Jeremy Penner, 2012-11-09 In Patterns of Daily Prayer in Second Temple Period Judaism Jeremy Penner seeks to uncover the historical and social processes that underlie the origins and development of Jewish daily prayer practices particularly the establishment of set times for daily prayer Since daily prayer lacks explicit biblical warrant this book seeks to explain how this custom was legitimized as divinely inspired The importance of daily prayer was understood and experienced within a range of literary and social contexts and thus different exegetical and etiological strategies develop at this time to legitimize its practice In some cases daily prayer was coordinated with and made analogous to daily cultic sacrifice in other cases daily prayer was legitimized by identifying the origins of the practice in sacred scripture Lastly in some contexts daily prayer was coordinated with the cycles of celestial bodies in the heavens **The**
