Insights on the Book of Daniel Alan B. Stringfellow, 2020-12-01 For more than four decades the Bible studies taught by Dr Alan B Stringfellow 1922 1993 brought greater insight into God s Word to thousands of believers Now the author of Through the Bible in One Year and Great Characters of the Bible leads readers on a verse by verse study of the book of Daniel Stringfellow s in depth teaching will bring clarity and understanding to one of the most misunderstood books in Scripture With this study readers will learn How to identify the major themes How to memorize key verses How to recognize God s central message An overview of various interpretations of the book s imagery The role Daniel s prophecies play in the entire biblical story By embarking on this journey believers will discover the influence that the book of Daniel had on the life and literature of the Jewish people throughout the biblical period and all the way to the writers of the New Testament including Jesus Christ Himself who often quoted from it But nowhere is that influence seen as thoroughly as in the writings of the apostle John and parallels that exist with the book of Revelation As in John s prophetic work the book of Daniel describes in beautiful and marvelous language the glorious coming of our Lord Jesus Christ Like John Daniel was sure and certain about the final triumph of the kingdom of God

Hearing the Message of Daniel

Christopher J. H. Wright, 2017-02-28 In many corners of the world these days the climate of hostility hangs over any overt Christian faith commitment Any kind of Christian commitment is now assumed to imply intolerance and often prompts reactions that range from a low grade hostility and exclusion in the West to the vicious and murderous assaults on Christian believers in Pakistan Nigeria Kenya Egypt Syria and Iraq and elsewhere Such issues are not new Christians have faced them

ever since Nero's lions and even before that Jews also have faced the same questions all through their history most tragically sometimes enduring horrendous persecution from states claiming to be Christian So it is not surprising that the Bible gives a lot of attention to these questions The book of Daniel tackles the problem head on both in the stories of Daniel and his friends and in the visions he received A major theme of the book is how people who worship the one true living God the God of Israel can live and work and survive in the midst of a nation a culture and a government that are hostile and sometimes life threatening What does it mean to live as believers in the midst of a non Christian state and culture How can we live in the world and yet not let the world own us and squeeze us into the shape of its own fallen values and assumptions The book was written to encourage believers to keep in mind that the future no matter how terrifying it may eventually become rests in the hands of the sovereign Lord God and in that assurance to get on with the challenging task of living in God's world for the sake of God's mission

The Message of Daniel Dale Ralph Davis, 2024-01-18 The Old Testament book of Daniel contains well known stories Daniel in the den of lions his three companions in a fiery furnace and the strange handwriting on the wall at Belshazzar's feast which struck terror in the heart of the Babylonian king However this book can be difficult to understand Along with stories about Judean exiles working in the court of pagan kings it also consists of Daniel's enigmatic visions and prophecies about the future It is written in two languages Hebrew and Aramaic and the language division does not match the subject division Therefore Dale Ralph Davis explores the book's background discusses significant interpretative issues and problems and offers a lively exposition of Daniel's message which may be summed up in the words of Jesus the end is not yet but the one who endures to the end will be saved Mark 13:7-13 The Bible Speaks Today series covers every book of the Old and New Testaments as well as Bible themes that run through the whole of Scripture These revised editions are redesigned inside and out and have been sensitively updated with contemporary language and Bible translations to help you follow study and teach the Bible in today's world

A Primer on the Book of Daniel Ted Noel, 2009-01-01 The Common Market is going to be the kingdom of the Antichrist Jesus will return within 40 years of the creation of the state of Israel in 1948 The Battle of Armageddon will come when the Soviet Union invades Israel over oil Those newspaper mileposts passed and the Soviet Union fell The faithful Christian has his faith shaken every time prophetic teaching based on the New York Times fails Critics have a field day with each wrong interpretation Then a new theory that fits the daily news better than the last one pops up Each time the sensational new speculation fails Could it be that prophecy writers are listening to CNN more than to God When a careful Christian reads a scholarly work it can be about as interesting as reading the telephone book Scholars do great research but their books generally are written to other scholars not to the rest of us Isn't there a better choice You're holding it A Primer on the Book of Daniel is designed for you It's written in your language not the almost foreign jargon of the scholar At the same time it's drawn from the work of scholars who have studied
