Medicine Across Borders: Exploration of Grey Zones Susanne

Lundin, Rui Liu, Elmi Muller, Anja Smith, 2023-11-15 Medicine Across Borders provides an interdisciplinary space to discuss the issue of substandard and falsified medical products. Scholars from social and medical sciences collaboratively contribute insight to improving safe medicine access. The circulation of medicines and medical products on the informal market is well known. Stakeholders including governmental agencies and biotechnic enterprises invest much effort in designing and implementing macrolevel interventions to limit the spread of such products. Nevertheless, there is a lack of knowledge and understanding of how informal markets function in everyday medicine access and use. This applies to professionals within and beyond academia, state governments as well as the general public. This book takes an international perspective examining the issue of substandard and falsified medical products cross nationally. Falsified and poor quality medicines are prevalent in low and middle income countries, but this book also includes research from high income countries arguing that they too have vulnerabilities and emphasising the need for vigilance even in well resourced and well regulated regimes. Medicine Across Borders: Exploration of Grey Zones provides an interdisciplinary space for a depth and diversity of material that spotlights some contemporary themes hindering access to essential medicines and driving the penetration of substandard and falsified medical products. The authors are drawn from a range of academic disciplines across the social and medical sciences, presenting findings from data collected using an eclectic mix of methods and analysis. Surveys, ethnography, narrative case studies, statistical and thematic analysis are all deployed.

Inside Grey's Anatomy: The

Unauthorized Biography of Jamie Dornan Marc Shapiro, 2015-02-09 Jamie Dornan came to the role of Christian Grey in the motion picture Fifty Shades of Grey as Hollywood's answer to a prayer when the original actor Charlie Hunnam left the picture a scant three weeks before production was set to begin. But the reality was that Dornan's being thrust into instant celebrity was more than a decade in the making, chronicled in entertaining depth in the Inside Grey's Anatomy: The Unauthorized Biography of Jamie Dornan by New York Times best-selling author Marc Shapiro. Dornan's story is ripe with pathos, talent, determination and luck. After losing his mother at an early age, Dornan struggled with frustration and aimlessness as he attempted to find his way in the world. Luck entered the picture when he stumbled into the world of international modeling where, after being dubbed The Golden Torso, he reluctantly rode the glitz and glamour, making money, dating the most sought-after women, but ultimately chaffing as he dreamed of becoming an actor. His determination finally kicked open the door with important works in both television and film. Finally, the phone rang early one morning and Christian Grey was born.

The House of Grey: Vol 4 Collin Earl, 2012-08-05 Volume 4 in The House of Grey Series
