brought forth the religion given to humankind which foreshadowed all that was to be and a promise of inheritance to all who choose to receive including Jews who return to their roots You will better understand Jewish history and how Christianity rather than being a new religion is a continuation of the religion of the Jews as given by God As a result Christians will better understand their own religious heritage and their Jewish spiritual roots while the Jewish reader will see how Christianity arose from Judaism in its pure form

Movies and Midrash Wendy I. Zierler, 2017-08-15 Finalist for the 2017 National Jewish Book Award in Modern Jewish Thought and Experience presented by the Jewish Book Council Movies and Midrash uses cinema as a springboard to discuss central Jewish texts and matters of belief A number of books have drawn on films to explicate Christian theology and belief but Wendy I Zierler is the first to do so from a Jewish perspective exploring what Jewish tradition text and theology have to say about the lessons and themes arising from influential and compelling films The book uses the method of inverted midrash while classical rabbinical midrash begins with exegesis of a verse and then introduces a mashal parable as a means of further explication Zierler turns that process around beginning with the culturally familiar cinematic parable and then analyzing related Jewish texts Each chapter connects a secular film to a different central theme in classical Jewish sources or modern Jewish thought Films covered include The Truman Show truth Memento memory Crimes and Misdemeanors sin Magnolia confession and redemption The Descendants birthright Forrest Gump cleverness and simplicity and The Hunger Games creation of humanity in God's image among others
