The Sins of Scripture John Shelby Spong, 2009-10-13 In the history of the Western World the Bible has been a perpetual source of inspiration and guidance for countless Christians However this Bible has also left a trail of pain It is undeniable that the Bible is not always used for good Sometimes the Bible can seem overtly evil Sometimes its texts are terrible Bishop John Shelby Spong boldly approaches those texts that have been used through history to justify the denigration or persecution of others while carrying with them the implied and imposed authority of the claim that they were the Word of God As he exposes and challenges what he calls the terrible texts of the Bible laying bare the evil done by these texts in the name of God he also seeks to redeem these texts hoping to recover their ultimate depth and purpose Spong looks specifically at texts used to justify homophobia anti-Semitism treating women as second class humans corporal punishment and environmental degradation but he also delivers a new picture of how Christians can use the Bible today As Spong battles against the way the Bible has been used throughout history he provides a new framework introducing people to a proper way to engage this holy book of the Judeo-Christian tradition
