Sioux And Other Native American Cultures Of The Dakotas:

The Sioux and Other Native American Cultures of the Dakotas Christopher J. Hoover,1993-10-25 The Sioux tribes are known as the Dakota Indians **Atlas of the Indian Tribes of North America and the Clash of Cultures** Nicholas J. Santoro,2009 Atlas of the Indian Tribes of the Continental United States and the Clash of Cultures The Atlas identifies of the Native American tribes of the United States and chronicles the conflict of cultures and Indians fight for self preservation in a changing and demanding new world The Atlas is a compact resource on the identity location and history of each of the Native American tribes that have inhabited the land that we now call the continental United States and answers the three basic questions of who where and when Regretfully the information on too many tribes is extremely limited For some there is little more than a name The history of the American Indian is presented in the context of America s history its westward expansion official government policy and public attitudes By seeing something of who we were we are better prepared to define who we need to be The Atlas will be a convenient resource for the casual reader the researcher and the teacher and the student alike A unique feature of this book is a master list of the varied names by which the tribes have been known throughout history

Resources in Education ,1996-06 **Prairie Republic** Jon K. Lauck,2012-10-11 American democratic ideals civic republicanism public morality and Christianity were the dominant forces at work during South Dakota s formative decade What In our cynical age such a claim seems either remarkably na ve or hopelessly outdated Territorial politics in the late nineteenth century West is typically viewed as a closed door game of unprincipled opportunism or is caricatured as in the classic film The Man Who Shot Liberty Valance as a drunken exercise in bombast and rascality Now Jon K Lauck examines anew the values we like to think were at work during the founding of our western states Taking Dakota Territory as a laboratory for examining a formative stage of western politics Lauck finds that settlers from New England and the Midwest brought democratic practices and republican values to the northern plains and invoked them as guiding principles in the drive for South Dakota statehood Prairie Republic corrects an overemphasis on class conflict and economic determinism factors posited decades ago by such historians as Howard R Lamar Instead Lauck finds South Dakota s political founders to be agents of Protestant Christianity and of civic republicanism an age old ideology that entrusted the polity to independent landowning citizens who placed the common interest above private interest Focusing on the political culture widely shared among settlers attracted to the Great Dakota Boom of the 1880s Lauck shows how they embraced civic virtue broad political participation and agrarian ideals Family was central in their lives as were common school education work and Christian community In rescuing the story of Dakota s settlers from historical obscurity Prairie Republic dissents from the recent darker portrayal of western history and expands our view and understanding of the American democratic tradition

American Indian Tribes: Tribes and traditions : Miwok R. Kent Rasmussen,Salem Press,2000 Two volume set with brief entries for all known American Indian tribes The Infamous Dakota War Trials of 1862 John A. Haymond,2016-05-19

The U S Dakota War the bloodiest Indian war of the 19th century erupted in southwestern Minnesota during the summer of 1862 In the war s aftermath a hastily convened commission of five army officers conducted trials of 391 Indians charged with murder and massacre In 36 days 303 Dakota men were sentenced to death In the largest simultaneous execution in American history 38 were hanged on a single gallows on December 26 1862 an incident now widely considered an act of revenge rather than judicial punishment Providing fresh insight into this controversial event this book examines the Dakota War trials from the perspective of 19th century military law The author discusses the causes and far reaching consequences of the war the claims of widespread atrocities the modern debate over the role of culture in lawful warfare and how the war has been depicted by historians *The Dakotas Off the Beaten Path*® Lisa Meyers McClintick,2015-05-01 Tired of the same old tourist traps Whether you re a visitor or a local looking for something different let The Dakotas Off the Beaten Path show you a side of North and South Dakota you never knew existed See the house Pa built during the annual Laura Ingalls Wilder Pageant in De Smet South Dakota Excavate mammoth bones in the Black Hills or spelunk in some of the world s largest caves Dance to Norwegian fiddles at North America s largest Scandinavian festival or lose yourself in the brilliant splendor of a powwow So if you ve been there done that one too many times get off the main road and venture Off the Beaten Path

Federal Register ,2012-02 **Native Americans: 22 Books on History, Mythology, Culture & Linguistic Studies** Charles C. Royce,Clay MacCauley,Franz Boas,William John McGee,James Mooney,Garrick Mallery,John Wesley Powell,Lewis Spence,Erminnie A. Smith,James Owen Dorsey,Frank Hamilton Cushing,Cyrus Thomas,John G.
