**Poems by Sir David Lyndsay of the Mount ... Selected and Edited by Maurice Lindsay** Sir David Lindsay,Maurice Lindsay,1948 **The Poetical Works of Sir David Lyndsay** Sir David Lindsay,1879 **The Poetical Works of Sir David Lyndsay of the Mount, Lyon King of Arms, Vol. 1 of 2 (Classic Reprint)** David Lindsay,2017-12-12 Excerpt from The Poetical Works of Sir David Lyndsay of the Mount Lyon King of Arms Vol 1 of 2 The attention of this intelligent and polished kingdom has been drawn very much during late times to the simple and rude but natural lays of its ancient Poets Meantime the Critics of Edinburgh called for a more accurate edition of the Poems of Sir David Lyndsay than the public enjoys after the corruptions of two centuries and shelf I obeyed this call with the more alacrity as I had recently traced with a different view the history of the scoto saxon language and had cast a curious eye on the life and labours of Lyndsay the Langelande of Scotland The notions of Lyndsay indeed are very different from mine both as a politician and a poet but I perceived that the republication of his poetry might be made the

commodious vehicle of my own sentiments with regard to the origin the nature and the introduction of the Teutonic tongue into Gaelic Scotland In performing the task which I had thus imposed on myself I now lay before the reader a new edition of the Poetical Works of Sir David Lyndsay corrected and enlarged with the H istorie of Squyer Meldrum and the Satyr c of the Three Estaitis By troubling several friends and making many searches I have been enabled to give some new notices of our satirist who to use Dryden s phrase may be said to have lashed vice into reformation I have endeavoured to adjust the chronology of Lyndsay 3 several poems which had never been before essayed I have given an historical view of the Scottish speech previous to his age with observations on his language I have settled the text of our vernacular poet from a diligent collation of the oldest editions of his poems And I have subjoined an appropriate Glossary which incidentally demonstrates that the common source of Scottish speech is the Anglo Saxon dialect of the Northumbrian kingdom About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
