James,2021-04-19 **Sir Dominick Ferrand** Henry James,2021-04-08 There are several objections to it but I ll take it if you ll alter it Mr Locket s rather curt note had said and there was no waste of words in the postscript in which he had added If you ll come in and see me I ll show you what I mean This communication had reached Jersey Villas by the first post and Peter Baron had scarcely swallowed his leathery muffin before he got into motion to obey the editorial behest He knew that such precipitation looked eager and he had no desire to look eager it was not in his interest but how could he maintain a godlike calm principled though he was in favour of it the first time one of the great magazines had accepted even with a cruel reservation a specimen of his ardent young genius It was not till like a child with a sea shell at his ear he began to be aware of the great roar of the underground that in his third class carriage the cruelty of the reservation penetrated with the taste of acrid smoke to his inner sense It was really degrading to be eager in the face of having to alter *Sir Dominick Ferrand*
