**Cranks and Gadflies** Mark Daniel,2005 Dismissed by the Tories as cranks and gadflies the United Kingdom Independence Party UKIP has in a short period of time became the fourth largest party in UK politics This book looks at the rise of UKIP exploring both its origins and its history *The Emergence of Charismatic Business Leadership* Richard S. Tedlow,2021-09-14 The author of *Giants of Enterprise* examines the evolving role of business leaders in the 21st century with essential lessons from today s trailblazers In *The Emergence of Charismatic Business Leadership* Harvard Business School Emeritus professor Richard S Tedlow reveals how a handful of individuals have transformed modern day leadership making charisma essential to the role He looks at leaders like Oprah Winfrey Elon Musk and Steve Jobs three pioneers who found success by innovating their management style and using their charisma to champion their vision Through Tedlow s in depth accounts of modern business history we see how former outsiders attain power and influence and how charismatic leadership enables the creation of revolutionary products like the battery electric vehicle and the smart phone But Tedlow also considers the careers of people who used their charisma to mislead such as Jeff Skilling of Enron and Elizabeth Holmes of Theranos In this thorough examination Tedlow shows how charisma when combined with genuine character can get you far

*Supranationalism in the New World Order* Paul Close,Emiko Ohki-Close,1999-03-25 *Supranationalism in the New World Order* argues that in the post Cold War distribution of global power and configuration of global players the European Union is just one among a growing number of regional regimes that are acquiring prominent roles in the process of global governance to some extent through the operation of differentiated zones of geo political management The EU is currently the most advanced and influential example of a regional regime by virtue of having the novel European Community at its core the EC uniquely being constructed around supranational institutions decision making and laws But the EU s uniqueness is unlikely to last The evident competitive advantages of supranational regional regimes in conjunction with the realism generally adopted by the various global players is conducive to the consolidation and proliferation of SRRs in a manner consistent with the neo functionalist perspective on the progress of the EU Other prospective SRRs include the Association of Southeast Asian Nations the East Asian Economic Caucus the South Asian Society for Regional Cooperation the North American Free Trade Area and the Andean Community It is argued that the emerging character of the global system will increasingly depend on SRRs the relationships among such organizations and accordingly the doctrine of supranationalism The book offers a distinctive way of representing the global system global processes and global developments with the help

**Committee Investigating the Iran-Contra Affair** ,1988 Exploring Corpora for ESP Learning Laura Gavioli,2005-01-01

This book investigates the effects of corpus work on the process of foreign language learning in ESP settings It suggests that observing learners at work with corpus data can stimulate discussion and re thinking of the pedagogical implications of both the theoretical and empirical aspects of corpus linguistics The ideas presented here are developed from the Data Driven Learning approach introduced by Tim Johns in the early nineties The experience of watching students perform corpus analysis provides the basis for the two main observations in the book a corpus work provides students with a useful source of information about ESP language features b the process of search and discovery implied in the method of corpus analysis may facilitate language learning and promote autonomy in learning language use The discussion is carried out on the basis of a series of corpus based explorations by students and provides suggestions for developing new tasks and tools for language learners **Plant Here The Standard** Dennis Griffiths,2016-07-27 Plant Here the Standard tells the story of the world s

oldest evening newspaper the London Evening Standard Commencing in the time of Oliver Cromwell it traces the history of the Baldwin Family fearless Protestant publishers whose successors launched The Standard in 1827 Later owners of the paper were to include C Arthur Pearson founder of the Daily Express Lord Beaverbrook and now Lord Rothermere And throughout there are tales of the paper s scoops its famous journalists and cartoonists and its political involvements **The British Presidency** Michael Foley,2000 The Premiership of Tony Blair has not only reaffirmed previous trends towards leader centered parties and governments it has provided a decisive change in the development of a British presidency The strategies and techniques designed to secure and expand Blair s public outreach together with the priority attached to the prime minister s personal pledges and individual vision have propelled the office into new dimensions of independence Michael Foley argues that the ascendancy of Blair is not an aberration but rather a culmination of trends that have established vigorous leadership as a key criterion of political evaluation and governing competence This edition is completely up to date including the first convincing analysis of Tony Blair s leadership style **Report of the Congressional**
