Sir Richard Grenville Of The Civil War

H. Evans

Sir Richard Grenville Of The Civil War:

Sir Richard Grenville of the Civil War Amos C. Miller,1979 **The English Civil War** Nick Lipscombe,2020-09-17

The English Civil War is a joy to behold a thing of beauty this will be the civil war atlas against which all others will judged and the battle maps in particular will quickly become the benchmark for all future civil war maps Professor Martyn Bennett Department of History Languages and Global Studies Nottingham Trent University The English Civil Wars 1638 51 comprised the deadliest conflict ever fought on British soil in which brother took up arms against brother father fought against son and towns cities and villages fortified themselves in the cause of Royalists or Parliamentarians Although much historical attention has focused on the events in England and the key battles of Edgehill Marston Moor and Naseby this was a conflict that engulfed the entirety of the Three Kingdoms and led to a trial and execution that profoundly shaped the British monarchy and Parliament This beautifully presented atlas tells the whole story of Britain s revolutionary civil war from the earliest skirmishes of the Bishops Wars in 1639 40 through to 1651 when Charles II s defeat at Worcester crushed the Royalist cause leading to a decade of Stuart exile Each map is supported by a detailed text providing a complete explanation of the complex and fluctuating conflict that ultimately meant that the Crown would always be answerable to Parliament

Recollection in the Republics Imogen Peck,2021 *Recollection in the Republics* provides the first comprehensive study of the ways Britain s Civil Wars were remembered in the decade between the regicide and the restoration **England's Islands in a Sea of Troubles** David Cressy,2020-10-30 *England s Islands in a Sea of Troubles* examines the jurisdictional disputes and cultural complexities in England s relationship with its island fringe from Tudor times to the eighteenth century and traces island privileges and anomalies to the present It tells a dramatic story of sieges and battles pirates and shipwrecks prisoners and prophets as kings and commoners negotiated the political military religious and administrative demands of the early modern state The Channel Islands the Isle of Wight the Isles of Scilly the Isle of Man Lundy Holy Island and others emerge as important offshore outposts that long remained strange separate and perversely independent England s islands were difficult to govern and were prone to neglect yet their strategic value far outweighed their size Though vulnerable to foreign threats their harbours and castles served as forward bases of English power In civil war they were divided and contested fought over and occupied Jersey and the Isles of Scilly served as refuges for royalists on the run Charles I was held on the Isle of Wight External authority was sometimes light of touch as English governments used the islands as fortresses commercial assets and political prisons London was often puzzled by the linguistic differences tangled histories and special claims of island communities Though increasingly integrated within the realm the islands maintained challenging peculiarities and distinctive characteristics Drawing on a wide range of sources and the insights of maritime military and legal scholarship this is an original contribution to social cultural and constitutional history *The Devil Comes to Dartmoor* Laura Quigley,2011-10-01 Many will have heard of the ghostly white lady haunting Tavistock the notorious Mary Howard

accused of murdering her four husbands A few may know the true story of her lover George Cutteford a Plymouth cutty man who became a Puritan lawyer Cutteford was imprisoned in the horror of Lydford Gaol persecuted by Mary s fourth husband Sir Richard Grenville the most notorious and sadistic royalist General of the Civil War But fewer still will know the secrets George Cutteford died to protect secrets that would destroy his own family end Grenville s career in shame and make a boy with no name the richest landowner in Devon Gathered from the varying historical accounts and including primary material unearthed hundreds of years ago in an old fish market in London comes this haunting true story of love treachery and revenge in seventeenth century Devon

The Art of War in Twenty Battles Anthony Tucker-Jones,2018-04-02 The second millennium of mankind has been characterised by almost incessant warfare somewhere on the face of the globe The Art of War in Twenty Battles serves as a snapshot of the development of warfare over the past 1 000 years illustrating the bravery and suffering mankind has inflicted upon itself in developing what we call the Art of War Here military historian Anthony Tucker Jones selects twenty battles that illustrate the changing face of warfare over the past thousand years from the Viking shield wall to long bows and knights the emergence of gunpowder and finally the long range faceless warfare of today This is a look at the killing game and its devastating impact

Bibliotheca Cornubiensis George Clement Boase,1882

Devonshire Folk Tales Michael Dacre,2011-09-16 Devon is a county rich in history and folklore the roots of which lie in the beliefs of ancient Celtic inhabitants Long ago whilst middle England was converted to Christianity the Celtic people of the edge lands were still Druids With no explanation offered for the cycles of hardship and abundance a large amount of folklore and superstition emerged Moulded by the land weather and generations of people s attempts to make sense of the world these thirty tales are full of Devonshire wit and wisdom and tell of the strange and macabre memories of magic and otherworlds and proud recollections of folk history The captivating stories brought to life with unique illustrations from the author will be enjoyed by readers time and again

Our Old Nobility Howard Evans,1879

The History of the English People (All 8 Volumes) John Richard Green,2021-05-07 The History of the English People in eight volumes is a work of social history dealing with the origin and development of the British nation focusing on the events that played a big role in the formation of the nation Starting from the early middle ages the work goes from early origins of the waves of migration of the people who became the Britons and ends up in the Empire period of the late 19th century Volume I Early England 449 1071 Foreign Kings 1071 1204 The Charter 1204 1216 Volume II The Charter 1216 1307 The Parliament 1307 1400 Volume III The Parliament 1399 1461 The Monarchy 1461 1540 Volume IV The Reformation 1540 1593 Volume V Puritan England 1603 1660 Volume VI Puritan England 1642 1660 The Revolution 1660 1683 Volume VII The Revolution 1683 1760 Modern England 1760 1767 Volume VIII Modern England 1760 1815
