**Sir Dominick Ferrand** Henry James,2021-04-19 **Henry James - Sir Dominick Ferrand** Henry James,2020-10-10 Peter Baron in his dressing gown and slippers with his hands in his pockets crept softly about the room repeating below his breath and with inflections that for his own sake he endeavoured to make humorous Three hundred three hundred His state of mind was far from hilarious for he felt poor and sore and disappointed but he wanted to prove to himself that he was gallant Includes a biography of the author **Sir Dominick Ferrand** Henry James,2021-04-11 This version of Sir Dominick Ferrand includes a biography of the author Henry James at the end of the book This includes life before and after the release of the book a down on his luck writer makes an impulsive decision to buy a secondhand desk and in its nooks and crannies he finds a cache of secret documents that contain explosive secrets that could besmirch the legacy of a prominent politician Will he leverage his findings to make an easy buck *Sir Dominick Ferrand (Esprios Classics)* Henry James,2021-06-21 Henry James OM 1843 1916 was an Anglo American novelist He was one of the most important literary people of the late 19th century James was the son of Henry James Senior a clergyman and the brother of William James the psychologist and philosopher He grew up mostly in the United States but spent the majority of his life in England He became a British citizen in 1915 His sister Alice James was also a writer In his novels he wrote from the viewpoint of one of the characters Some literary critics compared this to impressionist painting In his own literary criticism James insisted that writers be allowed the greatest possible freedom in how they looked at the world *Sir Dominick Ferrand* Henry James,2021-04 This version of Sir Dominick Ferrand includes a biography of the author Henry James at the end of the book This includes life before and after the release of the book a down on his luck writer makes an impulsive decision to buy a secondhand desk and in its nooks and crannies he finds a cache of secret documents that contain explosive secrets that could besmirch the legacy of a prominent politician Will he leverage his findings to make an easy buck *Sir Dominick Ferrand - Publishing People Series* Henry James,2020-10-24 There are several objections to it but I ll take it if you ll alter it Mr Locket s rather curt note had said and there was no waste of words in the postscript in which he had added If you ll come in and see me I ll show you what I mean

This communication had reached Jersey Villas by the first post and Peter Baron had scarcely swallowed his leathery muffin before he got into motion to obey the editorial behest. He knew that such precipitation looked eager and he had no desire to look eager; it was not in his interest but how could he maintain a godlike calm principled though he was in favour of it the first time one of the great magazines had accepted even with a cruel reservation a specimen of his ardent young genius. It was not till like a child with a sea shell at his ear he began to be aware of the great roar of the underground that in his third class carriage the cruelty of the reservation penetrated with the taste of acrid smoke to his inner sense. It was really degrading to be eager in the face of having to alter. Peter Baron tried to figure to himself at that moment that he was not flying to betray the extremity of his need but hurrying to fight for some of those passages of superior boldness which were exactly what the conductor of the Promiscuous Review would be sure to be down upon. He made believe as if to the greasy fellow passenger opposite that he felt indignant but he saw that to the small round eye of this still more downtrodden brother he represented selfish success.

*The Real Thing* Henry James, 1921

*Sir Dominick Ferrand & The Altar of the Dead* Henry James, 2020-11-24 *The Altar of the Dead* is a short story by Henry James first published in his collection *Terminations* in 1895. A fable of literally life and death significance the story explores how the protagonist tries to keep the remembrance of his dead friends to save them from being forgotten entirely in the rush of everyday events. He meets a woman who shares his ideals only to find that the past places what seems to be an impassable barrier between them. Although James was not religious in any conventional sense the story shows a deep spirituality in its treatment of mortality and the transcendent power of unselfish love. Aging George Stransom holds sacred the memory of the great love of his life Mary Antrim who died before they could be married. One day Stransom happens to read of the death of Acton Hague a former friend who had done

him a terrible harm Stransom starts to dwell on the many friends and acquaintances he is now losing to death He begins to light candles at a side altar in a Catholic church one for each of his Dead except Hague Later he notices a woman who regularly appears at the church and sits before his altar He intuitively understands that she too honours her Dead and they very gradually become friends However Stransom later discovers that her Dead number only one Acton Hague Hague had wronged her too but she has forgiven him When his friend realises Stransom s feelings about Hague she declares that she can no longer honour Hague at Stransom s altar Stransom cannot bring himself to resolve the issue by forgiving Hague and adding a candle for him This disagreement drives the two friends apart Stransom s friend ceases visiting the altar and Stransom himself can find no peace there Months later Stransom now dying visits his altar one last time Collapsing before the altar he has a vision of Mary Antrim and it seems that Mary Antrim is asking him to forgive Hague H e felt his buried face grow hot as with some communicated knowledge that had the force of a reproach It suddenly made him contrast that very rapture with the bliss he had refused to another This breath of the passion immortal was all that other had asked the descent of Mary Antrim opened his spirit with a great compunctious throb for the descent of Acton Hague He turns and sees his friend who has finally become reconciled to him having decided to visit the altar to honour not her own Dead but Stransom s Stransom dying tries to tell her that he is ready to add a candle for Hague but is able only to say One more just one more The story ends with his face showing the whiteness of death Thus Stransom s last words are rendered ambiguous

**The Hero** William Somerset Maugham,2022-11-13 In *The Hero* William Somerset Maugham crafts a poignant narrative that

explores themes of identity ambition and the duality of human nature The story revolves around a seemingly unremarkable protagonist who is thrust into the limelight prompting a deep examination of societal perceptions of heroism and the often absurd expectations placed upon individuals Maugham s characteristic wit and keen observational style enhance the novella rendering complex characters that resonate with authenticity Set against the backdrop of early 20th century society the work reflects Maugham s critique of contemporary cultural norms while drawing on rich literary traditions of psychological realism and existential inquiry Maugham a master of character driven storytelling was influenced by his own life experiences including his navigation of London s literary scene and his exposure to different cultures during his extensive travels His insights into human behavior shaped by his early struggles and later successes lend a profound depth to *The Hero* Maugham s background as a playwright and novelist informs his intricate character development and thematic explorations making this novella a compelling study of personal and societal conflict Readers seeking a thought provoking contemplation on the nature of heroism and the strife for self identity will find *The Hero* an essential work Maugham s incisive narrative invites us to reflect on our own definitions of greatness challenging us to consider the true costs of recognition and the complexities behind public personas This novella is not merely a tale of a hero but a clarion call for introspection and understanding in an often superficial world
