The Public Career of Sir Thomas More John Alexander Guy, 1980 **Sir Thomas More** Anthony Munday, Henry Chettle, 1990 This modern spelling critical edition of a famous and controversial theatrical document from the Elizabethan age shows that Sir Thomas More is the best extant example of the genre of biographical history Following a radical re-examination of the manuscript this edition relates step by step to the process by which the play acquired its final form accounting in the collation and in the rejected or alternative passages at the end of the text for each single word or mark found in the manuscript Particular attention is devoted to the use of sources not previously identified most of which are reproduced in the appendices **Life and Writings of Sir Thomas More** Thomas Edward Bridgett, 1891 *The Life and*
