presented his characters without judging them Dreiser fought against censorship of Sister Carrie brought about because Carrie engaged in affairs and other illicit sexual relationships without suffering any consequences This flouted prevailing norms that a character who practiced such sinful behavior must be punished in the course of the plot in order to be taught a Sister Carrie Theodore Dreiser, 2020-11-20 Sister Carrie A Novel by Theodore Dreiser Sister Carrie Theodore Dreiser, 2019-12-16 Sister Carrie 1900 is a novel by Theodore Dreiser about a young country girl who moves to the big city where she starts realizing her own American Dream by first becoming a mistress to men that she perceives as superior and later as a famous actress Sister Carrie Theodore Dreiser, Sister Carrie 1900 is a novel by Theodore Dreiser about a young country girl who moves to the big city where she starts realizing her own American Dream by first becoming a mistress to men that she perceives as superior and later as a famous actress **Sister Carrie** Theodore Dreiser, 2021-10-13T17:45:34Z Caroline Meeber known as Sister Carrie to her family moves to Chicago at the tender age of eighteen to try to make something of herself Living with her sister and brother in law she quickly finds that life and work are hard in the big city She soon takes up with a traveling salesman she met on the train into town Months later her eye is turned by one of the salesman's acquaintances George Hurstwood and vice versa A series of events lead Carrie and Hurstwood to New York City where both struggle to live out the aspirations that brought them there Theodore Dreiser was one of the earliest naturalist writers but he wrote Sister Carrie while the United States was still very Victorian in its morals The book therefore caused a stir from the beginning Carrie Meeber was clearly even in the disguised language of the time a sexually active unmarried female who wasn t made to suffer for her indiscretion to the extent considered necessary at the time Dreiser's depiction of rough language merely added to the controversy. The first printing sold only 456 copies in two years it was to be another five years before Dreiser could convince another publisher to carry the book Today it's considered a classic and one of the greatest of all American urban novels The text of Sister Carrie was unchanged until 1981 when the University of Pennsylvania Press published a new version with 36 000 words restored The edition was not without controversy the cuts were originally made before the first printing at the suggestion of Dreiser's wife or his friend Arthur Henry and Dreiser had approved all of them Although the new Pennsylvania Edition as it is called made a good case for restoring the changes it is the 1907 text that remains the most widely available today and it is that text in this edition This book is part of the Standard Ebooks project which produces free public domain ebooks **Sister Carrie** Theodore Dreiser, 1994-08-01 Sister Carrie Theodore Dreiser, 2006 When a girl leaves home at eighteen she does one of two things Either she falls into saving hands and becomes better or she rapidly assumes the cosmopolitan standard of virtue and becomes worse With Sister Carrie first published in 1900 Theodore Dreiser transformed the conventional fallen woman story into a genuinely innovative and powerful work of fiction As he hurled his impressionable midwestern heroine into the throbbing amoral world of the big city he revealed with brilliant insight the deep and driving forces of American culture the restless idealism glamorous materialism

Sister Carrie, by Theodore <u>Dreiser (Author)</u> Theodore Dreiser, 2016-03-29 Regarded by many critics as the greatest novel on urban life ever composed Sister Carrie tells the story of Caroline Meeber an 18 year old from rural Wisconsin whose new life in Chicago takes her on an astonishing journey from the despairing depths of industrial labor to the staggering heists of fame and stardom Representing the transition from the heavy moralizing of the Victorian era to the realism of modern literature Sister Carrie remains a literary milestone that examines the human condition and all its flaws The Novel and the Obscene Florence Dore, 2005 The Novel and the Obscene challenges our vision of early twentieth century America as sexually progressive by identifying a resonant silence at the heart of the modernist American novel a narrative mode that renders censorship symbolic at the very moment of its legal demise **Sister Carrie** Theodore Dreiser, 2010
