**The Sisters of Lady Jane Grey and Their Wicked Grandfather: Being the True Stories of the Strange Lives of Charles Brandon, Duke of Suffolk, and the Ladies Katherine and Mary Grey, Sisters** Richard Davey, 2020-09-28 The amazing marriage of Katherine of Valois widow of Henry V with Owen Tudor possibly accounts for much that was abnormal in the character of their royal descendants of the redoubted House of Tudor The queen dowager was the daughter of the mad King Charles VI of France and of his licentious consort Isabeau of Bavaria bad blood indeed and Owen was a mere soldier of fortune In his grandson Henry VII's day a goodly pedigree was discovered for him which set forth that far from being a mean born pup as was popularly reported Owen was descended from Kenan son of Coel who was king of Britain and brother of Helen the mother of Constantine the Great As to Owen ap Merideth ap Twydder or Tudor good old Sandford affirms that the Meanness of his Estate was recompensated by the Delicacy of his Person so absolute in all the Lineaments of his Body that the only Contemplation of it might make a Queen forget all other Circumstances which it did Stowe who lived near enough to those times to receive direct tradition concerning this brave soldier says in his Annals that he was as ignorant as any savage Tall beyond the average the founder of the House of Tudor carried himself with a perfect grace He was well featured with hair that was curly and yellow as gold At an entertainment given in 1423 and attended notwithstanding her recent bereavement by the widowed queen this Adonis while in the act of executing an intricate pirouette fell at the royal lady's feet Whether the passion kindled by this ludicrous accident was reciprocated we are not told but so ardent was it on Katherine's part at least that she soon afterwards clandestinely married the handsome Welshman The enemies of the House of Tudor averred that this secret marriage never really took place and it is a singular fact that no allusion whatever is made to it in the hearse verse originally placed over the tomb of Queen Katherine in Westminster Abbey and quoted in full in the contemporary Chronicle of William of Worcester

*Four Sisters of Hofei* Annping Chin, 2013-02-26 Four Sisters of Hofei is an intimate encounter with Chinese history told through the collective memory and stories of four sisters born between 1908 and 1924 and with the benefit of the extraordinary knowledge of Yale historian Annping Chin Now in their late eighties and early nineties the Chang sisters lived through a century of historic change in China In this extraordinary work assembled with the benefit of letter diaries family histories poetry journals and interviews Annping Chin shapes the story of this family into a riveting chronicle that provides uncanny insight into the old China and its transition to the new From their father the Chang sister inherited reason and a belief in the virtues of modern education From their mother they learned about the human spirit and the art of finding an appropriate path Their nurse nannies uneducated widows from the Hofei countryside contributed their own traditional beliefs and opinions on modern ways As the sisters grew up one broke with tradition to marry an actor one survived the most violent political years of Communist rule one married one of China's greatest novelists and one raised separately by her

devout Buddhist great aunt was taught to be a rigorous practitioner of China's classical arts. The Chang sisters' prolific correspondence provides a rare glimpse of private life in China during the twentieth century as well as a chronicle of the country from prosperity to persecution from foreign wars to Cultural Revolution. In Chin's expert prose *Four Sisters of Hefe* is an intensely personal story that illustrates the complex history of a complex land. *Secret Admirer (a butler and sister of a duke historical regency romance)* Ruth Ann Nordin, Lady Rachel the sister of the very wealthy and highly esteemed Duke of Creighton has entered her first Season with great anticipation. She loves wearing beautiful gowns. She loves talking to her friends. She loves going to balls and meeting gentlemen. This is going to be the most wonderful time of her life. When she starts receiving missives from a secret admirer it turns out the Season is even better than she imagined. What lady after all can resist the appeal of a mysterious stranger expressing his deep and abiding love in her. She sets out to enlist the help of an unlikely ally to find out who her secret admirer is. She knows it's not appropriate to be discussing such personal information with the butler but he is the only one she trusts to not tell anyone. Little does she realize the very one she's confiding in is the very one she's looking for. And there's no way he's telling her the truth since her brother and the rest of London would never approve the match.

**Grenadine** Neil Wechsler, 2009-10-27 Neil Wechsler's *Grenadine* has been chosen as the second winner of the Yale Drama Series. The play was selected by Pulitzer Prize winning playwright and contest judge Edward Albee. *Grenadine* is the fantastical story of a man's quest for love in the company of three devoted friends. Albee writes "I found it highly original. The questions the play asks and the answers it proposes are provocative; the play stretched my mind." About the Yale Drama Series. Each year's winner receives the David C. Horn Prize of

**The Sisters of Serapis (Historical Novel)** Georg Ebers, 2021-05-07 *The Sisters* is a historical novel set in the 2nd century BC that features the story of the twin sisters Klea and Irene growing up within the precincts of the temple of Serapis and serving as its wards. This carefully crafted ebook is formatted for your eReader with a functional and detailed table of contents. In front of these early visitors to the temple walked a man with a long staff in his right hand speaking to the two gentlemen who followed with the air of a professional guide who is accustomed to talk as if he were reading to his audience out of an invisible book and whom the hearers are unwilling to interrupt with questions because they know that his knowledge scarcely extends beyond exactly what he says. Of his two remarkable looking hearers one was wrapped in a long and splendid robe and wore a rich display of gold chains and rings while the other wore nothing over his short chiton but a Roman toga thrown over his left shoulder. *Sister of the Bride* Henrietta Reid, 1972 *Sisters of the Somme* Penny Starns, 2016-05-02 Following the outbreak of WWI the Order of St John appealed for volunteers to train as frontline medical staff at a major volunteer field hospital in Etaples, France. One such volunteer was Lily Fielding. Despite her training she was ill prepared for the stench of gangrene and other gruesome realities of war. This book is a heart warming account of

camaraderie and compassion based on the true stories of the VAD nurses who were at the Somme I am liking it here very much and could never have thought I would for a moment Of course there will always be days when the horror of nursing unnerves one Lily Fielding's diary July 1916      **The Manner of Receiving the Poor Sisters of St. Clare to Clothing**, 1795      Memoirs of the Pittsburgh Sisters of Mercy, 1918      The Seven Sisters of the Pleiades Munya Andrews, 2004 The history legend and mythology of a star cluster associated with women for aeons of human history Munya captures the richness of the mysterious constellation Pleiades and explains the recurring significance of these celestial sisters who animate the myths of cultures as diverse as Classical Greece and Aboriginal Australia      **Canadian Gazette and Export Trader**, 1911      **Light Shining Through a Veil** Edith van den Goorbergh, Theo H. Zweerman, 2000 The spirituality of Saint Clare of Assisi the soul mate of Saint Francis is the object of this book Her spirituality was inspired by Francis and she owes much to him like he to her This book is meant to be a contribution to the study of Clare and her thoughts In her four letters written to Saint Agnes of Prague Clare expresses herself more openly about her deepest motivations than in any other writing They concentrate on the heart of her choice of life and as such they reproduce the most beautiful gift which God gave her Clare's spirituality as it comes to the fore in these letters can only then be fully understood when we take into account their creative structure The specific aim of this book is to do justice to her texts in a method which to our knowledge was never applied before It consists in an elaborated analysis of the fine concentric structure of the letters to Agnes combined with an ongoing commentary in which historical data are also given attention      **Sharpe-Milford Family Record: Bicentennial Supplement** John Calvin Sharpe, 1976      *The Sisters of Lady Jane Grey and Their Wicked Grandfather* Richard Davey, 1911
