Robin Jones Gunn **Sisterchicks in Sombreros** Robin Jones Gunn, 2009-01-21 Two Canadian sisters inherit beachfront property in Mexico and take off on an adventure to claim their inheritance They travel opulently by cruise ship to Ensenada and survive a rocky trip through Baja California only to be shocked when they arrive in San Felipe Their beachfront property is indeed on the beach but the structure is a cement slab and the Airstream trailer their uncle parked on the property in the early 1960s With the help of a few locals the Canadian cuties figure out what to do with their less than desirable legacy The true gift they find is that they are reconnected as sisters and discover that everything that happened along the way was part of God s plan Say Ol the Sisterchick Way SISTERCHICK TM n a friend who shares the deepest wonders of your heart loves you like a sister and provides a reality check when you re being a brat Canadian sisters Melanie and Joanne are stunned to

hear they've inherited their uncle's beachfront summerhouse in Mexico. With a snap, a trip is planned. They'll travel opulently by cruise ship to Ensenada, zip over to San Felipe, sign a few papers at the bank, and the tropical hideaway will be theirs. What they don't expect is a spa treatment gone loco, snails and cactus on their dinner plates, risky ocean dips, a cross-country desert drive, a dishy doctor, or a Federale who doesn't speak English. Fortunately, some problems really can be solved with coconut cake, and if necessary, a water fight. The beachfront property and what it takes to get them there becomes a gift beyond their wildest wishes as these Sisterchicks relinquish themselves to the dreams God has for them all under the sombrero of His grace.

Story Behind the Book A year ago in July, an associate from my publishing house walked up to my friend and I and said, "You need to go on a cruise." She grinned and told us that she had a cruise package she couldn't use and it would be her delight to see my editor and me go to Mexico on a Sisterchick adventure. After we got over the shock, we gratefully made arrangements to go cruising in December. What a time we had! Was it research or was it recharging of our creative efforts? Both. The result is the third Sisterchicks novel, *Sisterchicks in Sombreros*. I love it when God does His God things. His eye is on the sparrow, or in this case, Robin and her Sisterchick friend.

Sisterchicks in Gondolas! Robin Jones Gunn, 2009-01-21

Ciao bella! SISTERCHICK, a friend who shares the deepest wonders of your heart, loves you like a sister and provides a reality check when you're being a brat. When Jenna is invited to Venice for a week of cooking for a small retreat group, she knows just who to take along: her sister-in-law, Sue. With her Dallas drawl and wild tangle of red hair, Sue desperately needs her own retreat from the pressures of the past two years, and blessedly for their guests, Sue actually knows how to cook, unlike Jenna. With about six words of Italian between them, a map, and a keen appetite for gelato, they puzzle out the lovely city together. During their stay, Jenna and Sue become victims of grace in ways they never expected, starting with their accommodations: a restored fifteenth-century palace on a quiet canal, complete with a stairwell perfect for mattress sledding. Coming out of a time of dark shadows in their lives, these two friends dive into a new season of refreshing and realize that sometimes, when serving God, the most important thing to do is just show up and watch for goodness and mercy to follow close behind. Come join Jenna and Sue over boiling pots of pasta in this lilting gondola-paced adventure.

Discussion guide included. **Story Behind the Book** *Sisterchicks in Gondolas* was birthed after Robin experienced Italy for herself. In the summer of 2004, I went to Venice with my lifetime fellow Sisterchick from Ireland, Ruby. She says, "We explored the city with our daughters and discovered the joys of Italian living. With a splash of humor, grace, and a few zany antics, this latest Sisterchicks release continues to celebrate the unique and timeless bond between women friends. Entertaining and delightful, the story also challenges readers to examine their relationships with one another and with God."

Gunn,2013-04-23 Robin Jones Gunn reveals poignant truths from her life as well as from the lives of women in the Bible as she flips the notion that we are at the mercy of circumstances She asks what if God has dreams for you What if he is accomplishing those dreams in the midst of shattered hopes When life doesn t go as expected it s easy to feel like a victim We look at the events that have gone wrong and view our lives as impaired What if we could see our future as God sees it Would our view radically change if we understood we are indeed victims rather than of happenstance God the Relentless Lover has vigorously sought you He has instilled dreams in your heart that are grander than you can imagine But the route to their fulfillment often is through a path you wouldn t seek What if God wants to take the hopes that tug at your heart and enliven them Are you ready to live inside the mysterious joy of being a victim of grace Faith and Fiction Anita

Gandolfo,2007-08-30 In recent years there has been an explosion in the market for fiction on religious topics and themes most notably Dan Brown s The Da Vinci Code The variety of contemporary religious fiction and the publishing phenomenon surrounding it indicate that this literature transcends any overt religious meaning and is significant in its political and social implications it is emblematic of the contemporary American Zeitgeist Traditionally literature is both mirror and lamp reflecting the society that produces it and illuminating the values and interests of that society Recognizing both of those perspectives Gandolfo examines Christian literature s place in American culture today and explores the cultural meaning and significance of the wildly popular Christian fiction now available The phenomenon surrounding Dan Brown s The Da Vinci Code has led to a cottage industry of interpretations attacks and commentaries but one thing is certain the book has had an enormous impact on American society culture and religious understanding not to mention the publishing industry which scrambles to find similar religious books to feed to an eager public But The Da Vinci Code is not the only book of its type on the market today In recent years there has been an explosion in the market for fiction on religious topics and themes with an entire series devoted to the impending Rapture as described in the Left Behind series Some fiction does not take an explicitly religious theme as these books do Instead writers like Andre Dubus and Ron Hansen imbue their creative work with spiritual

and religious themes embedded in the everyday lives and concerns of their characters. Regardless of the specific approach, what is not in doubt is that American readers have made the authors of these works wealthy as bookstores cannot stock their shelves with enough copies. Why the recent surge of interest in Christian fiction? How does it reflect trends in our culture and our lives? How has it changed our society and our understanding of spirituality and religion? How accurate are these books in terms of the theology they espouse? The variety of contemporary religious fiction and the publishing phenomenon surrounding it indicate that this literature transcends any overt religious meaning and is significant in its political and social implications; it is emblematic of the contemporary American Zeitgeist. Traditionally, literature is both mirror and lamp, reflecting the society that produces it and illuminating the values and interests of that society. Recognizing both of those perspectives, Faith and Fiction examines Christian literature's place in American culture today and explores the cultural meaning and significance of the wildly popular Christian fiction now available.
