electronic version has been made available under a Creative Commons BY-NC-ND open access license Siblings are our longest lasting relationships Narratives of the Great War abound with the war stories of brothers and sisters Their emotional experiences span the novelty of departing for war or taking up war work the turmoil of facing combat the effort to provide ongoing support for family members the ever-present anxiety for soldier brothers the depth of sibling grief and the multifarious ways surviving siblings sought to preserve the memory of their fallen brothers This social and cultural history places siblinghood at the heart of our understanding of the war generation and how they balanced conflicting obligations to

the nation the military and their families Drawing on a range of material Brothers in the Great War reveals how sibling bonds sustained fighting men and presents a novel insight into twentieth century familial life **The Latin at War** Will Irwin,1917

Italy in the Era of the Great War,2018-04-10 In Italy in the Era of the Great War Vanda Wilcox brings together nineteen Italian and international scholars to analyse the political military social and cultural history of Italy in the country s decade of conflict from 1911 to 1922 Starting with the invasion of Libya in 1911 and concluding with the rise of post war social and political unrest the volume traces domestic and foreign policy the economics of the war effort the history of military innovation and social changes including the war s impact on religion and women along with major cultural and artistic developments of the period Each chapter provides a concise and effective overview of the field as it currently stands as well as introducing readers to the latest research Contributors are Giulia Albanese Claudia Baldoli Allison Scardino Belzer Francesco Caccamo Filippo Cappellano Selena Daly Fabio Degli Esposti Spencer Di Scala Douglas J Forsyth Irene Guerrini Oliver Janz Irene Lottini Stefano Marcuzzi Valerie McGuire Marco Pluviano Paul O Brien Carlo Stiaccini Andrea Ungari and Bruce Vandervort See inside the book **New Perspectives on Civil War-Era Kentucky** John David Smith,2023-07-01 As a Unionist but also proslavery state during the American Civil War Kentucky occupied a contentious space both politically and geographically In many ways its pragmatic attitude toward compromise left it in a cultural no man s land The constant negotiation between the state s nationalistic and Southern identities left many Kentuckians alienated and conflicted Lincoln referred to Kentucky as the crown jewel of the Union slave states due to its sizable population agricultural resources and geographic position and these advantages coupled with the state s difficult relationship to both the Union and slavery ultimately impacted the outcome of the war Despite Kentucky s central role relatively little has been written about the aftermath of the Civil War in the state and how the conflict shaped the commonwealth we know today New Perspectives on Civil War Era Kentucky offers readers ten essays that paint a rich and complex image of Kentucky during the Civil War First appearing in the Register of the Kentucky Historical Society these essays cover topics ranging from women in wartime to Black legislators in the postwar period From diverse perspectives both inside and outside the state the contributors shine a light on the complicated identities of Kentucky and its citizens in a defining moment of American history *Women's Diaries from the Civil War South* Sharon Talley,2023-08-18 Traditionally narratives of war have been male Sharon Talley writes In the pages that follow she goes on to disrupt this tradition offering close readings and comparative studies of fourteen women s diaries from the Civil War era that illuminate women s experiences in the Confederacy during the war While other works highlighting individual diaries exist and Talley notes that there has been a virtual explosion of published primary sources by women in recent years this is the first effort of comprehensive synthesis of women s Civil War diaries to attempt to characterize them as a distinct genre Deeply informed by autobiographical theory as well as literary and social history Talley s presentation of multiple diaries from women of differing backgrounds illuminates complexities and disparities across female

wartime experiences rather than perpetuating overgeneralizations gleaned from a single diary or preconceived ideas about what these diaries contain To facilitate this comparative approach Talley divides her study into six sections that are organized by location vocation and purpose diaries of elite planter women diaries of women on the Texas frontier diaries of women on the Confederate border diaries of espionage by women in the South diaries of women nurses near the battlefield and diaries of women missionaries in the Port Royal Experiment When read together these writings illustrate that the female experience in the Civil War South was not one but many Women s Diaries from the Civil War South A Literary Historical Reading is an essential text for scholars in women s studies autobiography studies and Civil War studies alike presenting an in depth and multifaceted look at how the Civil War reshaped women s lives in the South and how their diverse responses shaped the course of the war in return The Business of War James McCarty,Matthew Tapie,Justin Bronson

Barringer,2020-10-01 The Business of War incisively interrogates the development and contemporary implications of the military industrial complex It exposes the moral dangers of life in neoliberal economies dependent upon war making for their growth and brings the Christian tradition s abundance of resources into conversation with this phenomenon In doing so the authors invite us to rethink the moral possibilities of Christian life in the present day with an eye toward faithful resistance to the business of war and its influence in every aspect of our lives In combining biblical historical theological and ethical analyses of the business of war the authors invite us to better understand it as a new moral problem that demands a new faithful response With contributions from Pamela Brubaker Stan Goff Christina McRorie Kara Slade Won Chul Shin David Swartz Jonathan Tran Myles Werntz Matthew Whelan Tobias Winright **Graves Memoirs of the Civil War** ,1927
