Sitting At The Feet Of The Past Retelling The North American Folktale For Children:

Handbook of Research on Children's and Young Adult Literature Shelby Wolf, Karen Coats, Patricia Enciso, Christine Jenkins, 2011-04-27 This landmark volume is the first to bring together leading scholarship on children's and young adult literature from three intersecting disciplines: Education, English, and Library and Information Science. Distinguished by its multidisciplinary approach, it describes and analyzes the different aspects of literary reading texts and contexts to illuminate how the book is transformed within and across different academic figurations of reading and interpreting children's literature. Part one considers perspectives on readers and reading literature in home, school, library, and community settings. Part two introduces analytic frames for studying young adult novels, picturebooks, indigenous literature, graphic novels, and other genres. Chapters include commentary on literary experiences and creative production from renowned authors and illustrators. Part three focuses on the social contexts of literary study with chapters on censorship, awards, marketing, and literary museums. The singular contribution of this Handbook is to lay the groundwork for colleagues across disciplines to redraw the map of their separately figured worlds, thus to enlarge the scope of scholarship and dialogue as well as push ahead into uncharted territory.

Sitting at the Feet of the Past Gary D. Schmidt, Donald R. Hettinga, 1992-09-15 Must a folktale be connected to its culture? Can a tale with universal applications be transmitted from one culture to another without loss? Does a teller from one culture have the ability or even the right to relate a tale from another culture? What happens to a tale when it leaves the oral and adult arenas and appears in print for children? Is it legitimate for a reteller to create variants to suit a child audience? Children's literature is today the major conduit for folklore, and professionals in the field must consider these questions. Editors Gary Schmidt and Donald Hettinga have brought together twenty-three writers of children's literature, illustrators, storytellers, and literary critics who explore the issues and offer their experiences and views. The scope of the volume is the North American folktale, a rich amalgam of four major distinct traditions: the Native American folktale, the African American folktale, the retold Western European folktale, and the American tall tale. Each tradition is separately presented with an introductory survey and a selection of essays by the writers and critics. This focused collection will be valuable to scholars and professions in folklore, anthropology, American literature, and children's literature and useful also as a text in courses on children's literature and folklore.

The Annotated African American Folktales Henry Louis Gates Jr., Maria Tatar, 2017-11-14 Winner NAACP Image Award for Outstanding Literary Work Fiction Winner Anne Izard Storytellers Choice Award Holiday Gift Guide Selection Indiewire San Francisco Chronicle and Minneapolis Star Tribune. These nearly 150 African American folktales animate our past and reclaim a lost cultural legacy to redefine American literature. Drawing from the great folklorists of the past while expanding African American lore with dozens of tales rarely seen before, *The Annotated African American Folktales* revolutionizes the canon like no other volume. Following in the tradition of such classics as Arthur Huff Fauset's *Negro Folk Tales from the South* (1927) and Zora Neale Hurston's *Mules and*

Men 1935 and Virginia Hamilton's *The People Could Fly* 1985 acclaimed scholars Henry Louis Gates Jr and Maria Tatar assemble a groundbreaking collection of folktales myths and legends that revitalizes a vibrant African American past to produce the most comprehensive and ambitious collection of African American folktales ever published in American literary history Arguing for the value of these deceptively simple stories as part of a sophisticated complex and heterogeneous cultural heritage Gates and Tatar show how these remarkable stories deserve a place alongside the classic works of African American literature and American literature more broadly Opening with two introductory essays and twenty seminal African tales as historical background Gates and Tatar present nearly 150 African American stories among them familiar Brer Rabbit classics but also stories like *The Talking Skull* and *Witches Who Ride* as well as out of print tales from the 1890s *Southern Workman* Beginning with the figure of Anansi the African trickster master of improvisation a spider who plots and weaves in scandalous ways *The Annotated African American Folktales* then goes on to draw Caribbean and Creole tales into the orbit of the folkloric canon It retrieves stories not seen since the Harlem Renaissance and brings back archival tales of Negro folklore that Booker T Washington proclaimed had emanated from a grapevine that existed even before the American Revolution stories brought over by slaves who had survived the Middle Passage Furthermore Gates and Tatar's volume not only defines a new canon but reveals how these folktales were hijacked and misappropriated in previous incarnations egregiously by Joel Chandler Harris a Southern newspaperman as well as by Walt Disney who cannibalized and capitalized on Harris's volumes by creating cartoon characters drawn from this African American lore Presenting these tales with illuminating annotations and hundreds of revelatory illustrations *The Annotated African American Folktales* reminds us that stories not only move entertain and instruct but more fundamentally inspire and keep hope alive *The Annotated African American Folktales* includes Introductory essays nearly 150 African American stories and 20 seminal African tales as historical background The familiar Brer Rabbit classics as well as news making vernacular tales from the 1890s *Southern Workman* An entire section of Caribbean and Latin American folktales that finally become incorporated into the canon Approximately 200 full color museum quality images

[Indigenous Perspectives of North America](#) Judit Nagy, Enikő Seps, Miklós Vassányi, 2014-08-20

The present volume brings to North American Native Studies with its rich tradition and accumulated expertise in the Central European region the new complexities and challenges of contemporary Native reality The umbrella theme Indigenous perspectives brings together researchers from a great variety of disciplines focusing on issues such as democracy and human rights international law multiculturalism peace and security economic and scientific development sustainability literature and arts and culture as well as religion The thirty five topical and thought provoking articles written in English French and Spanish offer a solid platform for further critical investigations and a useful tool for classroom discussions in a wide variety of academic fields

[Sitting at the Feet of the Past](#) Gary D. Schmidt, Donald R. Hettinga, 1992-09-15 Must a folktale be connected to its culture Can a tale with universal applications be transmitted from one culture to another without loss Does a

Folk and Fairy Tales D. L. Ashliman, 2004-05-30 Just about everyone is familiar with folk and fairy tales Children learn about them from parents teachers and other adults while researchers study these tales at colleges and universities At the same time folk and fairy tales are inseparable from everyday life and popular culture Movies music art and literature offer imaginative retellings and interpretations of fairy and folk tales But despite the pervasiveness of this folklore type most people have only a vague understanding of these tales This reference is a convenient introduction to folk and fairy tales for students and general readers Written by a leading authority this handbook offers a broad examination of folk and fairy tales as a folklore type It looks at tales from around the world and from diverse cultures The volume defines and classifies folk and fairy tales and analyzes a number of examples It studies the varied manifestations of fairy and folk tales in literature and culture and reviews critical and scholarly approaches to this folklore genre The volume also includes a glossary and extensive list of works for further reading

The Teller's Tale Sophie Raynard, 2012-10-27 Vaak verrassende portretten van de klassieke westerse sprookjesschrijvers

St. Nicholas and Mary Mapes Dodge Susan R. Gannon, Suzanne Rahn, Ruth Anne Thompson, 2004-07-15 St Nicholas has been called the best children s magazine ever published particularly during the tenure of its founding editor Mary Mapes Dodge From 1873 to 1905 Dodge worked to create what she called a pleasure ground for children a magazine that would have great impact on several generations of children The list of authors who wrote for her includes Louisa May Alcott Frances Hodgson Burnett Henry Wadsworth Longfellow Rudyard Kipling Theodore Roosevelt and Mark Twain The quality of the magazine s illustration was equally high The magazine was also the launching pad for a new generation of authors and artists such as F Scott Fitzgerald E B White Jack London and Eudora Welty This anthology of critical writing on St Nicholas includes some of the most influential articles already published and newly commissioned essays on a variety of subjects including the impact of the St Nicholas league the utopian thrust of the magazine s fiction and the story of the long and productive literary partnership between Dodge and Alcott Essays also analyze Dodge s relationship with her readers her editorial practice the

illustrations American family life as seen by young British readers war and military life advertising and the middle class preoccupation with change of fortune tales The work places St Nicholas in American cultural history and analyzes how it both influenced and was influenced over thirty years Essential documentary material presently unpublished or inaccessible and illustrations from the magazine are also included *The Swiftly Tilting Worlds of Madeleine L'Engle* Madeleine L'Engle, Luci Shaw, 1998 In honor of Madeleine L'Engle's 80th birthday a host of prominent writers and academics gather to create this unique collection of essays They provide an intimate portrait of L'Engle and respond to her writings and mentoring influence

Discourses That Matter Maria José Canelo, 2013-10-03 How can English and American Studies be instrumental to conceptualizing the deep instability we are presently facing How can they address the coordinates of this instability such as war terrorism the current economic and financial crisis and the consequent myriad forms of deprivation and fear How can they tackle the strategies of dehumanization invisibility and the naturalization of inequality and injustice entailed in contemporary discourses This anthology grew out of an awareness of the need to debate the role of English and American Studies both in the present context and in relation to the so called demise of the Humanities Drawing on Judith Butler's rethinking of materiality as the effect of power in her study *Bodies That Matter* 1993 we locate this collection of essays at the crossroads of discourse and power while we expect the work collected here to highlight the ability of discourses to materialize in or as truth and as such to support or decry particular constituencies Discourses therefore matter to us as products and vehicles of power relations that can be subject to the analytical and interpretative tools of English and American Studies Our idea was to challenge especially young scholars to position their research concerning the ability of their fields to be discourses that matter in the case in point to be critical practices that make an active intervention in current debates By focusing on matters such as language as witness to the world representations of gender race and ethnicity performative discourses exceptionalism and power and interculturality these essays pursue the chance to deepen enlarge and question both literary and cultural phenomena their established critical readings and the strategies deployed in representations Finally English and American Studies in the present collection demonstrate their affiliation to the Humanities by exploring the numerous possibilities offered by their discourses their ability to foster critical thought allowing us to think for and outside ourselves their capacity to test argue and question and their profound imaginative potential

Sitting At The Feet Of The Past Retelling The North American Folktale For Children Introduction

In the digital age, access to information has become easier than ever before. The ability to download *Sitting At The Feet Of The Past Retelling The North American Folktale For Children* has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download *Sitting At The Feet Of The Past Retelling The North American Folktale For Children* has opened up a world of possibilities. Downloading *Sitting At The Feet Of The Past Retelling The North American Folktale For Children* provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading *Sitting At The Feet Of The Past Retelling The North American Folktale For Children* has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes

equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download *Sitting At The Feet Of The Past Retelling The North American Folktale For Children*. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading *Sitting At The Feet Of The Past Retelling The North American Folktale For Children*. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading *Sitting At The Feet Of The Past Retelling The North American Folktale For Children*, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download *Sitting At The Feet Of The Past Retelling The North American Folktale For Children* has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sitting At The Feet Of The Past Retelling The North American Folktale For Children Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
