goes stability With his silence doing more damage than the actual video and his reputation and professional future on the line Rafael decides the best way to undo the damage is to be completely truthful about the traumatic and violent past he s tried to keep hidden He expected some backlash from his decision not to be the silent victim anymore What he didn t expect was Akilah s own hidden past and damning indiscretions to be exposed and used against her Nor did he expect it to go viral Now Rafael has to decide if defending himself is worth the cost of Akilah s future and possibly their relationship or if he should just close his mouth and hope everything blows over But it might be too late to stop And even if it wasn t Rafael s not sure he wants to Either way he hopes Akilah will forgive him TW Discussion of rape Childe abuse abortion and sexual violence
